A Structural Commentary on the So-Called Antilegomena Kalina

Wojciechowska, Mariusz Rosik, 2024-06-17 The structural approach facilitates exposure of the elements of eschatological teaching characteristic of 2 Peter's author with its correct or incorrect interpretation. Narratives drawn from Jewish tradition aim to show two attitudes towards the announcement of destruction: a positive attitude signifying salvation and a negative attitude signifying annihilation. This pattern is transferred to the attitude towards prophetic and apostolic eschatological teaching. Part 1 of the commentary 2 Pet 1 2 focuses on the misinterpretation of this teaching by false teachers and their followers. Their eschatological scepticism is ridiculed and their grim fate described. As the starting point for this description and Peter's whole line of argumentation 2 Pet 2 3b is taken, the thesis is that God's inaction is only apparent while judgment and punishment are inevitable although only God knows when they will be executed. Part 2 of the commentary 2 Pet 3 focuses on the proper interpretation of this teaching and on laying out the principles of the letter author's hermeneutics. This hermeneutic construes texts from Jewish tradition as foreshadowing and typologies of eschatological events. In explaining the principles of his hermeneutic the letter's author drew on the creation story which Jewish apocalypticism read inversely to mark that the eschatological hermeneutics is rooted in tradition. The starting point of Peter's line of argumentation was taken to be 2 Pet 3 5 7 with its thesis of God's creative and destructive word and God's sovereign will regarding the preservation of creation and the appointment of the time of judgment. This thesis explains the apparent lack of divine action which was also a major concern in Part 1 of the commentary 2 Pet 1 2.

Reading the Epistles of James, Peter, John & Jude as Scripture David Nienhuis, Robert W. Wall, 2013-12-19 Through a detailed examination of the historical shaping and final canonical shape of seven oft neglected New Testament letters Reading the Epistles of James Peter John and Jude as Scripture introduces readers to the historical literary and theological integrity of this indispensable apostolic witness While most scholars today interpret biblical texts in terms of their individual historical points of composition David Nienhuis and Robert Wall argue that a theological approach to this part of Scripture is better served by attending to these texts historical point of canonization those key moments in the ancient church s life when apostolic writings were grouped together to maximize the Spirit s communication of the apostolic rule of faith to believers everywhere Reading the Epistles of James Peter John and Jude as Scripture is the only treatment of the Catholic Epistles that approaches these seven letters as an intentionally designed and theologically coherent canonical collection
