New Testament Exposition:

The Bible Exposition Commentary Warren W. Wiersbe, 2003 With this final installment in this six volume set Dr Wiersbe has covered the entire Bible

New Testament Exposition Walter L. Liefeld, 1989-06-13 Expository preaching is an elusive ideal Many preachers aspire to it few are acknowledged masters For most a gap exists between the sermon that addresses the needs of the hearers and one that methodically plumbs the depths of Scripture New Testament Exposition is written to bridge this gap and bring together the disciplines of preaching and exegesis In this book Liefeld addresses the three main concerns of expository preaching What is the text saying How can its message be communicated in ways that are appropriate to the passage the seeing and the goals of the sermon How can the message meet the real needs of the congregation in a way that is consistent with the purpose and function of the text This book demonstrates how these concerns can be brought together in a sermon and it is this thoughtful practical approach that makes the book so valuable to preachers and seminarians The book is divided into three parts Part I explores the characteristics of expository preaching Part II deals with preparing the text and addresses such areas as practical exegesis exegetical outlines narratives and compositional patterns semantic patterns and underlying assumptions of the text Part III discusses application of the text by asking What is the function of the text What are the needs of the congregation How can one preach to inner heart needs as well as to the external circumstances facing the congregation New Testament Exposition is not vague theory nor is it esoteric study beyond the grasp and time of the busy pastor Throughout the book Dr Liefeld reflects his experience in the classroom and pulpit and his concerns as scholar and pastor are clearly seen in the final chapters of this volume Chapter 9 examines preaching from difficult texts How might one handle parables miracle stories obscure passages culturally related texts The final chapter provides a demonstration of all that is discussed throughout the book by walking the road through the actual preparation for a sermon

An Exposition of the New Testament ... By John Gill. [Edited by David A. Doudney. With a Portrait.], 1853

New Testament Exposition Walter L. Liefeld, 1984 This study examines some key approaches to ecumenical social ethics in the past century as expressed in the thought of Walter Rauschenbusch Reinhold Niebuhr and the World Council of Churches The author argues that unless Christians are clear about the ways that theology and philosophy relate to one another and work themselves out in our practical commitments we will lose the ability to discuss social ethics as individuals and churches let alone reach effective arguments

The Branch Exposition of the Bible, Volume 1 Michael A. Eaton, 2020-08-31 If you picture the Bible to be a mighty tree and every word a little branch I have shaken every one of these branches because I wanted to know what it was and what it meant MARTIN LUTHER A great deal of biblical scholarship is written for academics and fails to edify readers or strengthen their Christian ministry Yet Christians need to be nourished by the word of God so they can mature in faith and righteousness Filling this gap The Branch Exposition of the Bible is a resource for preachers scholars and everyday Christians alike to help open God's word and shed its light into life

ministry and teaching Inspired by the words of the great reformer Martin Luther about shaking every branch of Scripture and with experience in ministering across Africa India and the West Michael A Eaton helps us understand the meaning of the Bible and taste its fruit With an Old Testament volume to follow this exposition of the New Testament accessibly engages with the biblical languages gives application for our lives and leads us through each book of the New Testament so that we can meet the resurrected Jesus Christ in the pages of Scripture

CONTEXTUAL COMMENTARY Dr. Robert R. Seyda, 2024-03-26 The Apostle John tells his readers he has an important message to tell them. It is about a person who was already there before the beginning of the world. We heard him speak. We've seen Him with our own eyes. We watched Him and we touched Him. He is the Word that gives us life with God. This is the message. God is completely good and pure. He is like light. There is nothing dark about Him. Amazingly, John tells us that one of the things Jesus wanted us to understand is that by loving others, we love God. Yes, we do make mistakes and so do other believers, but we are not to hold that against them because just as we were given forgiveness by God's mercy and grace since we are in union with His Son, so can they. What we are not to do is claim access to this privilege but then live like those in the world. Our goal is not just life but eternal life. After all, we are God's children, and no child of God keeps on sinning after they are born again through Jesus the Anointed One. *Dictionary of the Later New Testament & Its Developments* Ralph P. Martin, Peter H. Davids, 2010-05-11 This one of a kind reference volume provides focused study on the often neglected portions of the New Testament: Acts, Hebrews, the General Epistles, and Revelation. Expert contributors present more information than any other single work dealing exclusively with the theology, literature, background, and scholarship of the later New Testament and the apostolic church. **Exposition of the Gospel According to John** William Hendriksen, 1953
