100 Important Questions About the Bible . . . Answered! Lee Martin McDonald, 2025-08-19 In *100 Important Questions About the Bible Answered* Lee Martin McDonald explores some of the most critical issues surrounding the origin development and inspiration of the Jewish and Christian scriptures He examines all the most commonly cited ancient sources essential for piecing together the complex story of the formation of the Bible Relatively short responses give a helpful digest of the issues surrounding these hundred questions Further resources are suggested for readers looking for more detailed information This book with its accessible format will dispel numerous confusions and myths surrounding the formation of the Bible and help readers better understand the gift of scripture *Kingdom, Power, and Glory - Instructor's Guide* Grace Bible College & Seminary, 2015-03-07 The New Testament the new agreement that God made with humanity through His Son Jesus Christ is the subject of this course This survey of the New Testament brings a realization that God speaks authoritatively to the church and the world today just as He did in the New Testament and throughout the course of history The information contained in this course will help provide a fuller understanding of New Testament truths and the reliable manner in which they were transmitted to us A study of this course will enable students to teach others about the Word of God in a greatly enhanced fashion *A Beginner's Guide to New Testament Studies* Nijay K. Gupta, 2020-03-17 This accessible and balanced introduction helps readers sort out key views on the most important debated issues in New Testament studies Well known New Testament scholar Nijay Gupta fairly presents the spectrum of viewpoints on thirteen topics and offers reflections on why scholars disagree on these matters Written to be accessible to students and readers without advanced training in New Testament studies this book will serve as an excellent supplementary text for New Testament introduction courses *Going Deeper with New Testament Greek* Andreas J. Köstenberger, Benjamin L Merkle, Robert L. Plummer, 2017-10-01 From their decades of combined teaching experience Andreas J Köstenberger Benjamin L Merkle and Robert L Plummer have produced an ideal resource enabling students to improve their skills so they may properly read exegete and apply the Greek New Testament Designed for those with a basic knowledge of Greek *Going Deeper with New Testament Greek* is a user friendly textbook for intermediate Greek courses at the college or seminary level In fifteen chapters students learn Greek grammar and how to interpret the New Testament in a way that is accessible and even fun Also included are chapters on the Greek language and textual criticism verbal aspect sentence diagramming and discourse analysis word studies and continuing with Greek Unique Features Include Practical examples illustrating how knowing the content of a given chapter can guide proper interpretation of Scripture Practice sentences and vocabulary lists including all the words that occur fifteen times or more in the New Testament Selected texts from every New Testament author for students to translate along with detailed reading notes to guide interpretation of each text Summary charts to help students review material serving as a handy study guide and quick reference tool **Grounds for Marriage, Book and Study Guide** Jade G. Stone, 2011-02-17 Your marriage is in

crisis and you've read countless books on how to make it work but to no avail. You haven't seen sustainable change in your relationship and you're ready to give up hope that counseling will be effective. You're weary of striving and you may have even considered having an affair, doing violence to yourself or to your partner, or indulging in an addiction. Perhaps you already have. You cannot stomach another false promise or simplistic solution to the complex problems in your marriage and you wonder if there is any other way. *Grounds for Marriage* speaks into the wreckage of broken covenants with a fresh perspective on relationship, refusing to apply flimsy bandages to fractured relationships and insisting that the core brokenness be addressed and genuinely repaired. This material helps couples and their counselors to honestly evaluate troubled marriages, providing a much-needed compassionate, sensible, hopeful sound and sometimes unexpected understanding of the scriptures and of relationship. Synchronizing personal story, anecdotes from her work as a Licensed Professional Counselor, and a review of literature in psychology and theology, Jade G. Stone helps couples in crisis to study the scriptures to determine what they say constitutes a marriage covenant, recognize how both partners contribute to failure in their marriage, heal from old wounds so they can be in covenantal relationship with God and with a covenant companion. With no nonsense directness and high definition clarity, Stone helps you envision how human covenantal commitments must function in order to mirror intimacy with God. She presents the criteria of wholehearted covenant as a measuring stick for relational intimacy, grounds for marriage without which you cannot determine what comprises broken intimacy, grounds for divorce. From a covenantal relational perspective, you can maintain scriptural integrity, understanding, and wisdom as you evaluate a marriage in crisis. *Grounds for Marriage* includes a study guide to help readers personalize the concepts presented.

The Old Testament Student William Rainey Harper, 1887 Vol 8 includes New Testament supplement *Invitation to Biblical Interpretation* Andreas Köstenberger, 2021-02-23 2nd Edition. An authoritative guide to accurately interpreting and applying God's Word. In this second edition of *Invitation to Biblical Interpretation*, Andreas Kostenberger leads the reader step by step through the process of interpreting and applying God's Word. The primary principle is the hermeneutical triad which consists of history, literature, and theology. Readers are equipped to explore the historical background of a biblical passage, analyze its literary genre and features, and derive its theological meaning in light of the biblical canon. Numerous examples are provided throughout to illustrate the concepts. A concluding chapter provides direction on practical application, preaching, and helpful tools for Bible study. Additional features include key words and definitions at the end of each chapter, study questions, and practical exercises for applying the material. An appendix lists numerous resources for Bible study, including recommended commentaries for every book of the Bible. The second edition updates these resources as well as the sources cited throughout and includes a revised chapter on the Old Testament canon. Instructors, students, pastors, and anyone who desires to interpret Scripture accurately will find this volume to be an indispensable addition to their library.

Critic Amos N. Wilder, 2013-12-01 This last of Amos Wilder's published works in the field of religion and literature collects twelve previously published or unpublished essays written with a single exception in the 1980s. Found here is the record of his views of postmodernism and the work of such contemporary figures as Paul Ricoeur, George Steiner, Frank Kermode, and the late Norman Perrin. As background, Wilder also includes two pieces that fill in the story of his own encounter with biblical scholarship dating back to meeting Albert Schweitzer at Oxford in 1922. In 1961, John Dominic Crossan authored Wilder's intellectual biography for the Society of Biblical Literature's series on biblical scholarship in North America, *A Fragile Craft: The Work of Amos Niven Wilder*. The chapter "Wilder on Crossan" on Wilder offers an enticing dividend of this overview of New Testament studies in the twentieth century by a scholar whose active career spanned more than six decades. **Christian Home Educators' Curriculum Manual** Cathy Duffy, 1997-11
