From the Ground Up Jeanne Nolan, 2013-07-16 An inspiring story for everyone who's ever dreamed of growing the food they eat When Jeanne Nolan a teenager in search of a less materialistic more authentic existence left Chicago in 1987 to join a communal farm she had no idea that her decades long journey would lead her to the heart of a movement that is currently changing our nation's relationship to food Now a leader in the sustainable food movement Nolan shares her story in From the Ground Up helping us understand the benefits of organic gardening for the environment our health our wallets our families and our communities The great news as Nolan shows us is that it has never been easier to grow the vegetables we eat whether on our rooftops in our backyards in our school yards or on our fire escapes From the Ground Up chronicles Nolan's journey as she returned seventeen years later disillusioned with communal life to her parents suburban home on the North Shore as a single mother with few marketable skills Her mother suggested she plant a vegetable garden in their yard and it grew so abundantly that she established a small business planting organic gardens in suburban yards She was then asked to create an organic farm for children at Chicago's Lincoln Park Zoo and she soon began installing gardens around the city on a restaurant's rooftop in school yards and for nonprofit organizations Not only did she realize that practically anyone anywhere could grow vegetables on a small scale but she learned a greater lesson as well rather than turn her back on mainstream society she could make a difference in the world The answer she was searching for was no further than her own backyard In this moving and inspiring account which combines her fascinating personal journey with the knowledge she gained along the way Nolan helps us understand the importance of planting and eating organically both for our health and for the environment and provides practical tips for growing our food With the message that we can create utopias in our very own backyards and rooftops From the Ground Up can inspire each of us to reassess our

relationship to the food we eat Praise for From the Ground Up One of the most intelligent surprising and impressive garden memoirs I've read in a long time radiant with hope and love The New York Times Book Review The joy of From the Ground Up is not Nolan's own happy ending but rather the illuminating way she applies her vision to practical problems The hardest memoir to write is the one that is honest but not self-obsessed Nolan accomplishes this with clarity and poise Jane Smiley Harper's A rare and improbable thing a gripping gardening memoir Nolan's voice is an honest and reassuring one Chicago Reader A refreshing narrative From the Ground Up triumphs the backyard micro garden as it imparts lessons from Nolan's life about family The book is a good read for foodies and lovers of a good story alike and an inspiration to garden wherever you can find space Fredericksburg Free Lance Star From the Ground Up resonates powerfully with me as a gardener and inspires me to double dig my garden bed But even readers who keep their fingernails clean will benefit from this beautiful story and powerful message Sophia Siskel president and CEO of the Chicago Botanic Garden

The Politics of Time Guy Standing, 2023-10-26 Guy Standing's books have over the years pieced together a necessary

political and intellectual agenda His Politics of Time is a splendid and timely addition to this body of important work Yanis Varoufakis Time has always been political Throughout history how we use our time has been defined and controlled by the powerful and today is no exception But we can reclaim control and in this book the pioneering economist Guy Standing shows us how The ancient Greeks organised time into five categories work labour recreation leisure and contemplation Labour was onerous whereas leisure was scholē and included participation in public life and lifelong education Since the industrial revolution our time has been shaped by capitalism our jobs are supposed to provide all meaning in life our time outside labour is considered simply time off and politicians prioritise jobs above all other aspects of a good life Today we are experiencing the age of chronic uncertainty Mental illness is on the rise some people are experiencing more time freedom while many others are having more and more of their time stolen from them particularly the vulnerable and those in the precariat But there is a way forward We can create a new politics of time one that liberates us and helps save the planet through strengthening real leisure and working together through commoning We can retake control of our time but we must do it together

The Top Books of the Year Nice Book Building Raised Beds Accessible Vegetables The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous compelling novels captivating the hearts of readers worldwide. Lets delve into the realm of popular books, exploring the engaging narratives that have charmed audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This heartfelt tale of love, loss, and resilience has captivated readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Uncover the Best : Taylor Jenkins Reid's "The Seven Husbands of Evelyn Hugo" This intriguing historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reid's compelling storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens' "Where the Crawdads Sing" This evocative coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens crafts a tale of resilience, survival, and the transformative power of nature, entrancing readers with its evocative prose and mesmerizing setting. These top-selling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and gripping novel that will keep you speculating until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
