Nice Book End Airports Christopher Schaberg:

The End of Airports Christopher Schaberg, 2015-11-19 A sequel and companion to the groundbreaking *The Textual Life of Airports* *The End of Airports* combines critical theory cultural studies and media studies to encourage readers to think differently about contemporary air travel

The Textual Life of Airports Christopher Schaberg, 2012-02-02 From the earliest airfields to the post 9 11 turn this book investigates how airports figure in the American cultural imagination

Grounded Christopher Schaberg, 2020-12-08 As commercial flight is changing dramatically and its future remains unclear a look at how we got here *Grounded* Perpetual Flight and Then the Pandemic considers the time leading up to the COVID 19 pandemic and the ensuing global plummet in commercial flight Mobility studies scholar Christopher Schaberg tours the newly opened airport terminal outside of New Orleans MSY in late 2019 and goes on to survey the broad cultural landscape of empty airports and grounded planes in the early months of the novel coronavirus s spread in 2020 The book culminates in a reflection on the future of air travel what may unfold and what parts of commercial flight are almost certainly relics of the past *Grounded* blends journalistic reportage with cultural theory and philosophical inquiry in order to offer graspable insights as well as a stinging critique of contemporary air travel

The End of Airports Christopher Schaberg, 2015-11-19 If air travel was once the bold future it has now settled into a mundane on going present We no longer expect romantic experiences or sublime views but just hope that we get from here to there with minimal hassle In *The End of Airports* Christopher Schaberg suggests that even as the epoch of flight approaches a threshold of banality there are still mysteries to be unraveled around our aircraft and airfields Drawing from his own experiences working at an airport as well as interpreting these spaces from the perspective of a cultural critic Schaberg explores the secret lives of jet bridges seating areas concourses and tarmac vehicles showing how the ordinary objects of flight call for wonder and inquiry *The End of Airports* is not an obituary it s more like an ode to terminals in the digital age

The Work of Literature in an Age of Post-Truth Christopher Schaberg, 2018-07-26 A 2019 Prose Award Finalist What is the role of literary studies in an age of Twitter threads and viral news If the study of literature today is not just about turning to classic texts with age old questions neither is it a rejection of close reading or critical inquiry Through the lived experience of a humanities professor in a rapidly changing world this book explores how the careful study of literature and culture may be precisely what we need to navigate our dizzying epoch of post truth politics and ecological urgency

Airportness Christopher Schaberg, 2017-09-21 Explores the surprising connections between the common experience of air travel and how we think about nature

Imagining Urban Complexity Frans-Willem Korsten, Anthony T. Albright, 2024-07-30 *Imagining Urban Complexity* introduces passionate and critical perspectives on the link between the humanities and urban studies It emphasizes tropes media and genres as cultural techniques that shape complexity in urban environments by distributing affordances modes of sensing and modes of sense making Focusing on urban political and cultural dynamics in 24 global cities the book shows that urban

environments are thematized in literature and art but are also entities that are shaped perceived interpreted and experienced through sense making techniques that have long been central concerns of the humanities These techniques the book argues activate a dialectic between urban imaginations and cancellations Tropes media and genres are aesthetically and politically powerful they propel imaginations and open up multiplicities of urban possibilities they naturalize actualized orders and they cancel alternatives The book moves between close readings of city spaces and more systemic and infrastructural approaches to urban environments providing tools and strategies that can be adapted and extended to understand urban complexity in different cultural and political contexts The book speaks to global audiences from a continental philosophical tradition It is relevant to undergraduates postgraduates and academic researchers in the fields of critical urban studies urban design comparative literature cultural studies cultural analysis ecocriticism political theory and ethics

Pedagogy of the Depressed Christopher Schaberg, 2021-12-16 This book is one English professor s assessment of university life in the early 21st century From rising mental health concerns and trigger warnings to learning management systems and the COVID pandemic Christopher Schaberg reflects on the rapidly evolving landscape of higher education Adopting an interdisciplinary public humanities approach Schaberg considers the frequently exhausting and depressing realities of college today Yet in these meditations he also finds hope collaboration mentoring less grading surface reading and other pedagogical strategies open up opportunities to reinvigorate teaching and learning in the current turbulent decade

Searching for the Anthropocene Christopher Schaberg, 2019-12-12 Debated denied unheard of encompassing The Anthropocene is a vexed topic and requires interdisciplinary imagination Starting at the author s home in rural northern Michigan and zooming out to perceive a dizzying global matrix Christopher Schaberg invites readers on an atmospheric impressionistic adventure with the environmental humanities Searching for the Anthropocene blends personal narrative cultural criticism and ecological thought to ponder human driven catastrophe on a planetary scale This book is not about defining or settling the Anthropocene but rather about articulating what it s like to live in the Anthropocene to live with a sense of its nagging presence even as the stakes grow higher with each passing year each oncoming storm

Atmospheric Noise Marina Peterson, 2021-02-05 In Atmospheric Noise Marina Peterson traces

entanglements of environmental noise atmosphere sense and matter that cohere in and through encounters with airport noise since the 1960s Exploring spaces shaped by noise around Los Angeles International Airport LAX she shows how noise is a way of attuning toward the atmospheric through noise we learn to listen to the sky and imagine the permeability of bodies and matter sensing and conceiving that which is diffuse indefinite vague and unformed In her account the atmospheric encompasses the physicality of the ephemeral dynamic assemblages of matter as well as a logic of indeterminacy It is audible as well as visible heard as much as breathed Peterson develops a theory of indefinite urbanism to refer to marginalized spaces of the city where concrete meets sky windows resonate with the whine of departing planes and endangered butterflies live under flight paths Offering a conceptualization of sound as immanent and non objectified she demonstrates ways in which noise is central to how we know feel and think atmospherically

Adventure Christopher Schaberg, 2023-07-13 What is the meaning of adventure as we enter the third decade of the 21st century after a global pandemic social and geopolitical calamities and accelerating environmental catastrophes What stories are humans telling about wilderness remote destinations and the most difficult thoughts thinkable Adventure is a pinball assortment of unexpected encounters Each chapter entertains a specific project fantasy or activity that dabbles with adventure and runs into limits Subjects range from Mars exploration commercial space tourism and adventure consumerism to the day to day experiences of living in a world increasingly impacted by climate change and environmental disasters Taking a wide angle view at times personal at others theoretical Schaberg explores our ideas about adventure and their narrative cultural and philosophical underpinnings
