Morrison-Reed,2014 The foremost scholar of African American Unitarian Universalist history presents this long awaited analysis of the denomination's civil rights activism in Selma Alabama in 1965 Selma represented a turning point for Unitarian Universalists In answering Martin Luther King Jr's call to action they shifted from passing earnest resolutions about racial justice to putting their lives on the line for the cause Morrison Reed traces the long history of race relations among the Unitarians and the Universalists leading up to 1965 exploring events and practices of the late nineteenth century and first half of the twentieth century He reveals the disparity between their espoused values on race and their

values in practice And yet in 1965 their activism in Selma involving hundreds of ministers and the violent deaths of Rev James Reeb and Viola Liuzzo at last put them in authentic relationship with their proclaimed beliefs With rigorous scholarship and unflinching frankness *The Selma Awakening* provides a new way of understanding Unitarian Universalist engagement with race and offers an indispensable new resource for anyone interested in UU history     **The World Almanac and Book of Facts, 2002** World Almanac,2001-05 Offers comprehensive facts figures and explanations of the events people and places in the news with original articles on recent issues and topics     **Book Review Digest** ,1997
