But that's not the end of it. When they arrive in Scotland to flee the peril, a group of Scottish vampires want to overthrow their own League and they want the princes to help them. Do they do it and risk it all? Will Jasmine leave them and find her own way? These are the questions they have to answer before they get themselves even more over their heads than they already are and lose them this time.

Bear in Mind Terry Spear, 2022-12-27 Grizzly bear shifter Amy Rutherford has special abilities where she can hear voices in her head, the thoughts and feelings of others, and she needs to get control of it. It started way before she nearly died in a car accident during a rainstorm where her parents perished and she's sure the crash wasn't an accident. But nobody believes her. She can't let go of what had happened and storms bring on a case of Post Traumatic Stress Syndrome. She is on a blind date while celebrating her sister and her husband's anniversary while a storm rages overhead at the dance club. She's assaulted by all the voices in her head until one stands out. A man is observing her, hiding his dark secrets from her or trying to, and she's not sure if he's one of the good guys or not. Cedric Shader is a grizzly bear shifter and knows not to contact Amy the way he did at the dance club instead of trying to meet her face to face first. But he senses her vulnerability and that she is experiencing psychic overload just like he would when he was a kid. Now he uses his ability to investigate murders, but the crime scene memories stay with him though he tries hard to compartmentalize them and he doesn't want her to witness them. He told himself he is here on a job, not to become involved with a woman who has psychic issues. But she's in trouble and he's certain she needs him to teach her how to cope. Worse, she believes someone had murdered her parents and he's beginning to wonder if she's right. With a break-in at her apartment and a possible connection to the murder of her parents, they're running out of time before the person or persons kills again.
