Nice Book Parenting Story Real Life Character Children:

Finding the Calm Child Within Sam Goldstein, Robert B. Brooks, Donna DiMaio Rooney, Molly Anthony, 2025-06-23 In the intricate landscape of childhood emotional and behavioral challenges disruptive mood dysregulation disorder DMDD stands as one of the most daunting. Characterized by intense irritability and explosive outbursts DMDD can transform the journey of parenting and teaching into a relentless storm leaving families and educators searching for guidance and support. This book offers a beacon of hope as well as a comprehensive resource crafted for those dedicated to nurturing children with DMDD. Key areas of coverage include: if supportLists endif Biological, psychological, and environmental factors contributing to DMDD and how to recognize and assess its symptoms effectively; if supportLists endif Evidence-based approaches to assessing and treating DMDD from parent training and therapeutic interventions to medication management; if supportLists endif The eight guideposts for building resilience to help children with DMDD navigate their emotions, develop problem-solving skills, and cultivate self-discipline and empathy; if supportLists endif Real-life inspirational and practical wisdom from the experiences of families who have courageously and lovingly faced the challenges of DMDD; if supportLists endif Strengthening home and school partnerships to ensure that children with DMDD receive the support and accommodations they need to thrive academically and socially. Finding the Calm Child Within is a testament to the power of resilience and the potential for growth and transformation in a child's life. It extends beyond DMDD, offering valuable insights for managing a range of emotional and behavioral challenges. The book is an invaluable resource for parents, caregivers, educators, and mental health professionals.

Success Strategies for Parenting Gifted Kids Kathleen Nilles, Jennifer L. Jolly, Tracy Ford Inman, Joan Franklin Smutny, 2021-09-23 When parents need guidance on raising gifted kids, they can turn to Success Strategies for Parenting Gifted Kids: Expert Advice From the National Association for Gifted Children. This collection of practical, dynamic articles from NAGC's Parenting for High Potential magazine.

Good Kids, Tough Choices Rushworth M. Kidder, 2010-08-20 A practical analysis and inspiring guide for teaching kids ethical fitness. Parents are beginning to realize that deficiencies in ethics and character are becoming a big problem among our nation's children. According to the latest data, lying, cheating, and rampant insensitivity to other people are increasingly common. What can parents do? In this book, ethics expert Rushworth Kidder shows how to customize interventions to a child's age and temperament. He encourages parents not to give up, since what they do can always make a difference, regardless of how long or deep the bad habits of dishonesty may be. Encourages parents to intervene early and re-establish children on the right course. Explores the keys to ethical behavior: honesty, responsibility, respect, fairness, and compassion. All of Kidder's practical advice is based on the latest psychological and neuroscientific research about how kids develop character and learn what's right and wrong.

Children's Literature Collections Keith O'Sullivan,Pádraic Whyte,2017-05-19 This book provides scholars both national and international with a basis for advanced research in children s literature in collections Examining books for children published across five centuries gathered from the collections in Dublin this unique volume advances causes in collecting librarianship education and children s literature studies more generally It facilitates processes of discovery and

recovery that present various pathways for researchers with diverse interests in children's books to engage with collections. From book histories through bookselling information on collectors and histories of education to close text analyses it is evident that there are various approaches to researching collections. In this volume three dominant approaches emerge: history and canonicity, author and text ideals and institutions. Through its focus on varied materials from fiction to textbooks, this volume illuminates how cities can articulate a vision of children's literature through particular collections and institutional practices.
