Passing The Torch Vietnam Experience Series:

Patriots and Tyrants Ross Marlay, Clark D. Neher, 1999 This innovative text explores the extraordinary personal and political lives of ten leaders who profoundly changed twentieth century Asian history China India Vietnam Cambodia and Indonesia are interpreted through the lives of Mao Zedong Deng Xiaoping Mohandas Gandhi Indira Gandhi Ho Chi Minh Ngo Dinh Diem Norodom Sihanouk Pol Pot Sukarno and Suharto Some recast their countries by force of arms others by the power of their ideology Some were born into poverty others into privilege Some were democrats some autocrats some communists But however great their differences each can claim to be an authentic nationalist Using a biographical approach this book will stimulate students to think about the relationship between political leadership and nationalism Military Review ,1982

Professional Journal of the United States Army ,1982 Black Enterprise ,1985-01 BLACK ENTERPRISE is the ultimate source for wealth creation for African American professionals entrepreneurs and corporate executives Every month BLACK ENTERPRISE delivers timely useful information on careers small business and personal finance **Quarterly Review of Military Literature** ,1982 Mother Jones Magazine ,1984-10 Mother Jones is an award winning national magazine widely respected for its groundbreaking investigative reporting and coverage of sustainability and environmental issues

Vietnam Experience ,1981 Monographic Series Library of Congress, Reading South Vietnam's Writers Thomas Engelbert, Chi P. Pham, 2023-07-04 This edited book examines how South Vietnam's formerly the Republic of Vietnam 1955-1975 literary and journalistic writers were perceived and potentially influenced by Western thought led by thinkers such as Jean Paul Sartre Franz Kafka Sigmund Freud Thomas Mann Martin Heidegger Hermann Hesse Edmund Husserl Stefan Zweig Graham Greene and Somerset Maugham The book reveals the dynamism and diversity of Western thought in individual literary texts as well as among the authors themselves The volume considers how writers and their texts engaged with issues that are socially culturally politically and philosophically significant to Vietnam and beyond past and present This approach to South Vietnam's literary and journalistic tradition enables an alternative plural inclusive view of the significance of these texts which are shown to be neither exclusively anti Communist nor bourgeois individualist constructions as they have so often been interpreted both in and outside of Vietnam Such an interpretation problematically retains the marginal position of South Vietnam's literature in mainstream Vietnamese literature and in the literatures of the host countries where these Vietnamese authors have migrated settled and continued to write following the Fall of Saigon This volume presents itself as a key text for those studying Asian and postcolonial literatures as well as scholars in the humanities researching Vietnam its history politics society and culture *Vietnam* George Donelson Moss, 2020-12-30 Now in its 7th edition *Vietnam An American Ordeal* continues to provide a thorough account of the failed American effort to create a viable non Communist state in Southern Vietnam Unlike most general histories of U S involvement in Vietnam which are either conventional diplomatic or military histories this volume synthesizes the perspectives to explore both dimensions of the struggle in greater

depth elucidating more of the complexities of the U S Vietnam entanglement It explains why Americans tried so hard for so long to stop the spread of Communism into Indochina and why they failed In this new edition George Donelson Moss expands and refines key moments of the Vietnam War and its aftermath including the strategic and diplomatic background for United States involvement in Indochina during World War II how the French with British and American support regained control in southern Vietnam Saigon and the vicinity in the fall 1945 the account for the formation of SEATO and the account of the Sino Vietnamese War of 1979 The text has also been revised and updated to align with recently published monographic literature on the time period The accessible writing will enable students to gain a solid understanding of how and why the United States went to war against The Democratic Republic of Vietnam and why it lost the long bitter conflict This book will be of interest to students and scholars of American history the history of foreign relations and the Vietnam War itself The Vietnam War James S. Olson,1993-04-13 This is a scholarly assessment of broad ranging research on the Vietnam War over the last seventeen years by the editor of the prize winning Dictionary of the Vietnam War James Olson and his contributors offer fascinating insights as they evaluate the significant literature films and TV programs offering different perspectives on the historical background strategy and conduct of the war the perspectives of Americans the Indochinese women minorities and veterans the impact of the war on the homefront and major problems and issues in the aftermath of the war This one volume major reference covers all genres of literature primary and secondary sources personal narratives and oral histories fiction and non fiction popular accounts expert studies of military strategy and operations Indochinese studies books about the involvement and role of women and blacks and discussions about Indochinese refugees prisoners of war those missing in action veterans and post traumatic shock Films TV programs comic books and studies pointing to the effect of the war on the homefront and on others make up an important part of the book A full index makes the volume easily accessible to students scholars and professionals in military studies American and world history American studies and popular culture political science and international relations an important acquisition for libraries of all kind **State** ,1983 Portrait of a Tragedy James A. Warren,1990 A discussion of the causes events and aftermath of the longest and most controversial conflict in American history Air University Library Index to Military Periodicals ,1982 **The Vietnam War** Geoffrey Ward,Kenneth Burns,2020-03-24 NATIONAL BESTSELLER Based on the celebrated PBS television series the complete text of an engrossing history of America s least understood conflict a significant milestone that will no doubt do much to determine how the war is understood for years to come The Washington Post More than forty years have passed since the end of the Vietnam War but its memory continues to loom large in the national psyche In this intimate history Geoffrey C Ward and Ken Burns have crafted a fresh and insightful account of the long and brutal conflict that reunited Vietnam while dividing the United States as nothing else had since the Civil War From the Gulf of Tonkin and the Tet Offensive to Hamburger Hill and the fall of Saigon Ward and Burns trace the conflict that dogged three American presidents and their

advisers But most of the voices that echo from these pages belong to less exalted men and women those who fought in the war as well as those who fought against it both victims and victors willing for the first time to share their memories of Vietnam as it really was A magisterial tour de force The Vietnam War is an engrossing history of America's least understood conflict South Vietnam on Trial David Fulghum, Terrence Maitland, 1984 **Setting the Stage** Edward Doyle, Samuel Lipsman, 1981

Photography maps and eyewitness accounts describe the War in Vietnam Vietnam Steven D. Cohen, 1983

Vietnam, an American Ordeal George Moss, 1998 Provides a comprehensive narrative history of U S involvement in Southeast Asia from the mid 1940s to the mid 1970s giving full and unbiased treatment It also discusses why Americans tried so hard to stop the spread of Communism into Indochina And why they failed Blending Vietnamese and American political diplomatic and military history this book presents U S involvement in southeast Asia as an episode in the forty year Cold War between the U S and the Soviet Union It also points out the French effort to reimpose colonialism on Vietnam The third edition of History of the Vietnam War has been revised to include an expanded account of the postwar period leading to the restoration of normal relations between the U S and Vietnam on July 11 1995 It reveals the strong national identity of the Vietnamese people against Kennedy a committed Cold Warrior It also analyzes media coverage of the war and the anti war movement in the U S to demonstrate that neither really turned public opinion against the war The North Edward Doyle, Samuel Lipsman, Terrence Maitland, 1986
