MARINE RECON Reconnaissance units are the commander's eyes and ears on the battlefield. They are task organized as a highly trained six man team capable of conducting specific missions behind enemy lines. Employed as part of the Marine Air Ground Task Force reconnaissance teams provide timely information to the supported commander to shape and influence the battlefield. The varying types of missions a Reconnaissance team conduct depends on how deep in the battle space they are operating. Division Reconnaissance units support the close and distant battlespace while Force Reconnaissance units conduct deep reconnaissance in support of a landing force. Common missions include but are not limited to Plan coordinate and conduct amphibious ground reconnaissance and surveillance to observe identify and report enemy activity and collect other information of military significance. Conduct specialized surveying to include underwater reconnaissance and or demolitions beach permeability and topography routes bridges structures urban rural areas helicopter landing zones LZ parachute drop zones DZ aircraft forward operating sites and mechanized reconnaissance missions. When properly task organized with other forces equipment or personnel assist in specialized engineer radio and other special reconnaissance missions. Infiltrate mission areas by necessary means to include surface subsurface and airborne operations. Conduct Initial Terminal Guidance ITG for helicopters landing craft parachutists air delivery and re supply. Designate and engage selected targets with organic weapons and force fires to support battlespace shaping. This includes designation and terminal guidance of precision guided munitions. Conduct post strike reconnaissance to determine and report battle damage assessment on a specified target or area. Conduct limited scale raids and ambushes. Miers, 1984-09-01. The Web of Victory tells of the Union siege of Vicksburg a campaign that might very well have been the turning point of the Civil War and was without any doubt the turning point in the military career of General Ulysses S. Grant. If Grant began the campaign as a leader known more for his drinking and shabby appearance than for his strategy he

emerged from the siege with the respect of his president and the admiration in some cases grudging admiration of his fellow generals Vicksburg revealed him as a daring resourceful strategist a leader who had the courage and inspiration to toss aside the military textbooks and give free rein to his genius *Medical and Health Care Books and Serials in Print* ,1986
