Copyright Office, 1957 Includes Part 1 Number 1 2 Books and Pamphlets Including Serials and Contributions to Periodicals January December *Paul's Prison Epistles* James K. Crews, 2016-12-07 The book of Acts closes with Paul languishing under house arrest being guarded by Roman soldiers while awaiting Caesar's decision about his life What could he do but greet visitors and write letters We have the following four letters he wrote during this time EPHESIANS He explained believers are seated with Christ in the heavens far above all governments authorities or powers Regardless of our condition or status on earth we are present and exalted in the spiritual realm with Christ He further instructed Christ's followers how to stand against the wiles of spiritual forces of wickedness PHILIPPIANS Paul highlighted Christ's submission to the will of God to set forth the ideals of Christian maturity

Paul described the guiding force of his life namely to know Christ to experience the power of His resurrection the fellowship of His suffering and ultimately to run with meaning and purpose to attain the rewards that Christ provides He urged his readers to pursue these same attitudes and maturity to maximize their fruitfulness for the kingdom of God COLOSSIANS He warned of false teachers who were teaching empty philosophies instead of Christ He strongly and explicitly spoke of the preeminence of Jesus Christ He urged believers to keep their attention and focus on Christ and Him alone He richly expressed the centrality of Jesus person work and all He provides believers In Him all things were created and all things hold together In Him dwells the sum total of divine perfection Through Christ comes peace from the blood of His cross and ensures believers will be presented to God holy blameless and beyond reproach PHILEMON Paul pleads with a slave owner to take back a run away slave This personal letter is a model of the grace of Jesus Christ as Paul tactfully appeals to Philemon to receive Onesimus without punishment Paul generously assumes all the debts and obligations Onesimus incurred in running away At the same time he subtly reminds Philemon that Paul was responsible for bringing the message of salvation to him and his family Paul s letter is a healing balm for Onesimus who could have been severely punished or even put to death for his actions These letters have been extremely influential for the Church of Jesus Christ For centuries they have profoundly edified encouraged and exhorted believers since Paul wrote them Their influence to the Church and even to our western culture has been inestimable and profound As you use this Study Guide for LIFE you will be helped by three specific tools 1 explanatory notes which offer insight into difficult or controversial passages 2 searching questions which direct you back to the text for answers and 3 probing questions that expand the context and challenge you to apply the truths in these letters to your own life and culture Our goal is that you will know what the text says what it means and will be able to apply it appropriately Through these tools you will discover and understand the purpose power and passion that invigorated Paul during this dark time of his life It is our hope that you will be able to use these discoveries to experience the same closeness and intimacy with the Lord Jesus Christ who was his ever constant always present Lord and Savior These Study Guides are appropriate for the study efforts of individuals small groups or teachers preparing to explain this book Whether you are a curious seeker or a professional minister A Study Guide for LIFE will direct your studies deeply into the Word of God and ultimately into the life and intimacy of Jesus Christ May it also stir your own heart to expand the influence of Christ in yourself your circle of friends and into the uttermost parts of the earth For in this day Jesus is purifying the church and drawing to Himself the last of the lost in anticipation of His soon return to establish His Kingdom on earth
