Paul The Convert The Apostolate And Apostasy Of Saul The Pharisee

Paula Gooder

Paul The Convert The Apostolate And Apostasy Of Saul The Pharisee:

Paul the Convert Alan F. Segal, 1990-01-01 In this revisionist work Segal maintains that Paul's life can be better understood by taking his Jewishness seriously and that Jewish history can be greatly illuminated by examining Paul's writings a blockbuster of a book about Paul that blazes a new trail *New Theology Review* Behold the Antichrist Delos Banning Mckown, 2010-12 During his long productive life the great English philosopher and exponent of utilitarianism Jeremy Bentham 1748-1832 wrote not just on political philosophy but also clandestinely on religion Under the pseudonym of Philip Beauchamp he published an attack on natural religion called *Analysis of the Influence of Natural Religion on the Temporal Happiness of Mankind* and under the pseudonym of Gamaliel Smith he published a book of New Testament criticism called *Not Paul But Jesus* In addition Bentham bravely released under his own name *Church of Englandism and Its Catechism* Examined a thorough biting critique of Anglican doctrine These little known works are discussed at length by philosopher Delos B McKown in this informative contribution to Bentham scholarship McKown introduces these major works on religion and then presents an extensive synopsis of each He defends Bentham against the criticisms of opponents where necessary but does not hesitate to criticize Bentham when he feels he goes astray McKown also shows how Bentham's attacks on the Christianity of his time which denigrated human life in the here and now for some imagined future postmortem state of glory fully complemented his utilitarian philosophy of the greatest happiness to the greatest number of people This thorough analysis of three little known works by one of philosophy's great minds makes an outstanding contribution to Bentham scholarship and will be of interest to humanists and philosophers of religion SCM Core Text: Paul Geoffrey Harris, 2013-01-07 Geoffrey Harris seeks to reconcile Paul the thinker and Paul the man of action This student friendly textbook provides clear information about research and writing on Paul in recent years and shows how Paul's early life held important strands of thought which informed his later theology Paul's conversion and his reflection upon its meaning led him to develop a resurrection theology from which much else followed on The life setting of Paul's churches and his mission strategy brings out many lessons and principles for church life and mission today **The Irrevocable Call of God** Richard H. Bell, 2005 Richard Bell examines the impact of Paul's life changing experience before Damascus on his theological understanding of Israel The book considers the development of Paul's view concerning the election and salvation of Israel paying special attention to 1 Thessalonians Galatians and Romans The author examines Paul's critique of Israel's religion in the light of traditional protestant approaches and the new perspective The work concludes by considering some contemporary issues relating to Israel in the light of Paul's theology **BOOK JACKET** **Jesus and Paul in the Context of Judaism and Early Christianity** Donald A. Hagner, 2025-03-27 In the late nineteenth century Jewish scholars began to be interested in Jesus and eventually Paul as important figures in the history of the Jewish people Rightly understood they argued Jesus and Paul belonged more to Judaism than to Christianity as even radical critical Christian scholars were

concluding The earliest believers in Jesus were exclusively Jews forming something like a new sect within Judaism The emergence of the Christianity of the New Testament soon became a focus of attention for Jewish scholars and with this a host of questions arose such as about the influence of Hellenism the parting of the ways the widespread Christian misperception of Judaism the tragedy of anti-Semitism and the identity of Jesus as Messiah and Lord The present essays address these and other issues maintaining throughout the tension of continuity and discontinuity and stressing the underappreciated radical newness of the New Testament

Jesus, Paul, and the Early Church Eckhard J. Schnabel, 2018-07-24 This volume contains seventeen essays written by Eckhard J. Schnabel written over the past 25 years The essays focus on the realities of the work of Jesus Paul John and the early church exploring aspects of the history missionary expansion and theology of the early church including lexical ethical and ecclesiological questions Specific subjects discussed include Jesus' silence at his trial the introduction of foreign deities to Athens the understanding of Rom 12:1 Paul's ethics the meaning of baptism in the realities of persecution Christian identity and mission in Revelation and singing and instrumental music in the early church

Paul and the Vocation of Israel Lionel J. Windsor, 2014-04-01 The Apostle Paul was the greatest early missionary of the Christian gospel He was also by his own admission an Israelite How can both these realities coexist in one individual This book argues that Paul viewed his mission to the Gentiles in and of itself as the primary expression of his Jewish identity The concept of Israel's divine vocation is used to shed fresh light on a number of much debated passages in Paul's letter to the Romans

Paul and Death Linda Joelsson, 2016-11-03 Cover Title Copyright Dedication Contents Acknowledgments 1 Paul and death A question of psychological coping 2 Coping with death in Paul's early letters 3 The Corinthian correspondence 4 Romans 5 The prison letters 6 Conclusions and prospects for further research Index

Jewish Roots of Eastern Christian Mysticism Andrei A. Orlov, 2020-06-02 The essays collected in *Jewish Roots of Eastern Christian Mysticism* intend to honor Alexander Golitzin a scholar known for his keen attention to the Jewish matrix of Eastern Orthodox spirituality Following Golitzin's insights this Festschrift explores influences of Jewish apocalypticism and mysticism on certain early and late Christian authors including Irenaeus Origen Evagrius of Pontus Pseudo-Dionysius and Symeon the New Theologian Special attention is given to Jewish theophanic traditions regarding the beatific vision of the divine Glory Kavod which profoundly shaped Eastern Christian theology and liturgy This volume demonstrates that recent developments in the study of apocalyptic literature the Qumran Scrolls Gnosticism and later Jewish mysticism throw new and welcome light on the sources and continuities of Orthodox theology liturgy and spirituality

The New Testament and Rabbinic Literature Reimund Bieringer, Florentino García Martínez, Didier Pollefeyt, Peter Tomson, 2009-11-23 The present book brings together the contributions of the foremost specialists on the relationship of the New Testament and Rabbinic Literature It contains the proceedings of a Symposium held at the KU Leuven in January 2006 The contributors from different European countries as well as from Israel present in detail the history of rabbinical scholarship by Christian scholars and deal with the main issues

in the study of rabbinic materials As could be expected much attention is given to halakhic issues but literary questions in Midrash Targum and Mystical Literature are also dealt with All contributions are in English and the volume is completed with a very large cumulative bibliography which will enhance its usefulness

The Gospel of Thomas and Christian Origins

Stephen J. Patterson,2013-07-25 The essays collected in The Gospel of Thomas and Christian Origins offer a series new chapters in the history of Christianity s first century Stephen J Patterson whose work on the Gospel of Thomas has circulated widely for more than two decades argues that taking this new source seriously will require rethinking a number of basic issues including the assumed apocalyptic origins of early Christian faith the supposed centrality of Jesus death and resurrection and the role of Platonism in formulation of both orthodox and heterodox Christian theology

The Road from Damascus Richard N. Longenecker,1997 The august contributors to this volume examine the nature of Paul s Damascus Road experience and the impact of that experience on his thought and ministry and explore how Paul s experience functions as a paradigm for Christian thought today

Paul, the Pastoral Epistles, and the Early Church () James W. Aageson,2007-10-01 Paul s influence on the history of Christian life and theology is as profound as it is pervasive A brief survey of almost twenty centuries of Christian thought and practice will confirm the enduring importance of Paul for the life of the church in the Roman and Protestant traditions of the West as well as the Orthodox traditions of the East Even as Christianity at the dawn of its third millennium has become increasingly global and traditions have come to develop and intersect in new and complex ways Paul s place in the story of Christianity remains deeply rooted in the church s theology worship and pastoral life In both past and present Paul s influence on the Christian church can hardly be overestimated Among the many intriguing issues generated by the historical Paul his New Testament letters and early church history is the question what happened to Paul after Paul Whether we think in terms of the reception of Paul s theology or the ongoing legacy of Paul or early Christian reinterpretation of his letters the questions persist what did the early church do with Paul s memory How did it reshape his theology And what role did his letters come to play in the life of the church The focus of the present discussion is in the early decades and centuries of Christianity a time when the memory and legacy of Paul came to serve varied and often competing interests in the emerging church It was a time when Paul s reputation and importance to the church were being reinforced and when his epistles were gaining the authority that would ensure their place in the sacred library of Christianity It was also the time when the Jesus movement forged itself into Christianity a process in which Paul played a pivotal role and eventually also became an object of revision and transformation himself What is virtually indisputable in this process is that Paul during his lifetime and after played a critical role in making Christianity what it was to become

Documents and Images for the Study of Paul

Neil Elliott,Mark Reasoner,2010-11-01 Documents and Images for the Study of Paul gathers representative texts illustrating Jewish practices Greco Roman moral exhortation biblical interpretation Roman ideology apocalyptic visions epistolary conventions and much more to illustrate the complex cultural environment in which Paul

carried out his apostolic work and the manifold ways in which his legacy was reshaped in early Christianity Brief insightful introductions orient the reader to how these sources might play a role in different contemporary interpretations of Paul's life and thought Lavishly illustrated with more than one hundred black and white photographs charts a map and timeline of Paul's world this sourcebook is a welcome resource for courses on Paul and his letters

The Wiley-Blackwell Companion to Christian Mysticism Julia A. Lamm, 2017-02-06 The Wiley Blackwell Companion to Christian Mysticism brings together a team of leading international scholars to explore the origins evolution and contemporary debates relating to Christian mystics texts and the movements they inspired Provides a comprehensive and engaging account of Christian mysticism from its origins right up to the present day Draws on the best of current scholarship by bringing together a collection of newly commissioned readings by leading scholars Considers examples of mysticism in both Eastern and Western Christianity Offers a brilliant synthesis of the key figures and historical periods of mysticism its core themes such as heresy gender or aesthetics and its theoretical considerations including theological literary social scientific and philosophical approaches Features chapters on current debates such as neuroscience and mystical experience and inter religious dialogue

Paul's Language of Ζῆλος Benjamin J. Lappenga, 2015-09-29 In Paul's Language of Benjamin Lappenga harnesses linguistic insights recently formulated within the framework of relevance theory to argue that within the letters of Paul specifically Galatians 1 2 Corinthians and Romans the word group is monosemic Linking the responsible treatment of lexemes in the interpretive process with new insight into Paul's rhetorical and theological task Lappenga demonstrates that the mental encyclopedia activated by the term is shaped within Paul's discourse and thus transforms the meaning of for attentive model readers Such identity forming strategies promote a series of practices that may be grouped under the rubric of rightly directed specifically emulation of weak people and things eager pursuit of community building gifts and the avoidance of jealous rivalry

Death and the Afterlife in the New Testament Jaime Clark-Soles, 2006-11-15 There is no systematic theology in the New Testament regarding death and afterlife Therefore the appropriate question as it turns out is not What does the New Testament say about death and afterlife but what do various New Testament texts say about it She explores anthropology cosmology eschatology and where relevant theology and Christology

Paul and the Apocalyptic Imagination Ben C. Blackwell, John K. Goodrich, Jason Maston, 2016-06-03 Since the mid twentieth century apocalyptic thought has been championed as a central category for understanding the New Testament writings and the letters of Paul above all But apocalyptic has meant different things to different scholars Even the assertion of an apocalyptic Paul has been contested does it mean the invasive power of God that breaks with the present age Ernst K semann or the broader scope of revealed heavenly mysteries including the working out of a many staged plan of salvation N T Wright or something else altogether Paul and the Apocalyptic Imagination brings together eminent Pauline scholars from diverse perspectives along with experts of Second Temple Judaism Hellenistic philosophy patristics and modern theology to explore the contours of the current

debate Contributors discuss the history of what apocalypticism and an apocalyptic Paul have meant at different times and for different interpreters examine different aspects of Paul's thought and practice to test the usefulness of the category and show how different implicit understandings of apocalypticism shape different contemporary presentations of Paul's significance

The Human Spirit Marjorie O'Rourke Boyle, 2018-11-01 In this volume Marjorie O'Rourke Boyle probes significant concepts of the human spirit in Western religious culture across more than two millennia from the book of Genesis to early modern science The Human Spirit treats significant interpretations of human nature as religious in political philosophical and physical aspects by tracing its historical subject through the Priestly tradition of the Hebrew Bible and the writings of the apostle Paul among the Corinthians the innovative theologians Augustine and Aquinas the reformatory theologian Calvin and the natural philosopher and physician William Harvey Boyle analyzes the particular experiences and notions of these influential authors while she contextualizes them in community She shows how they shared a conviction although distinctly understood of the human spirit as endowed by or designed by a divine source of everything animate An original and erudite work that utilizes a rich and varied array of primary source material this volume will be of interest to intellectual and cultural historians of religion philosophy literature and medicine

Heaven Paula Gooder, 2011-08-18 For all who are curious about the dwelling place of God and the angels this book explores the Bible's teaching on heaven and explains how it is nearer to earth than you might think Paula Gooder considers the ways in which the Bible sees heaven and earth connecting and explores all the major strands of belief about life after death including the role of paradise and what happens between death and resurrection She shows how the biblical writers see heaven and earth as closely connected so that what happens in heaven affects events on earth and vice versa
