Paul Copan:

How Do You Know You're Not Wrong? Paul Copan, 2005-08-01 In today's postmodern world believers more than ever before are faced with a host of objections to Christianity. Expert apologist Paul Copan describes these objections as anti-truth claims and with *How Do You Know You're Not Wrong* he provides a helpful resource with thorough biblical answers to such regularly used objections as "Whatever works for you just as long as it makes you happy." All religions are basically the same. Christianity is anti-semitic. At the end of each chapter he provides practical and easy-to-share summary points to help readers intelligently and effectively answer the challenges of their non-Christian friends and neighbors. **Is God a Moral**

Monster? Paul Copan, 2011-01-01 A recent string of popular-level books written by the New Atheists have leveled the accusation that the God of the Old Testament is nothing but a bully, a murderer, and a cosmic child abuser. This viewpoint is even making inroads into the church. How are Christians to respond to such accusations? And how are we to reconcile the seemingly disconnected natures of God portrayed in the two testaments? In this timely and readable book, apologist Paul Copan takes on some of the most vexing accusations of our time, including: God is arrogant and jealous; God punishes people too harshly; God is guilty of ethnic cleansing; God oppresses women; God endorses slavery; Christianity causes violence; and more. Copan not only answers God's critics, he also shows how to read both the Old and New Testaments faithfully, seeing an unchanging, righteous and loving God in both. **An Introduction to Biblical Ethics** Robertson McQuilkin, Paul

Copan, 2013-03-25 What should we do or not do? This comprehensive text on biblical ethics is completely revised, focusing on how we fulfill the purposes of God for our lives. New content includes discussions of living virtuously, ethical alternatives, bioethical issues, technology, helping the poor, animal rights, sexual ethics, and the media. **Is God a Vindictive Bully?** Paul

Copan, 2022-10-18 Critics outside the church often accuse the Old Testament God of genocide, racism, ethnic cleansing, and violence. But a rising tide of critics within the church claim that Moses and other primitive violence-prone prophets were mistaken about God's commands and character. Both sets of critics dismiss this allegedly harsh, flawed textual Old Testament God in favor of the kind, compassionate, actual God revealed by Jesus. Are they right to do so? Following his popular book *Is God a Moral Monster*, noted apologist Paul Copan confronts false, imbalanced teaching that is confusing and misleading many Christians. Copan takes on some of the most difficult Old Testament challenges and places them in their larger historical and theological contexts. He explores the kindness, patience, and compassion of God in the Old Testament and shows how Jesus in the New Testament reveals not only divine kindness but also divine severity. The book includes a detailed Scripture index of difficult and controversial passages and is helpful for anyone interested in understanding the flaws in these emerging claims that are creating a destructive gap between the Testaments. *True for You, But Not for Me* Paul Copan, 2009-06-01

Apologetics authority Paul Copan tackles popular sayings that often leave Christians speechless, such as "All religions lead to God," "Who are you to judge others?" or "Jesus was just another great religious leader." He provides readers with thoughtful

explanations of anti Christian slogans and brief answers to help them continue their conversations with non Christians In addition Copan answers questions about the unevangelized Study questions for group or individual use are included

Creation Out of Nothing Paul Copan,William Lane Craig,2004-06 Addresses the biblical philosophical and scientific bases for the doctrine of creation out of nothing while countering contemporary trends that are assailing this doctrine

Loving Wisdom Paul Copan,2020-04-23 A guide to Christian philosophy that engages with the biblical story As human beings we all qualify as philosophers and Paul Copan contends that we take a position of trust faith shaped by philosophical stances but also personal heart commitments worldviews In this thoroughly revised and expanded second edition of *Loving Wisdom* Copan explores philosophy of religion from a distinctively evangelical Christian perspective biblically grounded informed by apologetics and engaging with questions about universal human longings Copan presents a distinctively and deliberately biblical philosophy of religion in *Loving Wisdom* addressing a wide range of topics and questions as they arise in the metanarrative of scripture He acknowledges the difficulties mystery and disagreements in religion while attempting to show how the Christian faith does a much more adequate job of responding to a wide range of challenges as well as addressing our deepest human yearnings With discussion questions for each chapter and an accessible approach *Loving Wisdom* is ideal for the classroom or small groups

Did God Really Command Genocide? Paul Copan,Matt Flannagan,2014-11-11 A common objection to belief in the God of the Bible is that a good kind and loving deity would never command the wholesale slaughter of nations Even Christians have a hard time stomaching such a thought and many avoid reading those difficult Old Testament passages that make us squeamish Instead we quickly jump to the enemy loving forgiving Jesus of the New Testament And yet the question doesn t go away Did God really command genocide Is the command to utterly destroy morally unjustifiable Is it literal Are the issues more complex and nuanced than we realize In the tradition of his popular *Is God a Moral Monster* Paul Copan teams up with Matthew Flannagan to tackle some of the most confusing and uncomfortable passages of Scripture Together they help the Christian and nonbeliever alike understand the biblical theological philosophical and ethical implications of Old Testament warfare passages Pastors youth pastors campus ministers apologetics readers and laypeople will find that this book both enlightens and equips them for serious discussion of troubling spiritual questions

The Gospel in the Marketplace of Ideas Paul Copan,Kenneth D. Litwak,2014-06-05 Capturing important insights from Paul s speech to the multicultural and multireligious city of Athens in Acts 17 Paul Copan and Kenneth Litwak seek to enhance and embolden the church s witness in today s pluralistic society by helping us point contemporary Athenians beyond an unknown God to the God and Father of Jesus Christ

That's Just Your Interpretation Paul Copan,2001-11-01 In our relativistic society Christians more than ever are bombarded by tough questions about their faith Author Paul Copan has observed that many of these questions emerge as anti truth claims that are part of today s skeptical mind set Christians defending their faith often hear slogans and questions such as It s all relative Everything is one

with the Divine all else is illusion The Gospels contradict each other Why would a good God create hell This book provides incisive answers to slogans related to truth and reality theism pantheism Eastern religion and naturalism and doctrinal issues such as the incarnation and truth of Scripture Each of the twenty two chapters provides succinct answers and summary points for countering the arguments Copan s book is accessible for all Christians who want to defend the plausibility of Christianity in the marketplace of ideas It also includes helpful summary sections additional resources and additional documentation in the endnotes for review and discussion Loving Wisdom Paul Copan,2007-11-01 Presenting a distinctively and deliberately Christian philosophy of religion Loving Wisdom addresses a wide range of topics and questions Copan acknowledges the difficulties mystery and disagreement of religion and instead of using the language of proofs he attempts to show how the Christian faith does a much more adequate job of answering a wide range of questions A Little Book for New Philosophers Paul Copan,2016-10-19 What s the point of studying philosophy when we have theology Philosophy sometimes suffers from an inferiority complex in the church But Paul Copan contends that it is possible to affirm theology s preeminence without diminishing the contribution of philosophy This brief introduction surveys philosophy s basic aims and defends its function in the Christian life Troubling Topics, Sacred Texts Roberta Sterman Sabbath,2021-10-04 Abrahamic scriptures serve as cultural pharmakon prescribing what can act as both poison and remedy This collection shows that their sometimes veiled but eternally powerful polemics can both destroy and build exclude and include and serve as the ultimate justification for cruelty or compassion Here scholars not only excavate these works for their formative and continuing cultural impact on communities identities and belief systems they select some of the most troubling topics that global communities continue to navigate Their analysis of both texts and their reception help explain how these texts promote norms and build collective identities Rejecting the notion of the sacred realm as separate from the mundane realm and beyond critical challenge this collection argues both implicitly and sometimes transparently for the presence of the sacred within everyday life and open to challenge The very rituals prayers and traditions that are deemed sacred interweave into our cultural systems in infinite ways Together these authors explore the dynamic nature of everyday life and the often brutal power of these texts over everyday meaning **The State of Old Testament Studies** H. H. Hardy, II,M. Daniel Carroll R.,2024-11-05 This book surveys the current landscape of Old Testament studies offering readers a concise guide to contemporary academic discussions Bringing together a diverse group of experts The State of Old Testament Studies provides an informed introduction to the many fields of Old Testament research by recognized scholars presents basic questions in each subfield surveys the primary methods of answering these questions engages prominent solutions and cites relevant and up to date resources It is an extensive guide to current research and an ideal supplemental textbook for a variety of courses on the Old Testament **Why I Became an Atheist** John W. Loftus,2012-10-10 For about two decades John W Loftus was a devout evangelical Christian an ordained minister of the Church of Christ and an ardent apologist for

Christianity With three degrees in philosophy theology and philosophy of religion he was adept at using rational argumentation to defend the faith But over the years doubts about the credibility of key Christian tenets began to creep into his thinking By the late 1990s he experienced a full blown crisis of faith In this honest appraisal of his journey from believer to atheist the author carefully explains the experiences and the reasoning process that led him to reject religious belief The original edition of this book was published in 2006 and reissued in 2008 Since that time Loftus has received a good deal of critical feedback from Christians and skeptics alike In this revised and expanded edition the author addresses criticisms of the original adds new argumentation and references and refines his presentation For every issue he succinctly summarizes the various points of view and provides references for further reading In conclusion he describes the implications of life without belief in God some liberating some sobering This frank critique of Christian belief from a former insider will interest freethinkers as well as anyone with doubts about the claims of religion *The Case for Faith* Lee Strobel,2021-12-14 This timeless compelling and thought provoking book on the Christian faith now updated includes two all new chapters a current list of recommended resources for further study and a new discussion guide In *The Case for Faith* bestselling author journalist and former atheist Lee Strobel turns his investigative skills to the most persistent emotional objections to belief in God the eight heart barriers to faith Since evil and suffering exist a loving God cannot Since miracles contradict science they cannot be true Evolution explains life so God isn't needed God isn't worthy of worship if he kills innocent children It's offensive to claim Jesus is the only way to God A loving God would never torture people in hell Church history is littered with oppression and violence I still have doubts so I can't be a Christian This bestselling book is for those who may be feeling attracted to Jesus but who are faced with difficult questions standing squarely in their path For Christians it will deepen their convictions and give them fresh confidence in defending their faith to skeptical friends or during the hardest of times when they have to defend their faith to themselves in moments of doubt Also available *The Case for Faith* Spanish edition kids edition and student edition Plus be sure to check out Lee Strobel's entire collection of *Case for* books *The Case for Christ* investigates the historical evidence for Jesus *The Case for a Creator* explores the scientific evidence for God *The Case for Grace* uncovers the how and why behind God's amazing grace and more *A Sceptic's Guide to Atheism* Peter S Williams,2013-09-01 This is an accessible response to the contemporary anti-God arguments of the new atheists Dawkins Dennett Harris Hitchens Grayling etc Atheism has become militant in the past few years with its own popular mass media evangelists such as Richard Dawkins and Daniel Dennett In this readable book Christian philosopher Peter S Williams considers the arguments of the new atheists and finds them wanting Williams explains the history of atheism and responds to the claims that belief in God causes more harm than good religion is about blind faith and science is the only way to know things science can explain religion away there is not enough evidence for God the arguments for God's existence do not work Williams argues that belief in God is more intellectually plausible than atheism *Foundational Faith* John

Koessler,2003-04-01 At various times some within the Protestant community have compromised core Christian principles to fit the times Challenging these truths many members of the evangelical community have stood up for the key doctrines that in their view remain essential to the Christian faith In Foundational Faith John Koessler a professor at Moody Bible Institute joins several of his colleagues in introducing fundamental truths of the Christian faith to a generation increasingly unfamiliar with the original and true essence of Christianity [A Thematic Access-Oriented Bibliography of Jesus's Resurrection](#)
