**Paul Robeson Speaks** Paul Robeson,1978      **The Life of Paul Robeson** David K. Wright,2014-07-01 Paul Robeson born 1898 was a two time All American football player and a law school graduate in an era that offered few opportunities for African Americans He went on to win international acclaim as a singer and actor breaking through barriers both on stage and in his life Author David K Wright tells the story of an exceptional entertainer who devoted his life to the causes of civil rights and equality Robeson refused to compromise his integrity or to be told what African Americans could or could not do Robeson s career as a singer and actor suffered when the U S government accused him of being a communist      *Philosophy of African American Studies* Stephen Ferguson,2015-09-16 In this ground breaking book Stephen C Ferguson addresses a seminal question that is too often ignored What should be the philosophical basis for African American studies The volume explores philosophical issues and problems in their relationship to Black studies Ferguson shows that philosophy is not a sterile intellectual pursuit but a critical tool to gathering knowledge about the Black experience Cultural idealism in various forms has become enormously influential as a framework for Black studies Ferguson takes on the task of demonstrating how a Marxist philosophical perspective offers a productive and fruitful way of overcoming the limitations of idealism Focusing on the hugely popular Afrocentric school of thought this book s engaging discussion shows that the foundational arguments of cultural idealism are based on a series of analytical and historical misapprehensions In turn Ferguson argues for the centrality of the Black working class both men and women to Black Studies      **The Paralysis of Analysis in African American Studies** Stephen Ferguson II,2023-09-21 Stephen C Ferguson II provides a philosophical examination of Black popular culture for the first time From extensive discussion of the philosophy and political economy of Hip Hop music through to a developed exploration of the influence of the postmodernism poststructuralist ideology on African American studies he argues how postmodernism ideology plays a seminal role in justifying the relationship between corporate capitalism and Black popular culture Chapters cover topics such as cultural populism capitalism and Black liberation the philosophy of Hip Hop music and Harold Cruse s influence on the cultural turn in African American studies Ferguson combines case studies of past and contemporary Black cultural and intellectual productions with a Marxist ideological critique to provide a cutting edge reflection on the economic structure in which Black popular culture emerged He highlights the contradictions that are central to the juxtaposition of Black cultural artists as political participants in socioeconomic struggle and the political participants who perform the rigorous task of social criticism Adopting capitalism as an explanatory framework Ferguson investigates the relationship between postmodernism as social theory current manifestations of Black popular culture and the theoretical work of Black thinkers and scholars to demonstrate how African American studies have been shaped      Freedom on My Mind Manning Marable,2003-07-10 Freedom on My Mind reveals the richly diverse and complex experience of black people in America in their own words from the Colonial era of Benjamin Banneker to the present

world of Kweisi Mfume and Clarence Thomas Personal correspondence excerpts from slave narratives and autobiographies leaflets significant addresses and speeches oral histories and interviews political manifestos and important statements of black institutions and organizations are brought together to form a volume that testifies to the boundless creative potential of black Americans in indefatigable pursuit of the dream of freedom Arranged thematically the selections illustrate the politics of resistance as reflected through gender and sexuality kinship and community work and leisure faith and spirituality They also highlight the contributions of women to black identity history and consciousness and offer excerpts from the work of some of the finest stylists in the African American canon A general introduction as well as short introductions and bibliographies for each document further enhance the usefulness of the book for students and researchers Black Ball: A Negro Leagues Journal, Vol. 8 Leslie A. Heaphy, 2016-03-24 BACK ISSUE Under the guidance of Leslie Heaphy and an editorial board of leading historians this peer reviewed annual book series offers new authoritative research on all subjects related to black baseball including the Negro major and minor leagues teams and players pre Negro League organization and play barnstorming segregation and integration class gender and ethnicity the business of black baseball and the arts Prior to Volume 9 Black Ball was published as Black Ball A Negro Leagues Journal This is a back issue of that journal Atomic Tunes Tim Smolko, Joanna Smolko, 2021-05-11 What is the soundtrack for a nuclear war During the Cold War over 500 songs were written about nuclear weapons fear of the Soviet Union civil defense bomb shelters McCarthyism uranium mining the space race espionage the Berlin Wall and glasnost This music uncovers aspects of these world changing events that documentaries and history books cannot In Atomic Tunes Tim and Joanna Smolko explore everything from the serious to the comical the morbid to the crude showing the widespread concern among musicians coping with the effect of communism on American society and the threat of a nuclear conflict of global proportions Atomic Tunes presents a musical history of the Cold War analyzing the songs that capture the fear of those who lived under the shadow of Stalin Sputnik mushroom clouds and missiles Palestine in the World Sorcha Thomson, Pelle Valentin Olsen, 2023-02-23 The Palestinian national liberation movement or the Palestinian revolution as it is known in Arabic emerged during the 1960s as an iconic cause of the global Left This volume highlights the different practices of international solidarity that characterised this period and how they shaped and were shaped by the global trajectory of the Palestinian movement Bringing together scholars with versatile linguistic and interdisciplinary skills Palestine in the World puts the Palestinian movement into conversation with the models of transnational politics that emerged through the revolutionary period From participation in a vibrant sphere of intellectual and cultural production the work of travelling revolutionaries as delegates volunteers and militants and the connected mobilisations that took place in different corners of the world international solidarity with and from the Palestinian movement was integral to its ascendance on the global stage By treating the Palestinian revolution as a world phenomenon with cases from Cuba France the US the GDR Japan and more this volume reveals the forms of solidarity that shaped the rise

of the movement and their afterlives today It illuminates the rich connected histories of international solidarity that positioned the Palestinian movement as an iconic anticolonial struggle **Louise Thompson Patterson** Keith Gilyard,2017-09-29 Born in 1901 Louise Thompson Patterson was a leading and transformative figure in radical African American politics Throughout most of the twentieth century she embodied a dedicated resistance to racial economic and gender exploitation In this the first biography of Patterson Keith Gilyard tells her compelling story from her childhood on the West Coast where she suffered isolation and persecution to her participation in the Harlem Renaissance and beyond In the 1930s and 1940s she became central along with Paul Robeson to the labor movement and later in the 1950s she steered proto black feminist activities Patterson was also crucial to the efforts in the 1970s to free political prisoners most notably Angela Davis In the 1980s and 1990s she continued to work as a progressive activist and public intellectual To read her story is to witness the courage sacrifice vision and discipline of someone who spent decades working to achieve justice and liberation for all Traveler, There Is No Road Lisa Jackson-Schebetta,2017-06-15 Traveler There Is No Road offers a compelling and complex vision of the decolonial imagination in the United States from 1931 to 1943 and beyond By examining the ways in which the war of interpretation that accompanied the Spanish Civil War 1936 1939 circulated through Spanish and English language theatre and performance in the United States Lisa Jackson Schebetta demonstrates that these works offered alternative histories that challenged the racial gender and national orthodoxies of modernity and coloniality Jackson Schebetta shows how performance in the US used histories of American empires Islamic legacies and African and Atlantic trades to fight against not only fascism and imperialism in the 1930s and 1940s but modernity and coloniality itself This book offers a unique perspective on 1930s theatre and performance encompassing the theatrical work of the Cuban Puerto Rican and Spanish diasporas in the United States as well as the better known Anglophone communities Jackson Schebetta situates well known figures such as Langston Hughes and Clifford Odets alongside lesser known ones such as Erasmo Vando Franca de Armi o and Manuel Aparicio The milicianas female soldiers of the Spanish Republic stride on stage alongside the male fighters of the Lincoln Brigade They and many others used the multiple visions of Spain forged during the civil war to foment decolonial practices across the pasts presents and futures of the Americas Traveler conclusively demonstrates that theatre and performance scholars must position US performances within the Americas writ broadly and in doing so they must recognize the centrality of the hemisphere s longest lived colonial power Spain **Spain in Our Ears** Igor Contreras Zubillaga,Eva Moreda Rodriguez,2023-09-06 This book intends to reflect the variety and diversity of the musical responses that arose in favour of the Republic and against fascism during the Spanish Civil War 1936 1939 encompassing a wide range of music classical music film music popular music geographies the US the URSS Britain Germany and individuals from well known figures such as Paul Robeson and Dimitri Shostakovich to unknown men and women In doing so the book expands upon existing bibliography on the Spanish Civil War which has enjoyed significant advances in the

last fifteen years but has paid limited attention to the international dimensions of such musical activity In particular the six chapters of this book together bring in pioneering perspectives to the study of music and the Spanish Civil War e g race issues while at the same time calling for an increased transnational approach to the study of music and war more generally Spain in our Ears will be of great value to students and researchers interested in Spanish politics and history as well as the relationship between music and politics The chapters in this book were originally published as a special issue of Journal of War and Cultural Studies

In the Shadow of Fear Nick Bunker, 2023-10-03 An evocative portrait of a divided America at the dawn of the Cold War Halfway through the twentieth century the United States towered over the world in industrial might After winning the 1948 election Harry Truman hoped to use this economic strength to build on FDR's achievements with new liberal reforms But then in just ten months between September 1949 and June 1950 the president's ambitions were overtaken by events that left the country gripped by rage and fear The Soviets tested an atomic bomb Mao's army swept through China and at home Truman faced labor unrest and a Republican Party desperate for power In the Shadow of Fear is an innovative and gripping history of this pivotal moment Recounting the launch of Senator Joe McCarthy's anti communist crusade the defeat of Truman's liberal program and the start of the Korean War prizewinning historian Nick Bunker shows us a polarized nation facing crises at home and abroad a story with deep resonances today

**Pan-Africanism, and the Politics of African Citizenship and Identity** Toyin Falola, Kwame Essien, 2013-10-08 There is no recent literature that underscores the transition from Pan Africanism to Diaspora discourse This book examines the gradual shift and four major transformations in the study of Pan Africanism It offers an academic post mortem that seeks to gauge the extent to which Pan Africanism overlaps with the study of the African Diaspora and reverse migrations how Diaspora studies has penetrated various disciplines while Pan Africanism is

located on the periphery of the field The book argues that the gradual shift from Pan African discourses has created a new pathway for engaging Pan African ideology from academic and social perspectives Also the book raises questions about the recent political waves that have swept across North Africa and their implications to the study of twenty first century Pan African solidarity on the African continent The ways in which African institutions are attracting and mobilizing returnees and Pan Africanists with incentives as dual citizenship for diasporans to support reforms in Africa offers a new alternative approach for exploring Pan African ideology in the twenty first century Returnees are also using these incentives to gain economic and cultural advantage The book will appeal to policy makers government institutions research libraries undergraduate and graduate students and scholars from many different disciplines Beyond the Color Line and the Iron Curtain Kate A. Baldwin, 2002-10-17 Re examines the relations between African Americans and the Soviet Union from a more transnational perspective and shows how these relations were crucial in the formation of Black modernism *The Restless City* Joanne Reitano, 2010-07 The Restless City A Short History of New York from Colonial Times to the Present is a short lively history of the world s most exciting and diverse metropolis It shows how New York s perpetual struggles for power wealth and status exemplify the vigor creativity resilience and influence of the nation s premier urban center The updated second edition includes nineteen images and brings the story right up through the mayoral election of 2009 In these pages are the stories of a broad cross section of people and events that shaped the city including mayors and moguls women and workers and policemen and poets Joanne Reitano shows how New York has invigorated the American dream by confronting the fundamental economic political and social challenges that face every city Energized by change enriched by immigrants and enlivened by provocative leaders New York City s restlessness has always been its greatest asset Florence Mills Bill Egan, 2004 This biography reveals the lost history of the life of the 1920s Black female international superstar Mills was lionized by the crowned heads in Europe and opened doors for generations of Black female stars from Lena Horne to Diana Ross Although her career and shows changed the nature of Black entertainment and thereby the wider American popular culture she was largely forgotten in later years Anyone who wants to understand the history of Black entertainment from Bert Williams to Michael Jackson and by implication the history of American popular culture needs to understand the ways in which Florence Mills changed the rules forever **African Americans and Africa** Nemata Amelia Blyden, 2019-05-28 An introduction to the complex relationship between African Americans and the African continent What is an African American and how does this identity relate to the African continent Rising immigration levels globalization and the United States first African American president have all sparked new dialogue around the question This book provides an introduction to the relationship between African Americans and Africa from the era of slavery to the present mapping several overlapping diasporas The diversity of African American identities through relationships with region ethnicity slavery and immigration are all examined to investigate questions fundamental to the study of African American history and culture Toast of the

Town: The Life and Times of Sunnie Wilson Sunnie Wilson, John Cohassey, 2005-05-23 As part of the great migration of southern blacks to the north Sunnie Wilson came to Detroit from South Carolina after graduating from college and soon became a pillar in the local music industry He started out as a song and dance performer but found his niche as a local promoter of boxing and musical acts Part oral history memoir and biography *Toast of the Town* draws from hundreds of hours of taped conversations between Sunnie Wilson and John Cohassey as Wilson reflected on the changes in Detroit over the last sixty years Supported by extensive research Wilson's reminiscence is complemented by photographs from his own collection which capture the spirit of the times An influential insider's perspective *Toast of the Town* fills a void in the documented history of Detroit's black business and entertainment community from the 1920s to the present *Race against Empire* Penny M. Von Eschen, 2014-06-14 Marshaling evidence from a wide array of international sources including the black presses of the time Penny M Von Eschen offers a vivid portrayal of the African diaspora in its international heyday from the 1945 Manchester Pan African Congress to early cooperation with the United Nations Tracing the relationship between transformations in anti colonial politics and the history of the United States during its emergence as the dominant world power she challenges bipolar Cold War paradigms She documents the efforts of African American political leaders intellectuals and journalists who forcefully promoted anti colonial politics and critiqued U S foreign policy The eclipse of anti colonial politics which Von Eschen traces through African American responses to the early Cold War U S government prosecution of black American anti colonial activists and State Department initiatives in Africa marked a change in the very meaning of race and racism in America from historical and international issues to psychological and domestic ones She concludes that the collision of anti colonialism with Cold War liberalism illuminates conflicts central to the reshaping of America the definition of political economic and civil rights and the question of who in America and across the globe is to have access to these rights
