Paul S Necessary Sin Paul S Necessary Sin:

Paul's Necessary Sin Timothy Ashworth, 2016-12-05 How can we know today what was happening in the minds and hearts of Paul and the first Christians so long ago By getting below the surface of Paul's theology the consistent key elements of early Christian experience are revealed in a way that throws light on the meaning of powerful religious experiences and movements both in the past and today Illuminating for those who have never read a word on Paul yet disturbing and provocative for biblical scholars this book tackles the topic of the religious experience of Paul and the first Christians Lacking authentic knowledge of Paul's liberating experience generations of translators and interpreters have inevitably and sometimes clumsily obscured Paul's meaning In this book the scholarly accusation that Paul is incoherent is turned upside down to show how uncritically accepted ways of translating Paul mislead today's reader and introduce a mystifying complexity into scholarship on Paul Taking the reader step by step through a painstaking restoration of the meaning of Paul's text the colour and form of Paul's original vision are revealed

Paul within Judaism Mark D. Nanos, Magnus Zetterholm, 2015-01-01 In these chapters a group of renowned international scholars seek to describe Paul and his work from within Judaism rather than on the assumption still current after thirty years of the New Perspective that in practice Paul left behind aspects of Jewish living after his discovery of Jesus as Christ Messiah After an introduction that surveys recent study of Paul and highlights the centrality of questions about Paul's Judaism chapters explore the implications of reading Paul's instructions as aimed at Christ following non-Jews teaching them how to live in ways consistent with Judaism while remaining non-Jews The contributors take different methodological points of departure historical ideological critical gender critical and empire critical and examine issues of terminology and of interfaith relations Surprising common ground among the contributors presents a coherent alternative to the New Perspective The volume concludes with a critical evaluation of the Paul within Judaism perspective by Terence L Donaldson a well known voice representative of the best insights of the New Perspective

Turning Toward the Victim Thomas Gates, 2025-06-10 Part primer on Ren Girard's groundbreaking mimetic theory part Bible study through the lens of mimetic theory and part dialogue with early and

contemporary Quakers Turning Toward the Victim demonstrates how these three perspectives can mutually inform one another in unexpected ways Contemporary liberal Friends Quakers have largely drifted away from the Bible due in part to its seeming sanction of divine violence Girard by contrast sees the themes of sacred violence and its overcoming as central to the biblical witness and so can provide the means by which Quakers and others might reengage with the Scriptures Girard s claim that the biblical God has nothing to do with violence will resonate with Friends traditional commitment to nonviolence and peacemaking Girard s insights into the scapegoat mechanism can also help us to understand the witness of early Friends who functioned as the scapegoat caste in seventeenth century England Using the traditional Quaker framework of conviction convincement and conversion Thomas Gates explores the relevance of these concepts for Friends and other Christians today

Open Wide the Gates Brian D. Cunnington,2023-10-13 The culture wars show no sign of abating Same sex sexuality continues to be one of the most brutal and bloody fronts in those wars and Christians the fiercest combatants Friendships families churches and denominations continue to draw their lines in the sand split and go their separate ways Meanwhile the lives of many young and old are deeply scarred and some even lost in the crossfire It doesn t have to be that way Challenging the arguments that perpetuate that conflict Open Wide the Gates presents a carefully developed biblical theological and ethical argument for the welcome affirmation and inclusion of gays and lesbians in the life and ministry of the local church Its irenic tone and clearly articulated presentation provides pastors denominational leaders and concerned laypeople with a reliable guide for navigating these often turbulent waters In this comprehensive study Brian D Cunnington points to a path forward a path for following Jesus in the twenty first century characterized by grace love and hope a path that demonstrates the radical presence of God s kingdom here on earth for all people regardless of their sexual orientation **Life and**
