Passed Over And Pissed Off The Overlooked Leadership Talents Of Generation X:

Passed Over and Pissed Off Mia Mulrennan, Mia Mulrennan PsyD, 2015-08-10 In *Passed Over and Pissed Off* Dr Mia Mulrennan reveals that Generation X is fed up and frustrated Corporate America has turned a deaf ear for too long Baby Boomers have retained their positions of power longer than anyone anticipated and are now focusing their attention on grooming the Millennials in order to leave a legacy before they retire Sandwiched between two behemoth generations the members of Generation X are the outnumbered seldom mentioned underdog generation Many Gen Xers are tired of patiently waiting for their turn to lead languishing in non leadership roles nose to the grindstone doing everything right but feeling overlooked and unappreciated They have been patiently waiting but they aren't going to wait forever Can we stand a Gen Xodus

The Generations Project Wei-Hao Ho, Soo-Inn Tan, 2023-05-24 The Generations Project offers churches in Singapore tangible data and an interpretive map for navigating congregational life and leadership today This courageous study by Graceworks gifts congregations and church leaders with a vital and contextualised map of different generations of Christians in Singapore The rest is up to us you and me Will we take Jesus command to love one another seriously One of the ways we can do this is to use this study as a conversation starter and catalyst for careful study in our local churches This book is a compelling encouragement for us to love one another better We get better at loving one another by gaining more understanding and learning to be more practiced in bridging our generational differences From the Foreword by Rev Dr Bernard Chao

Gentelligence Megan Gerhardt, Josephine Nachemson-Ekwall, Brandon Fogel, 2021-06-08 Vital for any organization with multigenerational staffs and for marketers public relations professionals HRD managers or executives Library Journal Starred Review *Gentelligence The Revolutionary Approach to Leading an Intergenerational Workforce* presents a transformative way to end the generational wars once and for all This book first introduces Gentelligence as a powerful

business strategy and shows why it is critical for the future of work It then presents a practical guide and a call to action for leaders of all ages to unlock the potential strengths of each generation Readers will learn how an intergenerational workforce can be reframed as a profound business opportunity and discover how Gentelligence can help them win the talent war create strong diverse teams and build adaptable cultures that will flourish in an era of rapid change Gentelligence shares groundbreaking evidence that will have readers thinking about their generationally diverse workforce in an entirely different way Readers will discover Where generational conflict originates and how it results in both dangerous ageism and reverse ageism in today s workplaces Why the generation gap stems from a misunderstanding of shared core values across all generations How to find essential common ground with colleagues both older and younger and recognize the unique needs that come with different generational identities How generational shaming leads us to view those from other generations as competitors rather than collaborators further damaging employee engagement team dynamics innovation and organizational culture How leveraging the unique strengths of each generation at work can lead to a win win outcome for all How traditional views on leadership have been turned upside down as a result of new generational dynamics with many employees currently being led by managers that are younger than themselves and older leaders struggling to make sense of changing norms around authority and power Gentelligence reveals the opportunities within an intergenerational workforce and provides actionable tools to help leaders build Gentelligent organizations Unlike other books on generational leadership this book rejects common stereotypes assigned to different generations replacing them with a deep understanding of why those who grew up in different times may behave in unique and valuable ways We challenge leaders to go beyond simply accepting generational differences to leverage them proactively to increase engagement innovation and organizational success
