currently owned by Richard Searle a distant relation Clement and the narrator visit the estate where they meet the ethereal Miss Searle who supports Clement's cause They also meet Miss Searle's brother Richard who is at first suspicious and then outright hostile and combative toward Clement Upset by the conflict Clement and the narrator travel to Oxford where they help a gentleman Mr Rawson down on his luck to travel to America Clement is now very sick and sends for Miss Searle She responds to his call and tells him that her brother has been thrown from a horse and killed Clement might now have a real chance for a share of the estate but the opportunity comes too late for him He dies and is buried in the England which proved so inhospitable to him Clement Searle is an early example of James' imaginative and sensitive protagonists who are often defeated by less fastidious adversaries The perhaps overly blunt irony of the story is that Clement might have realized his dream of living on an English estate if his physical frailty had not betrayed him The story shows James still in his apprentice stage Although written in an assured and fluent manner there are many passages of local color description that intrude rather obviously into the narrative These passages do give substance to Clement's dream of settling and living in the England he has long idealized Of course Clement's creator would realize that dream by living and prospering in England for most of his adulthood The story also plays on another common theme in James' fiction the simultaneous allure and danger of experience The closer Clement gets to his goal of a home in the English countryside the sicker he becomes James' fiction would often show imaginative characters getting near the dense passionate experience they desire only to find that such experience can be destructive as well

The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is a masterful and thrilling novel that will keep you guessing until the very end. The novel is a cautionary tale about the dangers of obsession and the power of evil.
