Michael A. Livingston, 2020-03-19 Tax scholars traditionally emphasize economics and assume that all tax systems can be evaluated in more or less the same way By applying the insights of anthropology sociology and other social sciences Michael A Livingston demonstrates that tax systems frequently pursue different values and that the convergence of tax systems is frequently overstated In Tax and Culture he applies these insights to specific countries such as China and India and specific tax issues including progressivity tax avoidance and the emerging area of environmental taxation Livingston concludes that the concept of a global tax culture is in many cases merely a reflection of Western hegemony and is unlikely to survive the changes implicit in the rise of non Western nations and cultures Love on the Rocks Lori Rotskoff, 2003-10-15 In this fascinating history of alcohol in postwar American culture Lori Rotskoff draws on short stories advertisements medical writings and Hollywood films to investigate how gender norms and ideologies of marriage intersected with scientific and popular ideas about drinking and alcoholism After the repeal of Prohibition in 1933 recreational drinking became increasingly accepted among white suburban middle class men and women But excessive or habitual drinking plagued many families How did people view the problem drinkers in their midst How did husbands and wives learn to cope within an alcoholic marriage And how was drinking linked to broader social concerns during the Great Depression World War II and the Cold War era By the 1950s Rotskoff explains mental health experts movie producers and members of self help groups like Alcoholics Anonymous and Al Anon helped bring about a shift in the public perception of alcoholism from sin to sickness Yet alcoholism was also viewed as a family problem that expressed gender role failure for both women and men On the silver screen in movies such as The Lost Weekend and The Best Years of Our Lives and on the printed page in stories by such writers as John Cheever in hospitals and at Twelve Step meetings chronic drunkenness became one of the most pressing public health issues of the day Shedding new light on the history of gender marriage and family life from the 1920s through the 1960s this innovative book also opens new perspectives on the history of leisure and class affiliation attitudes toward consumerism and addiction and the development of a therapeutic culture **The Yale Alumni Weekly** ,1904
