**Patton** Carlo D'Este,1996-09-27 Patton A Genius for War is a full fledged portrait of an extraordinary American that reveals the complex and contradictory personality that lay behind the swashbuckling and brash facade According to Publishers Weekly the result is a major biography of a major American military figure This massive work is biography at its very best Literate and meaty incisive and balanced detailed without being pedantic Mr D Este s Patton takes its rightful place as the definitive biography of this American warrior Calvin L Christman Dallas Morning News D Este tells this story well and gives us a new understanding of this great and troubled man The Wall Street Journal An instant classic Douglas Brinkley director Eisenhower Center *A Genius for War* Carlo Dâ Este,2009-07-01 Patton A Genius for War is a full fledged portrait of an extraordinary American that reveals the complex and contradictory personality that lay behind the swashbuckling and brash facade **Patton** Carlo D'Este,1996 Patton A Genius for War is a full fledged portrait of an extraordinary American that reveals the complex and contradictory personality that lay behind the swashbuckling and brash facade According to Publishers Weekly the result is a major biography of a major American military figure This massive work is biography at its very best Literate and meaty incisive and balanced detailed without being pedantic Mr D Este s Patton takes its rightful place as the definitive biography of this American warrior Calvin L Christman Dallas Morning News D Este tells this story well and gives us a new understanding of this great and troubled man The Wall Street Journal An instant classic Douglas Brinkley director Eisenhower Center *A Genius for War* Carlo D'Este,1996 This is a biography of the Second World War hero US General George S Patton **Patton's War** Kevin M. Hymel,2021-11-01 George S Patton Jr lived an exciting life in war and peace but he is best remembered for his World War II battlefield exploits Patton s War An American General s Combat Leadership November 1942 July 1944 the first of three volumes follows the general from the beaches of Morocco to the fields of France right before the birth of Third Army on the continent In highly engaging fashion Kevin Hymel uncovers new facts and challenges long held beliefs about the mercurial Patton not only examining his relationships with his superiors and fellow generals and colonels but also with the soldiers of all ranks whom he led Using new sources unavailable to previous historians and through extensive research of soldiers memoirs and interviews Hymel adds a new dimension to the telling of Patton s WWII story **Patton's War** Kevin M. Hymel,2023-04-07 Winner of the 2023 Army Historical Foundation Distinguished Writing Award for Biography This second of three volumes of Patton s War picks up where the first one left off examining General George S Patton s leadership of the U S Third Army The book follows Patton s contributions to both the Normandy and Brittany campaigns the closing of the Falaise Pocket in Normandy and racing to the port cities in Brittany It ends with Patton and his corps rescuing the besieged town of Bastogne in the Battle of the Bulge As he did in the preceding volume Hymel relies not only on Patton s diaries and letters but countless veteran interviews surveys and memoirs He also provides a unique insight missed by previous Patton scholars Instead of using Patton s transcribed diaries which were heavily

edited and embellished he consults Patton's original hand written diaries to uncover previously unknown information about the general This second volume of Hymel's groundbreaking work shows Patton at the height of his generalship successfully leading his army without the mistakes and caustic behavior that almost got him sent home earlier even if we also see a Patton still guided at times by racism and antisemitism

Patton's Way James Kelly Morningstar,2017 Patton's Way is a unique approach to the legend of General George S Patton Jr and his development and application of a unique approach to modern warfare Unlike Carlo D Este's Patton Genius for War or Stanley Hirshson's General Patton A Soldier's Life Patton's Way is not a biography Instead it argues that popular representations of Patton are built on misconceptions and incomplete understandings about his approach to warfare Morningstar begins with the mystifying contradiction between the historiographical criticism of Patton's methods and popular appreciation for his successes He i

Patton's Way James K Morningstar,2017-06-15 Patton's Way is a unique approach to the legend of General George S Patton Jr and his development and application of modern warfare Rather than a biography Patton's Way argues that popular representations of Patton are built on misconceptions and incomplete understandings about his approach to battle Morningstar addresses the contradiction between the historiographical criticism of Patton's methods and popular appreciation for his successes The author identifies several schools of thought offering explanations yet he notes they all fail to fully comprehend the real Patton The secret to Patton's success was a radical and purposely crafted doctrine developed over several decades The author identifies four core principles in Patton's creed targeting the enemy's morale through shock utilizing highly practiced combined arms mechanized columns relying on mission tactics and flexible command and control and employing multi layered and synthesized intelligence systems to identify enemy capabilities and weak spots These precepts directly contradicted official U S Army doctrine and created misunderstandings that led commanders to truncate Patton's operations in Tunisia Sicily and France Morningstar details how Patton developed and applied each principle and uses the breakout from Normandy as a case study to illustrate Patton's Way in application This book discusses the death and resurrection of Patton's ideas in the U S Army directly following World War II to the present and comments on the status of Patton ideas in the Army today

**American Tactical Advancement in World War I** Jeffrey LaMonica,2017-08-08 The U S Army evolved into a truly modern fighting force during World War I When the U S entered the war in 1917 the infantry was its primary offensive arm Training focused mainly on target practice bayonet charges and marching drills Antiquated tactics emphasized massive attack waves relying on ferocity to achieve battlefield objectives Heavy casualties resulted when inexperienced American troops encountered entrenched German veterans trained in the use of modern artillery and machine guns By war's end the American Expeditionary Force had progressed along a bloody learning curve developing sophisticated techniques small flexible formations fire and maneuver and infiltration for breaking the trench warfare stalemate Eventually the AEF integrated new weapons like poison gas tanks and aircraft into its offensive tactics and pioneered the mechanized combined
