The Rest of Your Story Greg A. Lindsey,2024-05-07 God never intended the Christian life to be boring empty or irrelevant In The Rest of Your Story Pastor Greg Lindsey takes us on a journey past forgiveness to freedom The journey starts with diving deep into our own stories so we can let go of the shame regret and pain that are holding us back Only then can we discover all the ways we need Jesus help and become people of godly passion who live out the true desires of our hearts Many of us find that despite our best religious efforts we re still chasing God s abundant life instead of enjoying it In The Rest of Your Story Pastor Greg Lindsey shows us why believing the right things or behaving the right way will never lead to our fullest life True spiritual growth happens when we journey with Jesus back into our stories The Rest of Your Story is a roadmap to what God wants our Christian life to be passionate joy filled fulfilling significant and freeing Along with his own vulnerable story of redemption Greg shares The dangers of knowing the significance of our sin but not the significance of our stories Ways our spiritual enemy uses our past to keep us from realizing our purpose The difference between living forgiven and living free Why the places we are most afraid to go lead us to the life we don t want to miss What you ve done and what you ve experienced is not who you are As you identify how your past is keeping you from experiencing Jesus abundant life you ll find that God can turn the deepest pain into your richest treasure **Chernobyl: The Rest Of The Story** Edward A.

Achievement Motivated Leadership Thomas D. Darby,2014-09-22 This intriguing novel uses an unusual method to present the lifestyle and political achievements of former President Paul Harvey Collins The ex president narrates the account of his career to presidential biographer Dylan Johnson During their high school years Paul and a friend take part in a civics class trip to the state legislature but are dissatisfied with what they witness They decide to enter politics to improve government efficiency During their careers they reduce the number and size of the haphazardly formed state and local governments and support the merging of government departments The result is a large decrease in the cost of government operations Removing state House of Representatives reduces funding and increases effectiveness Collins also improves the efficiency and effectiveness of the executive branch His new constitution produces a unicameral federal government Collins relates how senators are now elected from near equal population senate districts making the Senate the most powerful branch of government The President serves at the pleasure of the Senate As democratic principles spread throughout the world peace and prosperity follow
