The Efficient Practice David L. Lawrence, 2014-02-17 An essential guide to tools and techniques for achieving efficiency productivity and profitability in financial advisory firms As a profession financial advisors have been very well educated on how to be a financial advisor but the industry does a poor job of preparing financial advisors to be great business owners This book presents the Profit Driven Architecture a visual way of viewing the operational structure of a financial practice Provides a concrete way of understanding and improving the interrelationship of different parts of the operations of a financial practice firm Explains how to increase the efficiency productivity and profitability of the firm recognizing the interrelationships with one another Reveals how to increase the capacity and value of the practice Given an aging population of financial advisors and increased focus on succession planning increasing the value of a financial practice is a key deliverable of efficiency and this book showcases the best ways to do so

Succeeding at Your Yahoo! Business Linh Tang, Frank Fiore, 2013-01-23 The Yahoo Stores have grown into one of the largest online shopping destinations on the Web today The nearly 20 000 Yahoo Stores have a 71% reach among online consumers the highest on the Web Many of these stores have become so successful that they have grown from small mom and pop or part time businesses into full time money making ventures A whole new set of skills and knowledge are needed to operate a Yahoo Store like a full time eCommerce business Succeeding At Your Yahoo Business teaches you how to customize a Yahoo Store using the basic elements of the popular web design program Dreamweaver including architecting an eCommerce web site It then takes three different types of Yahoo Stores and deconstructs them showing you how they are formed and how they sell the products or services they offer There is also an entire section on how to position a Yahoo Store acquire customers and retain those customers Finally the book will show you how to set up the necessary accounting and operations systems and how to hire the staff necessary to successfully run your business

Windows System Policy Editor Stacey Anderson-Redick, 2000 How can Windows administrators set up different security restrictions for different users Or set one policy for a whole group Configure desktops for roving users so that any computer they use will have the same look Or protect a computer if it is unplugged from the network These are just a few of the questions that Windows System Policy Editor answers The Windows system policy editor is a powerful tool for creating and editing local registry values to standardize desktop settings prevent users from modifying hardware and environment settings or control or restrict user actions Windows System Policy Editor enlightens readers on how to prevent security problems like file tampering loss of data as a result of accidental system software changes or users being locked out of their own computers This working manual leads the reader through both a Windows systems primer and the more complex aspects of Different types of system policies what they control and how to modify them Installing the policy editor and creating the policy file Setting default workstation security Understanding the administrative files Security issues Troubleshooting The differences between the Win95 and Win98 policy editor Procedures for stand alone computers as

opposed to networked computers Computer security on publicly accessed computers poses unique challenges today more than ever before This book is for anyone who s in charge of administering workstations in a school library office or any environment where increased security would be invaluable
