Middletown Revisited Images Of America New York:

Middletown Revisited Marvin H. Cohen, 2008 Located in the lower Hudson Valley Middletown was first settled in 1760 and quickly grew into a thriving dairy farming center With the arrival of the pioneering New York and Erie Rail Road in 1843 Middletown continued to flourish and by 1888 it became a city Hundreds of residents found employment in the growing railroad industry as well as at the sprawling Middletown State Hospital with its advanced facilities at one time boasting over 100 buildings Middletown Revisited documents the rich history of a city that has continued to grow over generations

American Paintings at Harvard Theodore E. Stebbins, Melissa Renn, 2008-01-01 This volume features nearly 500 paintings watercolors pastels and miniatures from Harvard University's storied yet little known collection of American art These works many unpublished are drawn from the Harvard Art Museums the University Portrait Collection the Peabody Museum of Archaeology and Ethnology and other entities and date from the early colonial years to the mid 19th century Highlights include a rare group of 17th century portraits along with important paintings by Robert Feke John Singleton Copley Charles Willson Peale Gilbert Stuart and Washington Allston in addition to works depicting western and Native American subjects by Alexandre de Batz Henry Inman and Alfred Jacob Miller among others Each work is accompanied by scholarly commentary that draws on extensive new research as well as a complete exhibition and reference history An introduction by Theodore E Stebbins Jr describes the history of the collection Lavishly illustrated in color this compendium is a testament to the nation's oldest collection of American art and an essential resource for scholars and collectors alike

An Anthology of Australian Albums Jon Stratton, Jon Dale, Tony Mitchell, 2020-01-09 An Anthology of Australian Albums offers an overview of Australian popular music through the lens of significant yet sometimes overlooked Australian albums Chapters explore the unique qualities of each album within a broader history of Australian popular music Artists covered range from the older and non mainstream yet influential such as the Missing Links Wendy Saddington and the Coloured Balls to those who have achieved very recent success Courtney Barnett Dami Im and Flume and whose work contributes to international pop music Sia to the more exploratory or experimental Curse of Dialect and A B Original Collectively the albums and artists covered contribute to a view of Australian popular music through the non canonical emphasizing albums by women non white artists and Indigenous artists and expanding the focus to include genres outside of rock including hip hop black metal and country

Back to Middletown Rita Caccamo, 2002-09-01 Published in 1929 Robert Lynd and Helen Merrell Lynd's *Middletown A Study in Modern American Culture* was destined to become a sociological point of reference for the quality of life in an average American town in the 1920s Their *Middletown in Transition* a 1937 restudy of the same community now known to be Muncie Indiana provided a second point of reference on community values in the midst of the great American depression Achieving the status of cultural benchmarks these two books have generated an enormous secondary literature on Muncie Middletown including a two volume restudy by Theodore Caplow published in the 1980s and a series of six documentary

films *Back to Middletown* differs from the numerous other investigations and analyses of one of the most famous community studies in the history of sociology. The author, an Italian sociologist, examines the complete Middletown saga through the distinctive lens of an outsider, tracing the character and evolution of middle America from the Lynds time down to the present. She has been resourceful and meticulous in her discovery of previously unknown sources, data, documents, and correspondence that shed new light on the formation and elaboration of the Lynds Middletown project and on the changing evaluation of the project by generations of scholars. In the process, the book addresses from a fresh perspective major issues that have confronted sociology and social anthropology: relative levels of analysis, the relationship of empirical observation to theory building, and conceptual frameworks of interpretation and controversies focusing on the structure of power in America. In addition to its value and import as a theoretical work, the book takes up questions that reflect the contemporary contradictions and dissonances in the American social fabric. As the author demonstrates, the story of Middletown is a continuing narrative whose end is yet to be written, encapsulating the pain of social and economic alienation, political war, religious messianism, and personal demoralization.

Hemispheric Imaginations Helmbrecht Breinig, 2016-12-06 What image of Latin America have North American fiction writers created, found, or echoed, and how has the prevailing discourse about the region shaped their work? How have their writings contributed to the discursive construction of our southern neighbors, and how has the literature undermined this construction and added layers of complexity that subvert any approach based on stereotypes? Combining American Studies, Canadian Studies, Latin American Studies, and Cultural Theory, Breinig relies on long scholarly experience to answer these and other questions. *Hemispheric Imaginations*, an ambitious interdisciplinary study of literary representations of Latin America as encounters with the other, is among the most extensive such studies to date. It will appeal to a broad range of scholars of American Studies.

Faithful Measures Roger Finke, Christopher D. Bader, 2017-10-10 A venture into the art and science of measuring religion in everyday life. In an era of rapid technological advances, the measures and methods used to generate data about religion have undergone remarkably little change. *Faithful Measures* pushes the study of religion into the 21st century by evaluating new and existing measures of religion and introducing new methods for tapping into religious behaviors and beliefs. This book offers a global and innovative approach with chapters on the intersection of religion and new technology, such as smart phone apps, Google Ngrams, crowdsourcing data, and Amazon buying networks. It also shows how old methods can be improved by using new technology to create online surveys with experimental designs and by developing new ways of mining data from existing information. Chapter contributors thoroughly explain how to employ these new techniques and offer fresh insights into understanding the complex topic of religion in modern life. Beyond its quantitative contributions, *Faithful Measures* will be an invaluable resource for inspiring a new wave of creativity and exploration in our connected world.

Memory, Identity and Cognition: Explorations in Culture and Communication Jacek Mianowski, Michał Borodo, Paweł Schreiber, 2019-03-26 The book analyses a variety of

topics and current issues in linguistics and literary studies focusing especially on such aspects as memory identity and cognition Firstly it discusses the notion of memory and the idea of reimagining as well as coming to terms with the past Secondly it studies the relationship between perception cognition and language use It then investigates a variety of practices of language users language learners and translators such as the use of borrowings from hip hop and slang The book is intended for researchers in the fields of linguistics and literary studies lecturers teaching undergraduate and master s students on courses in language and literature

Babes in Tomorrowland Nicholas Sammond, 2005-07-20 Examines the place of Disney in the changing construction of childhood in mid twentieth century America

Carry A. Nation Fran Grace, 2001-07-20 Carry A Nation Retelling the Life Fran Grace The story of one of America s most notorious and misunderstood women Carry Nation was 54 when she smashed her first saloon but her life before she started her infamous hatchet crusade has been little known until now In this first scholarly biography of Nation Fran Grace unfolds a story that often contrasts with the image of Nation as Crazy Carry a bellicose blue nosed man hating killjoy Using newly available archival materials and placing Nation in her various historical and cultural contexts Grace retells the crusader s tumultuous life Brought up in antebellum Kentucky Nation lived through the devastation of the Civil War and endured a failed marriage to an alcoholic physician In her early 20s a single mother and a destitute widow she experienced a spiritual crisis Her second marriage to a much older David Nation grew strained under the failure of their Texas farm her exploration into Holiness religion and her attempts to work outside the home When the couple moved to Kansas Nation s disappointments translated into an agenda for social reform Frustrated by the rampant violations of the state s prohibition law and empowered by a sense of divine mission Nation responded with rocks crowbars and hatchets Though much of her last two decades was spent on stage or in jail and in battles with other family members over the future of her unstable adult daughter she edited two newspapers and founded several homes for abused and needy women This complexly woven and delightfully written biography adds depth to the popular image of Carry Nation situating her at the center of major cultural currents in her time Fran Grace is Assistant Professor of Religious Studies at the University of Redlands Religion in North America Catherine L Albanese and Stephen J Stein editors May 2001 400 pages 57 b w photos 6 1 8 x 9 1 4 bibl index append cloth 0 253 33846 8 35 00 s 26 50

Encyclopedia of Community DAVID LEVINSON, KAREN CHRISTENSEN, 2003-06-30 Click Additional Materials for downloadable materials and samples Incredibly this is the first encyclopedia to focus on community as concept and experience so stands alone in its field as the one title any library must buy to cover this topic Essential for all readerships CHOICE A timely comprehensive and very welcome overview of a rich and rapidly growing field of inquiry Robert D Putnam Professor at Harvard University and author of Bowling Alone With every passing minute it becomes more and more apparent that our world is one community The Encyclopedia of Community serves as recognition of this trend and as a needed resource The four volume set not only explains the emerging buzz words of community such as social capital or civic

engagement but also tells many stories of community institutions that work such as public libraries Sarah Ann Long Past President 1999 2000 American Library Association As we yearn to connect with our fellow citizens during these uncertain times we have a unique moment to encourage greater participation in our democracy and reinvigorate our communities The Encyclopedia of Community provides a timely diverse array of theories and practices that will help citizens understand the value of engaging together to make the critical choices that enrich the way we live learn work and govern in our local communities The Encyclopedia deserves a prime spot in the libraries homes and offices of all communities that want to invest in a brighter future for their residents and their children Nancy Kranich Past President of the American Library Association whose presidential theme was Libraries The Cornerstone of Democracy 2000 2001 American politicians often pair the word community with the word freedom to describe our basic values Yet though used constantly the word community is defined in widely different and contested ways Most people like the idea of community but some intellectuals worry that it might imply collectivism The great value of this new Encyclopedia is that it gives readers a chance to sample the many uses of the term and gain clarity about the issues at stake It is a major contribution to a more coherent understanding of this fundamental idea Robert Bellah Professor of Sociology Emeritus University of California Berkeley and co author of Habits of the Heart SAGE Publications is proud to announce the Encyclopedia of Community a major reference work that summarizes the many fascinating and important concepts of a global topic Community itself is a concept an experience and a central part of being human Whether the reader is a student researcher or professional in the field of psychology sociology or even economics this three volume work will provide the necessary definitions of community beyond traditional views Arranged in an A to Z fashion the Encyclopedia can also be viewed topically via a Reader s Guide This allows for interdisciplinary compare and contrast among topics such as types of communities social capital technology urban life politics and law community design and global studies Edited by the award winning team at Berkshire Reference and assisted by an editorial board of world renowned scholars the Encyclopedia of Community will prove to be one of the most widely used reference works in your collection Key Features 500 signed articles 3 volumes 2000 pages Reader s Guide Master bibliography 250 sidebars Appendices Resource Guides Master Bibliography Libraries Build Community Libraries and Popular Culture

The Barber of Natchez Reconsidered Timothy R. Buckner, 2023-08-30 Winner of the Jules and Frances Landry Award Historians have long considered the diary of William Johnson a wealthy free Black barber in Natchez Mississippi to be among the most significant sources on free African Americans living in the antebellum South Timothy R Buckner s The Barber of Natchez Reconsidered reexamines Johnson s life using recent scholarship on Black masculinity as an essential lens demonstrating a complexity to Johnson previously overlooked in academic studies While Johnson s profession as a barber helped him gain acceptance and respectability it also required his subservience to the needs of his all white clientele Buckner s research counters earlier assumptions that suggested Johnson held himself apart from Natchez s Black population revealing instead a

man balanced between deep connections to the broader African American community and the necessity to cater to white patrons for economic and social survival Buckner also highlights Johnson's participation in the southern performance of manliness to a degree rarely seen in recent studies of Black masculinity Like many other free Black men Johnson asserted his manhood in ways beyond simply rebelling against slavery he also competed with other men white and Black free and enslaved in various masculine pursuits including gambling hunting and fishing Buckner's long overdue reevaluation of the contents of Johnson's diary serves as a corrective to earlier works and a fascinating new account of a free African American business owner residing in the prewar South

Kids of the Black Hole Dewar MacLeod, 2012-10-09 Los Angeles rock generally conjures memories of surf music The Doors or Laurel Canyon folkies But punk L A's punk scene while not as notorious as that of New York City emerged full throated in 1977 and boasted bands like The Germs X and Black Flag This book explores how in the land of the Beach Boys punk rock took hold As a teenager Dewar MacLeod witnessed firsthand the emergence of the punk subculture in Southern California As a scholar he here reveals the origins of an as yet uncharted revolution Having combed countless fanzines and interviewed key participants he shows how a marginal scene became a mass subculture that democratized performance art and he captures the excitement and creativity of a neglected episode in rock history Kids of the Black Hole tells how L A punk developed fueled by youth unemployment and alienation social conservatism and the spare landscape of suburban sprawl communities how it responded to the wider cultural influences of Southern California life from freeways to architecture to getting high and how L A punks borrowed from their New York and London forebears to create their own distinctive subculture Along the way MacLeod not only teases out the differences between the New York and L A scenes but also distinguishes between local styles from Hollywood's avant garde to Orange County's hardcore With an intimate knowledge of bands venues and zines MacLeod cuts to the heart of L A punk as no one has before Told in lively prose that will satisfy fans Kids of the Black Hole will also enlighten historians of American suburbia and of youth and popular culture

Remembering Generations Ashraf H. A. Rushdy, 2003-01-14 Slavery is America's family secret a partially hidden phantom that continues to haunt our national imagination Remembering Generations explores how three contemporary African American writers artistically represent this notion in novels about the enduring effects of slavery on the descendants of slaves in the post civil rights era Focusing on Gayl Jones's Corregidora 1975 David Bradley's The Chaneysville Incident 1981 and Octavia Butler's Kindred 1979 Ashraf Rushdy situates these works in their cultural moment of production highlighting the ways in which they respond to contemporary debates about race and family Tracing the evolution of this literary form he considers such works as Edward Ball's Slaves in the Family 1998 in which descendants of slaveholders expose the family secrets of their ancestors Remembering Generations examines how cultural works contribute to social debates how a particular representational form emerges out of a specific historical epoch and how some contemporary intellectuals meditate on the issue of historical responsibility of recognizing that the slave past continues

to exert an influence on contemporary American society **Congregation & Community** Nancy Tatom Ammerman, Arthur Emery Farnsley, 1997 Why do some religious institutions decline in the face of racial integration whilst others grow How do congregations deal with economic distress This study of congregations in the face of community transformation includes stories of over 20 congregations in nine communities across America **New Jersey Cemeteries and Tombstones** Richard F. Veit, Mark Nonestied, 2008-09-17 From the earliest memorials used by Native Americans to the elaborate structures of the present day Richard Veit and Mark Nonestied use grave markers to take an off beat look at New Jersey s history that is both fascinating and unique New Jersey Cemeteries and Tombstones presents a culturally diverse account of New Jersey s historic burial places from High Point to Cape May and from the banks of the Delaware to the ocean washed Shore to explain what cemeteries tell us about people and the communities in which they lived The evidence ranges from somber seventeenth century decorations such as hourglasses and skulls that denoted the brevity of colonial life to modern times where memorials such as a life size granite Mercedes Benz reflect the materialism of the new millennium Also considered are contemporary novelties such as pet cemeteries and what they reveal about today s culture To tell their story the authors visited more than 1 000 burial grounds and interviewed numerous monument dealers and cemetarians This richly illustrated book is essential reading for history buffs and indeed anyone who has ever wandered inquisitively through their local cemeteries *From the Folks Who Brought You the Weekend* Priscilla Murolo, A.B. Chitty, 2019-07-19 Newly updated An enjoyable introduction to American working class history The American Prospect Praised for its impressive even handedness From the Folks Who Brought You the Weekend has set the standard for viewing American history through the prism of working people Publishers Weekly starred review From indentured servants and slaves in seventeenth century Chesapeake to high tech workers in contemporary Silicon Valley the book puts a human face on the people places events and social conditions that have shaped the evolution of organized labor enlivened by illustrations from the celebrated comics journalist Joe Sacco Library Journal Now the authors have added a wealth of fresh analysis of labor s role in American life with new material on sex workers disability issues labor s relation to the global justice movement and the immigrants rights movement the 2005 split in the AFL CIO and the movement civil wars that followed and the crucial emergence of worker centers and their relationships to unions With two entirely new chapters one on global developments such as offshoring and a second on the 2016 election and unions relationships to Trump this is an extraordinarily fine addition to U S history that could become an evergreen comparable to Howard Zinn s award winning A People s History of the United States Publishers Weekly A marvelously informed carefully crafted far ranging history of working people Noam Chomsky **Redress for Historical Injustices in the United States** Michael T. Martin, Marilyn Yaquinto, 2007-07-16 A collection of seminal essays that examines the arguments in favor of the redress movement in the United States Gothic Things Jeffrey Andrew Weinstock, 2023-07-04 SHORTLISTED THE ALLAN LLOYD SMITH PRIZE FOR BEST MONOGRAPH Offering an innovative

approach to the Gothic Gothic Things Dark Enchantment and Anthropocene Anxiety breaks ground with a new materialist analysis of the genre highlighting the ways that since its origins in the eighteenth century the Gothic has been intensely focused on ominous matter and thing power In chapters attending to gothic bodies spaces books and other objects Gothic Things argues that the Gothic has always been about what happens when objects assume mysterious animacy or potency and when human beings are reduced to the status of just one thing among many more powerful others In exploring how the Gothic insistently decenters the human Jeffrey Andrew Weinstock reveals human beings to be enmeshed in networks of human and nonhuman forces mostly outside of their control Gothic Things thus resituates the Gothic as the uncanny doppelgänger of twenty first century critical and cultural theory lurking just beneath the surface and sometimes explicitly surfacing as it haunts considerations of how human beings interact with objects and their environment In these pages the Gothic offers a dark reflection of the contemporary nonhuman turn expressing a twenty first century structure of feeling undergirded by anxiety over the fate of the human spectrality monstrosity and apocalypse Substituting horror for hope the Gothic Weinstock explains has been a philosophical meditation on human relations to the nonhuman since its inception raising significant questions about how we can counter anthropocentric thought in our quest to live more harmoniously with the world around us

Life on the Streets and Commons, 1600 to the Present Dublin Seminar for New England Folklife, 2007 **Public Religions in the Modern World** José Casanova, 1994-06-15 Acknowledgements 1 Secularization Enlightenment and Modern Religion 2 Private and Public Religions 3 Spain From State Church to Disestablishment 4 Poland From Church of the Nation to Civil Society 5 Brazil From From Oligarchie Church to People s Church 6 Evangelical Protestantism From Civil Religion to Fundamentalist Sect to New Christian Right 7 Catholicism in the United States From Private to Public Denomination 8 The Deprivatization of Modern Religion Notes Index
