practice forms of the archival turn that put relentless curiosity and unapologetic passion to use as methods for intellectual invention from the Foreword by Ann Cvetkovich *Abduction and Escape* Dantes Erotica,2020-07-04 It all started back in January last year when I started going out in the early mornings because I couldn't sleep I'm Pete for the sake of anonymity married no kids thirty eight average build and live in Woburn Bedfordshire The missus is not into sex much these days so I've been going out for a drive to see if there's anything going on in the dogging areas I read about online This story is all about how I met Nick and later my wife finding out and wanting to join in Everything was looking great until one night my world came crashing down Excerpt from Chapter 5 Dogging with with Nick She lay down on the back seat and continued playing still wearing her black knickers parted her legs and slipped her hand inside She looked fucking amazing rubbing herself again as the slide show continued with Nick now aiming the camera at his wife's face as she sucked his cock and fucked the stranger at the same time I was literally about to shoot my load but held back by stopping and watching Ann in the back Very nice Nick said appreciatively Ann was still inside her knickers and rubbing her bud Show him your newly shaved pussy Ann he can't see it like that pull your knickers over and let's see how wet you are We heard her moan and watched as she pulled them open and exposed her sticky smooth slit Nick groaned and Ann was in shock as he unloaded what seemed like a fucking tea cup full of spunk He'd turned in his seat so it sprayed all over her leg and the side of the seat She continued fingering herself still holding her knickers open as I also started ejaculating I did the same by aiming it on her leg she was staring at me open mouthed as at least twice as much spunk was spurting out And when Nick reached out and smeared the two lots of spunk all over her leg she started jerking Later in the story Ann is abducted and the follow up book *Escape* is included as this is a two book set 2010 Novel & Short Story Writer's Market Alice Pope,2009-07-23 BEST RESOURCE AVAILABLE FOR GETTING YOUR FICTION PUBLISHED For three decades fiction writers have turned to *Novel tips* from editors and authors on how to get published exercises to improve your craft and more Features devoted to genre writing including romance mystery and speculative fiction And now this year access to all *Novel Short Story Writer's Market* listings in a searchable online database **Secret Call Girl Wife** Dante X,2024-09-05 After his divorce and returning to England Karl sees his ex Thai wife Lawan in a casino with her new husband Her husband seemed to be pimping her out so following her outside with a stranger his suspicions were confirmed Karl then bumps into Sukk one of Lawan's friends in town of whom tells Lawan that Karl is back in town A threesome is then arranged with Sukk Lawan and Karl and the fun begins but then Lawan's husband keeps calling and she has to leave Sukk is also married but stays the afternoon and confirms that Lawan is working as a secret call girl Lawan likes to watch Karl making love with other girls so when Karl asks Lawan if she knows any new girls in town she introduces Karl to Amara a new girl that is only 21 and recently married However Amara is not a bar girl and was only willing to sleep with him in order to get some money and escape from her abusive gangster husband Karl doesn't want to be the one to introduce her to prostitution and decides to help her escape Lots of fun and very naughty scenes as you

Murat, 2019-09-24 The present work fills a gap as it attempts to offer a history of erotic literature published in the United Kingdom The word Study in the title is perhaps a bit exaggerated as the material is largely taken from the now well known bibliographies by Pisanus Fraxi Henry Spencer Ashbee and quotations from the books themselves The time line is WW II Who was the author He may have been Charles Reginald Dawes 1879-1964 who is supposed to have written but not published a text of this or a similar title His profession or his activities are not known he once called himself a writer but library catalogues credit him only with two publications *The Marquis de Sade* Paris 1927 and *Retif de la Bretonne* London 1946 privately printed He may have been a popular writer under pseudonyms though Dawes owned a good erotica collection which he willed to the British Museum Library that would explain why the author of this Study if he was Dawes could quote freely from erotic texts which only few of his contemporaries would have had available The main merits of this book are that the author was thoroughly familiar with English and French erotic literature and that he put his material in chronological order and in context The editor added a number of references illustrations and indices of personal names and titles to facilitate navigation
