Blog Love Omega Glee Wred Fright, 2012-07-19

Two bloggers fall in love while the world falls apart in *Blog Love Omega Glee*, a comedic story set in 2012 with each chapter taking place on a different day counting down to the end of the Mayan calendar on 21 December 2012, when the world either ends or continues on much the same as before. The two central characters are Jake Falls, a twenty-five-year-old unemployed man living with his parents who spends most of his time blogging about pro wrestling, and Francine Apple, a twenty-nine-year-old barely employed woman who has dropped out of the American Dream to blog about various conspiracy theories. Other characters abound as well, including Jake's cats, family, and friends, and Francine's coworkers, housemates, and neighbors. The story is set in Cleveland, a decaying industrial city in the northern part of the USA, and its suburbs on the shores of Lake Erie. It's year 12 of a fascist regime, and a severed head named Dick, with a soft drink vending machine for a body, is president dictator, but no one much notices because they're too busy watching television and obsessing over their personal lives to worry about wars overseas, the government swindling taxpayers, and the rich stuffing their already stuffed pockets further with rapidly depreciating currency. Some people find this worrisome, but most people just change the channel. Regardless, even though in many ways for the average person life is still better than ever before in the history of human existence, since Eden, most people feel a vague sense of unease as if the delicate stitching of society is about to come undone at any moment, pouring forth a centuries-long buildup of too many human beings, anarchy in the streets, environmental collapse, and lots and lots of really bad coffee. Between existential dread, economic worries, presidential electioneering, electronic domineering, and large sweaty men in tights touching one another as entertainment, there's *Blog Love Omega Glee*.

Blog Love Omega Glee was originally published on Wred Fright's Blog as a blognovel or a blovel. Unlike most blognovels and blovels, this one actually was finished instead of being abandoned. Since the story has four parts depending on how you look at it, it's either one really long novel or a series of four novels. After being serialized on the blog and as a zine to a few select zinesters, Fright trades with the novel was

collected as an ebook One fun way to read it is a chapter a day during the course of a year especially a leap year like 2012 was or go for reading all 230 000 words or so in one lump The novel s been noted in American Pop Lit who called Fright an innovative writer of fun new pop lit a pioneer in the fight to revive American literature Attacking The Demi Puppets Cleveland Scene Cool Cleveland who wrote and perhaps best of all it s set in 2012 in a city called Cleaveland not to be confused wink wink with our city with the slightly different spelling hmm I wonder if there s a Cool Cleaveland email newsletter in the novel The Rumpus by author Mickey Hess who blurbed Goons and patriots get ready Wred Fright s new novel scowls at your perfect sentences There are gorgeous techniques and colorful dialogue the book s action mood the author himself There are things this novelist should be allowed to do that the rest of us are not Try This At Home by novelist Eddie Willson who wrote After experimenting with multiple narrators in his novel The Pornographic Flabbergasted Emus Wred Fright continues to develop his fiction in inventive ways Here he s posting a new novel in blog form Set in the near future the regularly updated narrative charts the lives of wrestling fixated loser Jake and militant waitress Francine I ve got some catching up to do but this is addictive stuff Here and elsewhere Wred s big strength is in characterization he s got a real gift for getting you rooting for characters whose lives have got a bit bent out of shape This tale s going to be taking up my lunch breaks for the foreseeable future Highly recommended The Whirliblog who wrote that It s tastier than Cap n Crunk Xerography Debt and Zine World Vampires & Horror (2019) Steve Hutchison,2023-03-03 Vampires are undead beings that subsist by feeding on blood or vital force They are a major archetype of horror movies In this book film critic Steve Hutchison reviews and ranks 50 of the best horror movies featuring vampires ever released How many have you seen
