## **Passionate Enlightenment:**

Passionate Enlightenment Miranda Shaw, 2021-06-08 The crowning cultural achievement of medieval India Tantric Buddhism is known in the West primarily for the sexual practices of its adherents who strive to transform erotic passion into spiritual ecstasy Historians of religion have long held that the enlightenment thus attempted was for men only and that women in the movement were at best marginal and subordinated and at worst degraded and exploited Miranda Shaw argues to the contrary presenting extensive new evidence of the outspoken and independent female founders of the Tantric movement and their creative role in shaping its distinctive vision of gender relations and sacred sexuality *Passionate Enlightenment* Miranda Shaw, 2022-06-07 The now classic exploration of the role of women and the feminine in Buddhist Tantra The crowning cultural achievement of medieval India Tantric Buddhism is known in the West primarily for the sexual practices of its adherents who strive to transform erotic passion into spiritual bliss Historians of religion have long held that this attempted enlightenment was for men only and that women in the movement were at best marginal and subordinated and at worst degraded and exploited In *Passionate Enlightenment* Miranda Shaw argues to the contrary and presents extensive evidence of the outspoken and independent female founders of the Tantric movement and their creative role in shaping its distinctive vision of gender relations and sacred sexuality Including a new preface by the author this Princeton Classics edition makes an essential work available for new audiences *Passionate Enlightenment* Miranda Shaw, 1996

Passionate Enlightenment Miranda Eberle Shaw, 1994 The crowning cultural achievement of medieval India Tantric Buddhism is known in the West primarily for the sexual practices of its adherents who strive to transform erotic passion into spiritual ecstasy Historians of religion have long held that the enlightenment thus attempted was for men only and that women in the movement were at best marginal and subordinate and at worst degraded and exploited Miranda Shaw argues to the contrary presenting extensive new evidence of the outspoken and independent female founders of the Tantric movement and their creative role in shaping its distinctive vision of gender relations and sacred sexuality Anyone who reads a Tantric text or enters a Tantric temple immediately encounters a pantheon of female Buddhas and a host of female enlighteners known as dakinis who dance and leap in joyous poses that communicate a sense of mastery and spiritual power This striking female imagery is fully compatible with Shaw's findings Drawing on interviews and archival research conducted during two years of fieldwork in India and Nepal including more than forty previously unnoticed works by women of the Pala period eighth through twelfth centuries C E she substantially reinterprets the history of Tantric Buddhism during its first four centuries In her view the Tantric theory of this period promotes an ideal of cooperative mutually liberative relationships between women and men while encouraging a sense of reliance on women as a source of spiritual insight and power The Passionate Intellect Norman Klassen, Jens Zimmermann, 2006-09-01 Too often Christian college students feel they must either downplay their faith or stick to a small circle of like minded friends and organizations Somewhere along the way assumptions

have taken root that intellectual university life and Christian faith cannot be synthesized Klassen and Zimmermann assert that much is at stake for the young university student A worldview takes a lasting shape and faith is usually discovered deepened or discarded during a collegiate journey This new work is designed to give students parents and other interested readers a guide to the intellectual culture of the modern university and its contribution to society helping them to realize the power of the university's influence and discover how to connect Christian belief to cutting edge thinking

**The Passionate Intellect** Alister McGrath, 2014-04-07 2011 Christianity Today Book Award winner Alister McGrath one of the most prominent theologians and public intellectuals of our day explains how Christian thinking can and must have a positive role in shaping nourishing and safeguarding the Christian vision of reality With this in our grasp we have the capacity for robust intellectual and cultural engagement confidently entering the public sphere of ideas where atheism postmodernism and science come into play This book explores how the great tradition of Christian theological reflection enriches faith It deepens our appreciation of the gospel's ability to engage with the complexities of the natural world on the one hand and human experience on the other

The Passionate Society Lisa Hill, 2006-10-12 Adam Ferguson 1723-1816 was a major figure of the Scottish Enlightenment whose thought was in many respects original and distinctive This book is a study of his ideas and of the intellectual forces that shaped them Though somewhat overlooked in the nineteenth century Ferguson was rescued from obscurity in the first half of the twentieth century by scholars interested in the origins of sociology and early critiques of modernity Ferguson's interest in the mechanics of social life and especially social change led him to many groundbreaking insights In fact he is sometimes identified as the Father of Modern Sociology In addition to exploring whether or not he merits this title this study examines the whole of Ferguson's thought as a system and includes his moral and faculty psychology historiography theology politics and social science Ferguson is distinguished by his deep appreciation of the complexity of the human condition his study of society is based on the belief that it is not only reason but the unseen unplanned sub rational and visceral forces that keep the human universe in motion Ferguson's appreciation of this fact and his ability to make social science of it is his major achievement

Spiritual Titanism Nicholas F. Gier, 2012-03-27 This work in comparative philosophy uses the concept of Titanism to critique certain trends in both Eastern

and Western philosophy Titanism is an extreme form of humanism in which human beings take on divine attributes and prerogatives The author finds the most explicit forms of spiritual Titanism in the Jaina Samkhya and Yoga traditions where yogis claim powers and knowledge that in the West are only attributed to God These philosophies are also radically dualistic and liberation involves a complete transcendence of the body society and nature Five types of spiritual Titanism are identified and in addition to this typology a heuristic based on Nietzsche's three metamorphoses of camel lion and child is offered The book determines that answers to spiritual Titanism begin not only with the Hindu Goddess religion but also are found in Buddhism Confucianism and Daoism especially Zen Buddhism and Confucianism

**The Double Goddess** Vicki Noble, 2003-06-19 A study of the double goddess iconography prominent in Neolithic and Bronze Age cultures that expands our understanding of female sovereignty Celebrates this archetype of sacred female bonding and depicts a vast array of relationships women may form with themselves and each other to explore a sense of self and empowerment and to share power with each other

**Angels of Desire** Jay Johnston, 2016-04-08 The idea that the human body consists of subtle bodies psycho spiritual essences can be found in a variety of esoteric traditions This radical form of selfhood challenges the dualisms at the heart of Western discourse mind body divine human matter spirit reason emotion I other Angels of Desire explores the aesthetics and ethics of subtle bodies What emerges is an understanding of embodiment not exclusively tied to materiality The book examines the use of subtle bodies across a range of traditions yogic tantric theosophical hermetic and sufi Angels of Desire shows the relevance of the subtle body for religion philosophy art history and contemporary feminist religious studies and theories of desire

**Crazy Wisdom of the Yogini** Daniel Odier, 2021-06-29 Shares vivid experiential descriptions of the author's sessions with master Lalita Devi wherein she imparted the essential principles of the Mahamudra to him physically verbally and energetically Presents new translations of the most significant sacred books including the Shiva Sutras the Pratyabhijna Hrdayam Sutra and the Spandakarika each presented in language that preserves their spontaneous mystic flow Pairs the author's intellectual study of the sacred texts with direct transmissions from his teacher with each perspective shedding light on the other In 1975 in an isolated Himalayan forest Daniel Odier met Lalita Devi a tantric yogini who took him on a mystical journey beyond the limits of sexual experience to transcend the ego recognize the true self and rediscover the Divine nature of absolute love Now Odier shares the secret teachings and self realization practices of the Kashmiri Mahamudra meditation on the mind itself and the Pratyabhijna the School of Sudden Recognition The author offers vivid descriptions of his sessions with Lalita Devi wherein she imparted the essential principles of the Mahamudra and the yoga of emotions to him physically verbally and energetically Lalita Devi knew the principal texts of Kashmiri Shaivism by heart New translations of the most significant sacred books including the Shiva Sutras the Pratyabhijnahrdayam and the Spandakarika are provided by Odier along with chants and poems from the yogini tradition Presented in language that preserves their spontaneous mystic flow and restores their original ancient female origins Crazy Wisdom of the Yogini offers

a profound inside look at authentic tantric teachings      Buddhist Feminisms and Femininities Karma Lekshe Tsomo, 2019-01-01 Silver Medalist 2020 Independent Publisher Book Awards in the Religion Eastern Western Category This groundbreaking book explores Buddhist thought and culture from multiple Buddhist perspectives as sources for feminist reflection and social action Too often when writers apply terms such as woman femininity and feminism to Buddhist texts and contexts they begin with models of feminist thinking that foreground questions and concerns arising from Western experience This oversight has led to many facile assumptions denials and oversimplifications that ignore women s diverse social and historical contexts But now with the tools of feminist analysis that have developed in recent decades constructs of the feminine in Buddhist texts imagery and philosophy can be examined with the acknowledgment that there are limitations to applying these theoretical paradigms to other cultures Contributors to this volume offer a feminist analysis which integrates gender theory and Buddhist perspectives to Buddhist texts and women s narratives from Asia How do Buddhist concepts of self and no self intersect with concepts of gender identity especially for women How are the female body sexuality and femininity constructed and contested in diverse Buddhist contexts How might power and gender identity be perceived differently through a Buddhist lens By exploring feminist approaches and representations of the feminine including persistent questions about women s identities as householders and renunciants this book helps us to understand how Buddhist influences on attitudes toward women and how feminist thinking from other parts of the world can inform and enlarge contemporary discussions of feminism      **Renowned Goddess of Desire** Loriliai Biernacki, 2007-10-11 The role of women and ideas of gender are fundamental components of all religious traditions This book examines the representations of women within Tantra using a case study of a selection of Hindu Tantric texts from the 15th through 18th centuries in Northeast India      The Goddess in Hindu-Tantric Traditions Anway Mukhopadhyay, 2018-04-20 The Great Goddess in her various puranic and tantric forms is often figured as sitting on a corpse which is identified as Shiva as shava God Shiva the consort of the Devi and an iconic representation of the Absolute without attributes the Nirguna Brahman Hence most of the existing critical works and ethnographic studies on Shaktism and the tantras have focused on the theological and symbolic paraphernalia of the corpses which operate as the asanas seats of the Devi in her various iconographies This book explores the figurations of the Goddess as corpse in several Hindu puranic and Shakta tantric texts popular practices folk belief systems legends and various other cultural phenomena based on this motif It deals with a more intricate and fundamental issue than existing works on the subject how and why is the Devi herself figured as a corpse in the Shakta texts belief systems and folk practices associated with the tantras The issues which have been raised in this book include how does death become a complement to life within this religious epistemology How does one learn to live with death thereby lending new definitions and new epistemic and existential dimensions to life and death And what is the relation between death and gender within this kind of figuration of the Goddess as death and dead body Analysing multiple mythic narratives hymns and

scriptural texts where the Devi herself is said to take the form of the Shava the corpse as well as the Shakti who animates dead matter this book focuses not only on the concept of the theological equivalence of the Shava Shiva as corpse and the Shakti Energy in tantras but also on the status of the Divine Mother as the Great Bridge between the apparently irreconcilable opposites the mediatrix between Spirit and Matter death and life existence in stasis and existence in kinesis This book makes an important contribution to the fields of Hindu Studies Goddess Spirituality South Asian Religions Women and Religion India Studies in Shaktism and Tantra Cross cultural Religious Studies Gender Studies Postcolonial Spirituality and Ecofeminism *Gender, Identity, and Tibetan Buddhism* June Campbell, 2003-01-01 Gender Identity and Tibetan Buddhism is a cross cultural study which creates links between the symbolic representations of gender in the philosophy of Tibetan buddhism and contemporary thinking in relation to identity politics and intersubjectivity it traces some of the important cultural factors in the representations of gender in Tibet s archic images its monastic institutions and in the light of Tibetan Buddhism s popularity in the west June Campbell raises important questions concerning the potential uses and abuses of power authority and secrecy in the sexual practices of Tibetan Tantra now that its teachings are being disseminated throughout the world **The Way of the Beloved** Robert Arsdale, Diana Van Arsdale, 2016-11-18 The foundation of the Way of the Beloved is discovered in the heart of love itself where there lives and moves a will to exaltation of the other To truly love another is to will the spiritual ideal upon that beloved one When there is a mutual intention to exalt infusing the daily life of a man and woman they enter into the Way of the Beloved This handbook is an attempt to put into book form what authors Robert and Diana Van Arsdale have been teaching to small groups of couples since 1976 Their workshops offer an ageless set of protocols for the transformation of the love relationship between a woman and a man into a path of spiritual development Here they present an integrated body of progressive experiential exercises and meditations that were taught originally taught by Herman Rednick Simply stated The Way of the Beloved teaches a couple how to actualize the potential of their relationship through the intensification of love and compassion Designed for couples in search of spiritual and emotional exploration this guide offers methods intended to help them realize a vision of love fulfilled

**Awakening Shakti** Sally Kempton, 2013-02-01 How do you live a life of spiritual awakening as well as outer abundance inner freedom as well as deep intimacy How do you serve the world selflessly yet passionately celebrate your life The sages of Tantra have known for centuries that when you follow the path of Shakti the sacred feminine principle personified by the goddesses of yoga these gifts can manifest spontaneously Yet most of us women as well as men have yet to experience the full potential of our inner feminine energies When you know these powers for what they are they heighten your capacity to open spiritually love more deeply and fearlessly create with greater mastery and move through the world with skill and delight In Awakening Shakti you will learn how to recognize and invite Kali bringer of strength fierce love and untamed freedom Lakshmi who confers prosperity and beauty Saraswati for clarity of communication and intuition Radha who carries

the divine energy of spiritual longing Bhuvaneshvari who creates the space for sacred transformation Parvati to awaken creativity and the capacity to love With a wealth of meditations visualizations mantras teachings and beautifully told stories Awakening Shakti provides a practical guide for activating the currents of the divine feminine in every aspect of your life Sally Kempton's new book is a treasure that brings myth meditation and everyday revelation together in a way that will allow every woman to embody the divine feminine in her life Sally enlivens the full spectrum of the goddess from independent protector to lover to dynamic and powerful creatrix I highly recommend this soon to be classic Shiva Rea yogini Sally Kempton has given us a mythic manual for a new kind of feminism a feminism of the soul And this is a good thing because humanity needs feminine power now as both a healing tonic and a source of reinvention Elizabeth Lesser cofounder of the Omega Institute author of Broken Open How Difficult Times Can Help Us Grow [Traveller in Space](#) June Campbell, 2018-05-31 In this revised edition of June Campbell's ground breaking and ambitious work many of the key issues concerning gender identity and Tibetan Buddhism are now broadened and further clarified in order to create a better understanding of the historical importance of gender symbolisation in the very construction of religious belief and philosophy With its cross cultural stance the book concerns itself with the unusual task of creating links between the symbolic representations of gender in the philosophy of Tibetan Buddhism and contemporary western thinking in relation to identity politics and intersubjectivity A wide range of sources are drawn upon in order to build up arguments concerning the complexities of individual gender roles in Tibetan society alongside the symbolic spaces allocated to the male and female within its cultural forms including its sacred institutions its representations and in the enactment of ritual And in the light of Tibetan Buddhism's popularity in the west timely questions are raised concerning gender and the potential uses and abuses of power and secrecy in Tibetan Tantra which with its unique emphasis on guru devotion and sexual ritual is now being disseminated worldwide What is made clear in this new edition however is that Campbell's ultimate aim is to elucidate through the use of a psychoanalytical perspective something of the dynamic inter relationship between the inner lives of individuals their gender identities in society and the belief systems which they create in order to provide cohesion continuity and meaning whether it be in the east or the west *Receptacle of the Sacred* Jinah Kim, 2013-04-12 In considering medieval illustrated Buddhist manuscripts as sacred objects of cultic innovation Receptacle of the Sacred explores how and why the South Asian Buddhist book cult has survived for almost two millennia to the present A book manuscript should be understood as a form of sacred space a temple in microcosm not only imbued with divine presence but also layered with the memories of many generations of users Jinah Kim argues that illustrating a manuscript with Buddhist imagery not only empowered it as a three dimensional sacred object but also made it a suitable tool for the spiritual transformation of medieval Indian practitioners Through a detailed historical analysis of Sanskrit colophons on patronage production and use of illustrated manuscripts she suggests that while Buddhism's disappearance in eastern India was a slow and gradual process

the Buddhist book cult played an important role in sustaining its identity In addition by examining the physical traces left by later Nepalese users and the contemporary ritual use of the book in Nepal Kim shows how human agency was critical in perpetuating and intensifying the potency of a manuscript as a sacred object throughout time

### **Passionate Enlightenment Introduction**

In today's digital age, the availability of Passionate Enlightenment books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Passionate Enlightenment books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Passionate Enlightenment books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Passionate Enlightenment versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Passionate Enlightenment books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Passionate Enlightenment books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Passionate Enlightenment books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain

books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Passionate Enlightenment books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Passionate Enlightenment books and manuals for download and embark on your journey of knowledge?
