Passions Of Fatherhood:

The Passions of Fatherhood Samuel Osherson, 1995 In his superb successor to *Finding Our Fathers* psychologist Samuel Osherson explores the most challenging and rewarding relationship in a man's life Through revealing anecdotes and interviews with scores of fathers Osherson illuminates the joy and anger excitement and frustration and discovery and bewilderment that all fathers experience The Passions of Fatherhood Samuel D. Osherson, 1995 **Passions of Our**

Time Julia Kristeva, 2019-07-30 Julia Kristeva is a true polymath an intellectual of astonishingly wide range whose erudition and insight have been brought to bear on psychoanalysis literary criticism gender and sex and cultural critique *Passions of Our Time* showcases recent essays of Kristeva's that demonstrate the scope of her capacious intellect her gifts as a stylist and the profound contribution of her thought to the challenges of the present The collection begins with vivid recollection of celebrating as a child in Bulgaria Alphabet Day the holiday honoring the Cyrillic letters which proceeds outward into a contemplation of the writer as translator Kristeva considers literature with Barthes freedom through Rousseau Teresa of Avila and mystical experience Simone de Beauvoir's dream life and Antigone and the psychic life of women A group of essays drawing on her psychoanalytic work delve into Freud Lacan maternal eroticism and the continued importance of psychoanalysis today In a series of striking investigations she thinks through disability and normativity monotheism and secularization the need to believe and the desire to know Calling for the courage to renew and reinvent humanism she outlines the principles of a stance founded on the importance of respecting human life Finally Kristeva discusses French culture and diversity rethinking universalism and interrogating the potential for Islam and psychoanalysis to meet and pays homage to Beauvoir by rephrasing her dictum into the provocative One is born woman but I become one Hemingway's Passions Nancy W. Sindelar, 2024-11-05 A provocative and unique look at how the women Hemingway loved shaped this literary legend Ernest Hemingway's passion was writing and he was inspired by a lifetime of daring adventures and encouraged by the many women in his life He nurtured his creativity by purposely seeking dangerous situations to test his own levels of courage and to create literary heroes who displayed grace under pressure His masculine adventurous spirit appealed to women of all ages including four wives and a long list of legendary actresses and he frequently transformed the women in his life into memorable fictional characters In 1950 Hemingway told Marlene Dietrich that he truly loved only five women Who were these women and why did he love them Some of them may have included his wives Hadley Richardson Pauline Pfeiffer Martha Gellhorn and Mary Welsh but there were others too among them Agnes von Kurowsky Through quotations from his works and personal letters as well as more than sixty photographs many of which have not been previously published Hemingway scholar Nancy W Sindelar captures Hemingway's life and romantic adventures revealing his own feelings about his romantic relationships and the ways his experiences with women appear in his literary works Much has been written about Hemingway but to date no book has linked the women he loved to his written work The stories of

Hemingway's romantic relationships reveal not only the influence these women had on his writing but also his personal ambition, heartbreak, and literary triumphs and trials. Sindelar's provocative analyses of Hemingway's literature give fresh insight into the life of a legendary author, outdoorsman, adventurer, and lover. Includes 60 photographs many never previously published. Passion of Fathers Malinda M Hall, 2005-10-17 David Kristich, son-in-law of Louisa Daniel, discovers he owns a dilapidated warehouse courtesy of the will of his natural father with whom David had minimal contact. When checking out the warehouse, David, wife Emily, and Louisa discover human bones. Not only does the family find bones, they also find a park behind the warehouse which adds to the intrigue of the building. In addition to the problem of an empty building, David also inherits a group of preservationists who wish to keep the historic atmosphere of Pleasant Creek intact. A second group of money-hungry land developers wants to profit from the sale of the land. A third faction wants control of the building to keep the bones a secret. These groups pester many aspects of David's life, his office and business operations, and his activities with his family at swim meets, picnics, and investigating his new acquisition. Before David can dispose of his gift from his father, he must first solve the mystery of the building. Louisa and Emily use their resources to help solve a romantic legend surrounding the bones and the mystery of how those bones became a part of the building. Attention-grabbing details, smooth prose, and interesting personal sidelights. Library Journal for Social Graces Hall's whimsical second mystery serves up a filling dish. Publisher's Weekly for Nowhere is Somewhere. *Taming Passion for the Public Good* Mark E. Kann, 2013-04-01 Kann's latest tour de force explores the ambivalence during the founding of our nation about whether political freedom should augur sexual freedom. Tracing the roots of patriarchal sexual repression back to revolutionary America, Kann asks highly contemporary questions about the boundaries between public and private life, suggesting provocatively that political and sexual freedom should go hand in hand. Ben Agger, University of Texas at Arlington. The American Revolution was fought in the name of liberty. In popular imagination, the Revolution stands for the triumph of populism and the death of patriarchal elites. But this is not the case, argues Mark E. Kann. Rather, in the aftermath of the Revolution, America developed a society and system of laws that kept patriarchal authority alive and well, especially when it came to the sex lives of citizens. In *Taming Passion for the Public Good*, Kann contends that, despite the rhetoric of classical liberalism, the founding generation did not trust ordinary citizens with extensive liberty. Under the guise of paternalism, they were able simultaneously to retain social control while espousing liberal principles with the goal of ultimately molding the country into the new American ideal: a moral and orderly citizenry that voluntarily did what was best for the public good. Mark E. Kann, Professor Emeritus of Political Science and History, held the USC Associates Chair in Social Science at the University of Southern California. He is the author of *Republic of Men* (NYU Press, 1998) and *Punishment, Prisons, and Patriarchy* (NYU Press, 2005). Drive to Passion Ted Obomanu, 2011-11-08 The methods of attaining great heights are frequently discussed with many postulations propounded by pundits and individuals of phenomenal accomplishments, yet reaching the pinnacle of such heights remains

ever so elusive to the masses hence only a select few are able to make these extraordinary strides In Drive to Passion Ted Obomanu chronicles the lives of a few highly accomplished individuals Harland Sanders a perfectionist who was the founder of Kentucky Fried Chicken KFC Winston Churchill the vivacious and popular prime minister of Britain who led his country to victory during the Second World War Joseph Kennedy patriarch of the Kennedy clan business mogul and kingmaker Sidney Poitier acclaimed actor and the first African American movie star to receive an Oscar in a leading role Abraham Lincoln one of the greatest presidents of the United States responsible for the abolition of slavery Suze Orman financial guru and popular TV host who epitomizes passion Barack Obama the first African American president of the United States who accomplished this unprecedented feat despite its improbability Oprah Winfrey owner of a TV network one of the wealthiest and most powerful people in the world and was the host and producer of one of the most popular TV shows ever Obomanu does this to explore firsthand how these individuals were able to reach the summit of their vocations He also turns the chronicling of these great individuals lives into an intriguing narrative without compromising the lessons Obomanu makes significant findings in this book Passion more than anything else is responsible for success and greatness which is self evident in the lives of the great individuals he chronicles to attain distinction the quest for passion should always be centered around a niche passion is fueled by drive and a shift in focus from passion to the rewards of accomplishments such as wealth may potentially derail the attainment of success and greatness mentors play a huge role in the accomplishment of our goals At the conclusion of this great reading Obomanu delves into how spirituality and personal development can greatly enhance the quest for passion and how the pursuit of passion can trigger happiness and longevity He sums up by asserting that the aspiration of success and greatness should be driven by all the components of passion to ensure its sustainability and potential value to society

The Silence of God during the Passion Daniel Bourguet,2016-08-03 God s silence during the passion is certainly a silence towards man but in particular God was silent towards Christ in his perfect and complete humanity It is also the silence of the Father towards the Son At first sight this silence is troubling and perhaps shocking suggesting that God is in fact absent However the author invites us to go beyond this first impression and the silence turns out to be of tremendous richness overwhelming depth and surprising beauty We are invited to refocus our attention and discover what the Father is saying in a completely new way These pages sing with love for God and our meditation of the passion narratives draws us into deep contemplation of the One they celebrate the Crucified
