

a tradición de los relatos de viaje europeos, Patagonia se ha constituido como un conglomerado de tribuciones heterogéneas que la inventaron fuera. No solo la historia violenta de su territorio, sino también la construcción discursiva de un espacio y la asignación de sus nombres a cabo por parte de 'viajeros' que, desde una óptica foránea, crearon la utopía o distopía del 'mundo' donde la civilización supuestamente

existe, es desde finales de 1970 que comienza a ser una generación de escritores patagónicos que intenta emanciparse del discurso ajeno y exige el derecho de hablar en nombre propio de la zona, demandando, en un acto subversivo de 'discurso estratégico', el derecho de expresión 'periférica'.

La literatura escrita en y desde la Patagonia surge conscientemente híbrida, multiétnica, regional, muchas veces intermedial y todavía estudiada internacionalmente— que el prólogo se dedica. Con la participación de especialistas del tema provenientes de Argentina y Chile, el diálogo internacional sobre una literatura regional y un fenómeno tanto local como global se enmarca entre el espacio y la lengua, la geopolítica y el arte.

Patagonia literaria

Fundaciones, invenciones y emancipaciones de un espacio geopolítico y discursivo
