Path Notes Of An American Ninja Master:

Path Notes of an American Ninja Master Glenn J. Morris,1993-10-06 Using a lively style and the languages of transpersonal psychology meditation esoteric magic and kundalini Glenn Morris recounts his amazing adventures and hair raising close calls while training and then practicing as a master of martial arts Following in the tradition of the legendary Togakure Ryu of Japan whose fighting techniques and lore inspired the fascination of westerners with Ninja warriors he offers guidelines on how to tell sham from authenticity how to keep friends while developing power how to voyage safely into the inner landscape and how to deal with dark forces incarnate and disincarnate At the same time he provides exercises tests and adventures for the courageous as well as spiritual and ethical compass *Shadow Strategies of an American Ninja Master* Glenn J. Morris,1996-03-06 Glenn Morris examines the fabulous Togakure Ryu in ninth century Japan and moves to present day applications of the ancient skills the stealthy ninja must apply to living in the modern world Mr Morris fans will not be disappointed with the riches offered here secrets of balance and alignment seeing with the minds and eyes of gods and spirits energy applications of qi for healing warfare and sexual fulfillment the care and feeding of Bujin protective spirits and cross cultural comparisons of shamans saints and masters of Budo and Bugei Modern Ninjutsu: a Definitive Guide to the Tactics, Concepts, and Spirit of the Unconventional Combat Arts J. Alaric Justice,2016-07-12 Modern Ninjutsu A Definitive Guide to the Tactics Concepts Spirit of Unconventional Combat Arts is a path guide to realistic training and mind set development for combat situations wherever they may occur J Alaric Justice is a military combat veteran and former anti terrorist as well as a former law enforcement defensive tactics instructor and crisis negotiator Perhaps most important to this work he has survived many violent street encounters fights and attempted crimes in gang infested areas Speaking as someone who has been exposed to violence and opponent force in myriad forms he offers a unique view to practitioners of any system of how to handle crisis situations and maintain realism in their training for generations to come **Master Meditation, Master Your Life** Benjamin Langley,2010-09-24 The seed of the book you are holding was a series of articles on PeacefulProsperity com blog This series broke site records for traffic and still does almost a year later comments and social bookmarking People loved it and wanted other people to know about it This book is a powerful step in the process of personal development and spiritual growth Working through the wisdom within will gradually give you more and more of what you are looking for in the external world as well as deep satisfaction and happiness within If you sincerely study just 1 tip from this book you will walk away with a deeper understanding of meditation With regular practice you will be amazed at how fast you progress Whether you are looking for meditative tools for personal development or meditation for spiritual growth whether you are a beginner a veteran or anything in between you need to take a sincere look at this book

Dangerous Games Joseph P. Laycock,2015-02-12 The 1980s saw the peak of a moral panic over fantasy role playing games such as Dungeons and Dragons A coalition of moral entrepreneurs that included representatives from the Christian

Right the field of psychology and law enforcement claimed that these games were not only psychologically dangerous but an occult religion masquerading as a game *Dangerous Games* explores both the history and the sociological significance of this panic Fantasy role playing games do share several functions in common with religion However religion as a socially constructed world of shared meaning can also be compared to a fantasy role playing game In fact the claims of the moral entrepreneurs in which they presented themselves as heroes battling a dark conspiracy often resembled the very games of imagination they condemned as evil By attacking the imagination they preserved the taken for granted status of their own socially constructed reality Interpreted in this way the panic over fantasy role playing games yields new insights about how humans play and together construct and maintain meaningful worlds Laycock s clear and accessible writing ensures that *Dangerous Games* will be required reading for those with an interest in religion popular culture and social behavior both in the classroom and beyond

Vampires Today Joseph P. Laycock, 2009-05-14 This book about real vampires and the communities they have formed explores the modern world of vampirism in all its amazing variety Long before *Dracula* people were fascinated by vampires The interest has continued in more recent times with Anne Rice s *Lestat* novels *Buffy the Vampire Slayer* the HBO series *True Blood* and the immensely popular *Twilight* But vampires are not just the stuff of folklore and fiction Based upon extensive interviews with members of the Atlanta Vampire Alliance and others within vampire communities throughout the United States this fascinating book looks at the details of real vampire life and the many expressions of vampirism as it now exists In *Vampires Today* The Truth about Modern Vampirism Joseph Laycock argues that today s vampires are best understood as an identity group and that vampirism has caused a profound change in how individuals choose to define themselves As vampires come out of the coffin as followers of a religion or lifestyle or as people biologically distinct from other humans their confrontation with mainstream society will raise questions as it does here about how we define normal and what it means to be human
