Patristic Universalism An Alternative To The Traditional View Of Divine Judgment

Thomas Allin

Patristic Universalism An Alternative To The Traditional View Of Divine Judgment:

Patristic Universalism David Burnfield, 2013 From the earliest days of the church there have been three views on what happens to those who die without knowing Christ damnation annihilation and restoration Patristic Universalism presents scriptural philosophical and historical support for the restoration view and demonstrates why it was the model advocated by some of the earliest and greatest church fathers Anyone disillusioned with the traditional view that one must get it right in this life or spend eternity in hell will find Patristic Universalism an appealing alternative that remains true to Scripture One does not need to abandon the Bible as the inerrant and infallible word of God to discover that there might be more to the salvation equation than we've been led to believe **The Devil's Redemption : 2 Volumes** Michael J.

McClymond, 2018-06-05 2018 Book Award Winner The Gospel Coalition Academic Theology A Choice Outstanding Academic Title for 2019 Will all evil finally turn to good or does some evil remain stubbornly opposed to God and God's goodness Will even the devil be redeemed Addressing a theological issue of perennial interest this comprehensive book in two volumes surveys the history of Christian universalism from the second to the twenty first century and offers an interpretation of how and why universalist belief arose The author explores what the church has taught about universal salvation and hell and critiques universalism from a biblical philosophical and theological standpoint He shows that the effort to extend grace to everyone undermines the principle of grace for anyone **The Calvinist Universalist** Stephen Campana, 2014-02-05 From eternity past God intended that the most vivid and profound demonstration of his glory would come in the form of His work of salvation on the cross of Christ God then made man to punish him He made him perfect and thus unlikely to ever need punishing or for that matter a Savior By a happy coincidence and against all the odds this perfect man sinned thus allowing God to fulfill His purposes for both the man and Christ When he sinned God who is suddenly confronted with the prospect of being able to fulfill all of His original plans becomes furious What you have just read is not a joke I wish that it were Rather I have simply enumerated the points that comprise the Calvinist theological system or as I call it the Happy Coincidence model of sin and salvation It reflects what can only be described as an Alice in Wonderland reality in which the only sense is nonsense and logic is the enemy This book will seek to explore some of its many logical inconsistencies and in the process propose a perfectly viable and biblical alternative **Sinners in the Presence of a Loving God** R. Zachary

Manis, 2019-06-03 Why would a perfectly good and loving God consign anyone to eternal suffering in hell In Sinners in the Presence of a Loving God R Zachary Manis examines in detail the various facets of the problem of hell considers the reasons why the usual responses to the problem are unsatisfying and suggests how an adequate solution to the problem can be constructed Historically there are four standard explanations of the nature and purpose of hell traditionalism annihilationism the choice model and universalism In Manis's assessment all are deficient in some crucial respect The alternative view that he develops and defends the divine presence model stands within the tradition that understands hell to be a state of eternal

conscious suffering but Manis contends avoids the worst problems of its competitors The key idea is that the suffering of hell is not the result of a divine act that aims to inflict it but rather is the way in which a sinful creature necessarily experiences the unmitigated presence of a holy God Heaven and hell are not two places to which the saved and damned are consigned respectively but rather are two radically different ways in which different persons will experience the same reality of God's omnipresence once the barrier of divine hiddenness is finally removed Election, Barth, and the French Connection, 2nd Edition Pierre Maury, 2019-11-11 Karl Barth's famous account of the doctrine of election in his mammoth Dogmatics has been described as the heart of his theology a great hymn to the grace of God in Christ Discover the person who initially stimulated Barth's mammoth reworking of the classical view of the doctrine pastor theologian Pierre Maury 1890 1956 Their close friendship and especially a seminal paper Maury gave in 1936 entitled Election and Faith helped stimulate Barth's reflection Discover some never before translated works of Maury as well as a revision of a previously published piece on predestination In this revised and expanded second edition seven theologians reflect on the significance of these works for us today from historical textual pastoral and theological standpoints and seek to draw conclusions for us in our contemporary setting

The Universal Christ Richard Rohr, 2019-03-05 NEW YORK TIMES BESTSELLER From one of the world's most influential spiritual thinkers a long awaited book exploring what it means that Jesus was called Christ and how this forgotten truth can restore hope and meaning to our lives Anyone who strives to put their faith into action will find encouragement and inspiration in the pages of this book Melinda Gates In his decades as a globally recognized teacher Richard Rohr has helped millions realize what is at stake in matters of faith and spirituality Yet Rohr has never written on the most perennially talked about topic in Christianity Jesus Most know who Jesus was but who was Christ Is the word simply Jesus's last name Too often Rohr writes our understandings have been limited by culture religious debate and the human tendency to put ourselves at the center Drawing on scripture history and spiritual practice Rohr articulates a transformative view of Jesus Christ as a portrait of God's constant unfolding work in the world God loves things by becoming them he writes and Jesus's life was meant to declare that humanity has never been separate from God except by its own negative choice When we recover this fundamental truth faith becomes less about proving Jesus was God and more about learning to recognize the Creator's presence all around us and in everyone we meet Thought provoking practical and full of deep hope and vision *The Universal Christ* is a landmark book from one of our most beloved spiritual writers and an invitation to contemplate how God liberates and loves all that is **The Gift of God Is Eternal Life** Steven H. Propp, 2016-12-28 According to Christian doctrine what happens to those who have died While traditionally it has been said that one group of people spends eternity in heavenly happiness while another group experiences conscious unending torment in hell there are other Christians who believe in alternatives that hell is simply a separation from God that the lost are simply annihilated and not subject to torment or that actually in the end all will be reconciled to God and live in heavenly glory *The Gift of God Is Eternal Life* explores a five

century journey that traces the development and dispersal of the doctrines of universalism and conditional immortality in a compelling narrative collection of short stories Beginning from when these doctrines were merely whispered about or published anonymously to the days when traveling evangelists preached them in the new and growing American republic these engaging vignettes show how this once intense debate between Christians has evolved into modern times where such ideas can be freely discussed even in mainstream television and evangelism Do infants who die prior to an age of accountability receive salvation and are those who have never heard the Christian message simply doomed What about loved ones who die without having embraced the Christian gospel or those who believe in less traditional Christian dogmas and institutions The Gift of God Is Eternal Life can help both believers and nonbelievers understand the implications of these theological perspectives not just in an afterlife but in their own lives here and now

A Traveler's Guide to the Afterlife Mark Mirabello, 2016-09-15 A grand survey of the world's death and afterlife traditions throughout history Examines beliefs from many different cultures on the soul heaven hell and reincarnation instructions for accessing the different worlds of the afterlife how one may become a god and how ethics and the afterlife may not be connected Explores techniques to communicate with the dead including s'ance instructions Includes an extensive bibliography of more than 900 sources from around the world Drawing on death and afterlife traditions from cultures around the world Mark Mirabello explores the many forms of existence beyond death and each tradition's instructions to access the afterlife He examines beliefs on the soul heaven hell and reincarnation and wisdom from Books of the Dead such as the Book of Going Forth by Day from Egypt the Katha Upanishad from India the Bardo Thodol from Tibet the Golden Orphic Tablets from Greece Lieh Tzu from China and Heaven and its Wonders and Hell from Things Heard and Seen from 18th century Europe Considering the question What is Death Mirabello provides answers from a wide range of ancient and modern thinkers including scientist Nicholas Maxwell the seer Emanuel Swedenborg 1st century Buddhist philosopher Nagarjuna and Greek philosopher Euripides who opined that we may already be dead and only dreaming we are alive He explores the trek of the soul through life and death with firsthand accounts of the death journey and notes that what is perceived as death here may actually be life somewhere else He reveals how in many traditions ethics and the afterlife are not connected and how an afterlife is possible even without a god or a soul Sharing evidence that consciousness is not simply a product of the brain he offers a strong rebuttal to nihilists materialists and the Lokayata philosophical school of India who believe in the finality of death He explains how specters and ghosts are produced and offers techniques to communicate with the dead as well as instructions for an out of body experience and the complete procedure for a s'ance With an extensive bibliography of more than 900 sources this guide offers comprehensive information on afterlife beliefs from the vast majority of cultures around the world and throughout history a veritable traveler's guide to the afterlife

El Cristo universal Richard Rohr, 2021-02-16 Edici'n 2021 con traducci'n revisada Prefacio de Brian McLaren y nuevo Ep'logo del autor BESTSELLER DEL NEW YORK TIMES DE UNO DE

LOS PENSADORES ESPIRITUALES MÁS INFLUYENTES DEL MUNDO UN LIBRO LARGAMENTE ESPERADO QUE EXPLORA LO QUE SIGNIFICA QUE JESÚS HAYA SIDO LLAMADO CRISTO Y COMO ESTA VERDAD OLVIDADA PUEDE RESTAURAR LA ESPERANZA Y EL SENTIDO DE NUESTRAS VIDAS En sus ya décadas como profesor reconocido mundialmente Richard Rohr ha ayudado a millones de personas a darse cuenta de lo que está en juego en materia de fe y espiritualidad Aunque Rohr nunca ha escrito sobre el tema más perenne en el Cristianismo Jesús La mayoría sabe quien fue Jesús pero quien fue Cristo Es esta palabra simplemente el apellido de Jesús Con demasiada frecuencia escribe Rohr nuestras comprensiones han sido limitadas por la cultura los debates religiosos y la tendencia humana a ponernos a nosotros mismos en el centro Recurriendo a las escrituras la historia y a la práctica espiritual Rohr articula una visión transformadora de Jesucristo como un retrato de la obra constante y en desarrollo de Dios en el mundo Dios ama a las cosas convirtiéndose en ellas escribe y la vida de Jesús fue destinada a declarar que la humanidad nunca estuvo separada de Dios excepto por su propia elección negativa Cuando recuperamos esta verdad fundamental la fe se vuelve menos acerca de probar que Jesús fue Dios y más acerca de aprender a reconocer que la presencia del Creador está a nuestro alrededor y en todos los que conocemos **Alles trägt den einen Namen** Richard Rohr, 2019-11-25 Was wäre wenn der Name Christus die transzendente Wirklichkeit in allen Dingen bezeichnete Wenn dieser Name den Horizont benennt in dem wir sind und auf den wir uns zubewegen Wenn er eine Erkenntnis zum Ausdruck bringt in dem alle Dualismen Bewertungen und Unterscheidungen überwunden sind und der Mensch zur Einheit mit sich selbst mit anderen und mit der Schöpfung findet Was wäre wenn der Name Christus eine lebensverwandelnde Wahrheit für alle Menschen ob religiös oder nicht benennt In diesem Buch erschließt Richard Rohr auf eine völlig neue Weise was es heißt von Jesus als dem Christus zu sprechen In der Geschichte des Christentums und der Welt im Gespräch mit Psychologen und spirituellen Lehrern vieler Traditionen und vor allem in der Bibel entdeckt der berühmte spirituelle Lehrer die Gründe die ihn zu einem neuen Verständnis der Bedeutung des Jesus von Nazareth führen Ein Buch das das Christentum in einer nachchristlichen Welt neu begründet als eine Religion für alle die sich nach einer besseren Welt sehnen und danach handeln wollen **Religious and Theological Abstracts**, 2001 **Primitive universalism. Universalism asserted** Universalism, 1888 The Evangelical Universalist Gregory MacDonald, 2012-11-15 Can an orthodox Christian committed to the historic faith of the Church and the authority of the Bible be a universalist Is it possible to believe that salvation is found only by grace through faith in Christ and yet to maintain that in the end all people will be saved Can one believe passionately in mission if one does not think that anyone will be lost forever Could universalism be consistent with the teachings of the Bible This book argues that the answer is yes to all of these questions Weaving together philosophical theological and biblical considerations the author shows that being a universalist is consistent with the central teachings of the Bible and of historic Christian theology **Universalism Asserted** Thomas Allin, 1905 **Varieties of Christian Universalism** David W. Congdon, 2023-11-07 Christian universalism has become a subject of fierce debate in

recent years Numerous works have been published on the topic and it can be difficult for readers to recognize the breadth of possible approaches While universal salvation is often boiled down to and dismissed as a single idea that God saves all people this oversimplification masks the variety of theologies that reach this conclusion in ways that are not always compatible Christian universalism is actually an umbrella of different theological interpretations of the idea that all people will be saved In this book leading experts on universal salvation David W Congdon Tom Greggs Morwenna Ludlow and Robin A Parry provide a concise guide to four distinct approaches patristic evangelical post Barthian and existential The contributors who have each written extensively on Christian universalism highlight distinct approaches that emphasize different theological values The book will be useful as a textbook for students of theology especially those training for ministry and as a resource for anyone seeking a more well rounded understanding of Christian universalism

"All Shall Be Well" Gregory MacDonald, Robin A. Parry, 2011-01-01 All shall be well and all shall be well and all manner of thing shall be well Lady Julian of Norwich Universalism runs like a slender thread through the history of Christian theology It has always been a minority report and has often been regarded as heresy but it has proven to be a surprisingly resilient idea Over the centuries Christian universalism in one form or another has been reinvented time and time again In this book an international team of scholars explore the diverse universalisms of Christian thinkers from the Origen to Moltmann In the introduction Gregory MacDonald argues that theologies of universal salvation occupy a space between heresy and dogma Therefore disagreements about whether all will be saved should not be thought of as debates between the orthodox and heretics but rather as in house debates between Christians The studies that follow aim in the first instance to hear understand and explain the eschatological claims of a range of Christians from the third to the twenty first centuries They also offer some constructive critical engagement with those claims Origen Tom Greggs Gregory of Nyssa Steve Harmon Julian of Norwich Robert Sweetman The Cambridge Platonists Louise Hickman James Rely Wayne K Clymer Elhanan Winchester Robin Parry Friedrich Schleiermacher Murray Rae Thomas Erskine Don Horrocks George MacDonald Thomas Talbott P T Forsyth Jason Goroncy Sergius Bulgakov Paul Gavrilyuk Karl Barth Oliver Crisp Jaques Ellul Andrew Goddard J A T Robinson Trevor Hart Hans Urs von Balthasar Edward T Oakes SJ John Hick Lindsay Hall Jrgen Moltmann Nik Ansell

Universalism asserted, on the authority of reason, the fathers, and holy Scripture Thomas Allin (D.D.), 1888

The Universal Solution George Hurd, 2017-04-18 In the Universal Solution the author presents Biblical Universalism as the missing link in the four century old impasse between Calvinists and Arminians The author challenges the Scriptural validity of the presuppositions upon which both opposing sides are based and demonstrates how the overall teaching of Scripture harmonizes with Universal Restorationism in a way which is not possible with the traditional Augustinian dogma built upon the belief in eternal torments for the majority Each of the five points of Calvinism are examined from the perspective of a Universalist who is also a conservative Christian and fully believes in the inspiration and authority of the Scriptures and considers them to be his sole

infallible authority of matters of faith and practice The purpose of this book is to present Biblical Universalism as a viable and scripturally sound alternative to Calvinism and Arminianism For a more in depth presentation of Biblical Universalism the author recommends his book The Triumph of Mercy *Universalism Asserted on the Authority of Reason* Thomas Allin, 1895

Universalism Asserted Thomas Allin, 1888
