Malherbe,2013-10-10 Rather than viewing the Graeco Roman world as the background against which early Christian texts should be read Abraham J Malherbe saw the ancient Mediterranean world as a rich ecology of diverse intellectual traditions that interacted within specific social contexts These essays spanning over fifty years illustrate Malherbe's appreciation of the complexities of this ecology and what is required to explore philological and conceptual connections between early Christian writers especially Paul and Athenagoras and their literary counterparts who participated in the religious and philosophical discourse of the wider culture Malherbe's essays laid the groundwork for his magisterial commentary on the Thessalonian correspondence and launched the contemporary study of Hellenistic moral philosophy and early Christianity 'And So We Came to Rome' Paul W. Walaskay,2005-10-06 This book raises questions about Luke's apology and refutes the traditional view that he was writing an apologia pro ecclesia

Paul Among Jews Wenxi Zhang, 2011-10-17 This book challenges a popular and influential thesis in Lukan scholarship presented by the Tübingen School Paul is a rival of Peter and Paul is an anti Jewish apostle Consequently he is solely an apostle to Gentiles in Acts Through a narrative critical method Wenxi Zhang studies Paul's inaugural speech in Antioch of Pisidia and its literary function in relation to Paul's missionary activity among Jews in Acts He concludes 1 that this inaugural sermon functions as an interpretative key to understand the narrative of Paul's missionary activity among his fellow Jews and 2 that Paul is not anti Jewish He remains a faithful Jew who proclaims to his fellow Jews the fulfillment of God's promise to David in Jesus resurrection Consequently Acts is not anti Jewish document

The Trial of the Gospel Alexandru Neagoe, 2002-05-16 For many years Luke Acts has been studied as a work of history and theology The Trial of the Gospel sets out to examine Luke's writings as an apologetic work by focusing on those parts of Luke's story where the apologetic overtones seem most prominent the trial narratives By analysing the trials of all major Lukan characters Jesus Peter Stephen and Paul Alexandru Neagoe argues that the narratives are best understood

when viewed as part of Luke's *apologia pro evangelio* a purpose which is in keeping with the author's declared aim to give his readers assurance about the matters in which they had been instructed Luke 1:4 Neagoe concludes that the specific role of the trial narratives is to provide the framework within which important tenets of the Christian faith are themselves put on trial before the reader with the intended result of the gospel's confirmation

Cultural Contextualization of Apologetics

Matt W. Lee, 2022-03-03 In the post-Christian world we find sincere efforts in traditional Christian apologetics repeatedly running into invisible walls These blocks happen when cultural issues are neglected With mere rational arguments presented as a defense of Christianity logical answers alone are not attracting the nonbelievers nor resolving their skepticism People today have different obstacles in coming to the Christian faith particularly their own cultural presuppositions How do we present defend and commend Christianity to people whose culture gives them a frame of mind the one that cares very little about how rational the arguments are Cultural Contextualization of Apologetics explores the world of the New Testament and the ministry of the apostle Paul to excavate a fresh model for apologetics with cultural engagement to present an answer Matt W Lee analyzes the dynamics involved in Paul's cultural connection with his audience and how it relates to their receptivity uncovering a scheme of apologetics engagement patterned in his apologetics speeches From the background of Paul's world to the forefront of contemporary apologetics preaching Cultural Contextualization of Apologetics offers a vision of apologetics communication that is both biblical and practical

Christian Mission Stanley E. Porter, Cynthia Long Westfall, 2010-09-01 How did a first generation Jewish messianic movement develop the momentum to

become a dominant religious force in the Western world The essays here first investigate the roots of God's mission and the mission of his people in the Old Testament and Second Temple Judaism specifically in the Psalms Isaiah and Daniel The contributions then discuss the mission of Jesus and how it continued into the mission of the Twelve other Jewish believers in the Gospels General Epistles and Revelation and finally into Paul's ministry to the Gentiles documented in the book of Acts and his epistles These essays reach backward into the background of what was to become the Christian mission and forward through the New Testament to the continuing Christian mission and missions today
