**The Daddy Gap** Matt Haviland, Dawn Walker, 2014-11-07 Upon hearing the news that his father has gone to jail a six year old boy poses the question of this generation Whos going to take my Dads place The Daddy Gap takes an uncensored look at the distress so many fatherless families are in and provides desperately needed answers about how God responds to this question and how the Church should as well Dawn Walker and Matt Haviland build a compelling case that not only are single parent families the widows and orphans of this generation but that it is the Church not the government that should be responsible to care for them Drawing from their own journeys as single parents Dawn and Matt give heartfelt encouragement to these often marginalized families by sharing how God really sees them loves them and wants to heal and restore them Full of rich insights and lavish grace they also offer some hard truths about what redemption and restoration really require Most importantly they clear a path to help all wounded sons and daughters discover the Father theyve always wanted and who has always wanted them

**Man Maker Project** Chris Bruno, 2017-02-23 Father is a verb and fathering is the highest calling of God on men Man Maker Project is a guide for fathers to intentionally usher their sons into godly manhood Now more than ever the reality of unfinished men confronts us at every turn Without intentional fathering a boy s core question Am I a man forever echoes in his soul Every boy needs to hear his father s clear yes in response While many fathers know they should do something for their maturing sons they have little idea how to create such an initiatory process Man Maker Project offers a practical roadmap that equips fathers to create a unique modern day masculine initiation experience for their sons Rather than a single event or ceremony fathers can guide their boys through a yearlong process with the support of a cadre of hand selected men This book also challenges fathers to investigate their own stories as God s mutually redemptive design is for us to be fathered ourselves as we father our sons Through this modern day rites of passage process fathers fulfill their calling sons find their footing and society receives solid men ready to strongly and kindly restore the world

Walls,2007-12-03 Eschatology is the study of the last things death judgment the afterlife and the end of the world Through

centuries of Christian thought from the early Church fathers through the Middle Ages and the Reformation these issues were of the utmost importance. In other religions too eschatological concerns were central. After the Enlightenment though many religious thinkers began to downplay the importance of eschatology which in light of rationalism came to be seen as something of an embarrassment. The twentieth century however saw the rise of phenomena that placed eschatology back at the forefront of religious thought. From the rapid expansion of fundamentalist forms of Christianity to the recent and very public debates about suicide martyrdom and paradise in Islam interest in eschatology is once again on the rise. The Oxford Handbook of Eschatology will provide an important critical survey of this diverse body of thought and practice from a variety of perspectives.
