Cracking the Past Life Regression Code! Krishna Mohan Avancha, 2019-03-04 Past life regression therapy is built upon the idea that we're eternal beings that move from one life to another in different place and time As perpetual spirits we come across bodily existence on Earth in a series of persona and physical bodies On a spiritual level we choose every lifetime as a way to learn the lessons we've to head off for ourselves Exploring our life in the past through a therapy for apparently inexplicable physical or mental issues is known as Past Life Regression Therapy It works together with beliefs of reincarnation and takes us back in earlier life to get a better understanding of our life we live in the present and how we could end this cycle and look towards eternal rest of the soul In this book we will tell you everything you need to know about Past Life Regression and how you can even perform it on yourself without hypnosis and with the help of a capable tarot card reader Also in this book you will find ways to determine and find the right tarot card reader for this cause *Past Lives* Davina Desilver, 2013-11 Past Lives Incredible Past Life Experiences Intrigued by the existence of past lives and past life regression Fascinated by reincarnation and how it affects your life today This is an insightful and sensitive account of what it's like to experience past life regression the experience itself and the resulting learning that comes from that experience These reincarnation stories are intimate and personal recollections It's engaging and exhilarating you won't want to stop reading I trained in Past Life Regression Therapy several years ago and have been asked many times to write down some of my own past life stories I have been shocked elated stunned and at times frozen with fear These are my experiences never

anyone famous just real experiences of past lives usually with some pertinent reminder or similarity with events in my current life With DeSilver s usual style to the point and easy to read the reader can certainly identify with her personal and truthful account and her natural sense of humour shines throughout Her unique manner of combining the therapeutic viewpoint as well as that of the client is addictive A must read for anyone interested in the existence of past life regression and reincarnation My experiences of the existence of past lives has never been purely for entertainment purposes I have loved being able to touch my spirit and that of others Within all of us lies the potential to access ancient memories times long past I do believe that the body holds onto such memories even if we don t consciously know how There is an intelligence in every single cell of your body The mind is not the brain it includes the brain but it is not limited to it The brain is the physical organ the mind is less tangible It expands further than we think and communicates in ways I believe we have yet to master or fully understand There may be things in this life that just don t make sense to you a recurring thought or dream that seems to bare no relevance to your current life Sometimes specific aches pains and physical imbalances may not be confined to an event in this current lifetime you are experiencing If that is the case for you you will know it in your heart and in your gut as you read these words Using the sensations and feeling ability of the body is one of the ways we access these deeply held memories thoughts and beliefs It s as if they are frozen in time crystallised if you like especially if they are associated with strong emotions and events of the time

Brian L. Weiss,1993-09 Discovering the power of regression therapy to erase trauma and transform mind body and relationships Cover subtitle Past Life Regression And Reincarnation Prajna Narandani,2021 Between the two concepts of past life regression and reincarnation most people are probably more familiar with the latter However what few realize is that these two concepts are essentially linked with each other Reincarnation has to do with the rebirth of a soul If you believe

that you will be reincarnated then death is nothing to be afraid of After all if reincarnation exists for you it only means that life is but one cycle after another and death is just a transition from a previous life to the next Get all the info you need here
