Jesus and the Three Messiahs W. A. Wildbore,2004 Jesus the poor carpenter of orthodox Christianity is quite different to the Jesus of scripture There are no poor carpenters in scripture They are the elite of intellectual society Jesus was descended from the three royal families but each family was to produce its own messiah The big secret of the New Testament rests in a single word Samaritan PREVIEW JESUS AND THE THREE MESSIAHS One of the most enduring stories and the subject of many books is the quest for the Holy Grail shared by France and England Despite the efforts of modern best seller authors the central characters in the stories origin have not been fully understood The origins of the legend begin with the Jesus family fleeing from the middle east The central characters are Joseph of Arimathea Mary Magdalene and The resurrected Lazarus her brother Mary Magdalene is the primary figure at the French end in the Knights Templar stories In the English story of Arthur and the Knights of the round table all of them are Israelites The grail is not a cup but a hidden lost royal bloodline This book starts from the identification of these lines as The House of Aaron The royal High priesthood The Royal House of Joseph and the royal House of David Each of these royal families was to produce a redeeming messiah Two of them have come the third is yet to come In order to understand the story requires starting right at the beginning of the old testament where these royal lines began to then understand what the new testament is saying about them Then and only then can it be understood why Mary Magdalene of the royal House of Aaron So she is a High priestess anoints her close relative Jesus as High priest to fulfill the messianic prophecy of Psalm 110 It is absolutely essential to understand WHY Jesus resurrected Lazarus how he loved him says the story and took four days to travel just a few miles in order to do it Also to absorb the real import of turning the water into wine at Cana What is the real significance of the Christmas story THE STAR STOOD OVER WHERE THE CHILD LAY JESUS AND THE THREE MESSIAHS reveals all

Pearson,2021-10-01 Corresponding Sense represents a turning point in the application of hermeneutics to New Testament texts Following the example of Hans Georg Gadamer's philosophical hermeneutics Pearson treats several different problems in New Testament interpretation centred around the figure of Paul In so doing he demonstrates how a dialogical approach to the interpretation of ancient texts functions pragmatically to allow for a deeper understanding not only of individual texts but also of their siting with the larger dialectical web of the texts and contexts of the ancient world This approach developed here in connection with the New Testament also has relevance to other literature In Corresponding Sense Pearson outlines what he calls a dialectical topography the tracing of connections and disjunctions between texts and their subject matter both within and outside of the New Testament He uses both theoretical and practical discussion to demonstrate this approach showing how it functions as a new way of approaching a Paul who is a member of a much larger community than simply the Judaism of his fathers a Paul who participates in cultural narratives which extend throughout not only earliest Christianity but also into the wider thought world of the Roman Empire Built on a Rock Karen Wingate,2013-04 Easily use 5 Minute Bible Activities any time Whether before during or after your Bible lesson Engage kids with quick and easy to use Sunday School activities accompanied by valuable reproducible lessons to strengthen their relationship with God Features over 40 quick prep Bible lessons activities and unique crafts perfect for ages 5-10 Fully reproducible 96 pages Enjoy having over dozens of Bible activities on the awesome power of faith at your fingertips Packed with great Bible crafts and Sunday School activities this full reproducible Bible activity book has everything you need to engage your students in meaningful ways that will strengthen their faith in God and each Bible activity takes less than 5 minutes Each Bible craft and activity includes a Bible lesson step by step instructions and reproducible patterns Use for Kids Sunday school VBS homeschool or anytime you want to make a valuable impression on your kids Get all 7 books in this incredible series Have a blast exploring stories of the New Testament with fun Sunday school games crafts and activities 5 Minute Sunday School Activities Built On a Rock will excite your students about Jesus how God built the early Christian Church and His awesome plan for salvation Includes memory verses and interactive crafts to illustrate important Bible lessons and help students apply these values to their everyday lives Each Bible Activity Includes WHAT YOU NEED A material list of everyday supplies BEFORE CLASS Helpful ideas for pre craft preparation WHAT TO DO A step by step guide to complete the Bible craft WHAT TO SAY Teaching and talking points to help kids relate
