How Architecture Works Witold Rybczynski,2013-10-08 Explores fundamental questions about how good and not so
good buildings are designed and constructed Introducing the reader to the rich and varied world of modern architecture the
author takes us behind the scenes revealing how architects as different as Frank Gehry Renzo Piano and Robert A M Stern
envision and create their designs Dust jacket flap Current contents Arts and Humanities ,2002 *Illinois School*
Directory ,1924 **Drawing Imagining Building** Paul Emmons,2019-04-01 Drawing Imagining Building focuses on the
history of hand drawing practices to capture some of the most crucial and overlooked parts of the process Using 80 black and
white images to illustrate the examples it examines architectural drawing practices to elucidate the ways drawing advances
the architect s imagination Emmons considers drawing practices in the Renaissance and up to the first half of the twentieth
century Combining systematic analysis across time with historical explication presents the development of hand drawing
while also grounding early modern practices in their historical milieu Each of the illustrated chapters considers formative
aspects of architectural drawing practice such as upright elevations flowing lines and occult lines and drawing scales to
identify their roots in an embodied approach to show how hand drawing contributes to the architect s productive imagination
By documenting some of the ways of thinking through practices of architectural handdrawing it describes how practices can
enrich the ethical imagination of the architect This book would be beneficial for academics practitioners and students of
architecture particularly those who are interested in the history and significance of hand drawing and technical drawing
