**My Favourite Dictators** Chris Mikul,2020-07-21 I m personally against seeing my pictures and statues in the streets but it s what the people want Saparmurat Niyazov dictator of Turkmenistan Dictators may be among the worst people in history but that doesn t mean we shouldn t laugh at them In My Favourite Dictators Chris Mikul tells the stories of eleven of the twentieth century s most colourful and reviled human beings including Benito Mussolini Mao Zedong Muammar Gaddafi Idi Amin Saddam Hussein and Kim Jong il In each case he examines the political backgrounds to their rise to power and eventual downfall but the focus here is on the personalities peculiarities and private lives of these very strange men You ll be amazed and appalled by their effortless cruelties voracious sexual appetites absurd personality cults ostentatious uniforms promotion of dreadful art and pretensions to being great writers not to mention their terrible taste in interior decoration

**Dictators** Frank Dikötter,2020-07-09 A New Statesman Financial Times and Economist Book of the Year Brilliant NEW STATESMAN BOOKS OF THE YEAR Enlightening and a good read SPECTATOR Moving and perceptive NEW STATESMAN Mussolini Hitler Stalin Mao Zedong Kim Il sung Ceausescu Mengistu of Ethiopia and Duvalier of Haiti No dictator can rule through fear and violence alone Naked power can be grabbed and held temporarily but it never suffices in the long term A tyrant who can compel his own people to acclaim him will last longer The paradox of the modern dictator is that he must create the illusion of popular support Throughout the twentieth century hundreds of millions of people were condemned to enthusiasm obliged to hail their leaders even as they were herded down the road to serfdom In Dictators Frank Dikötter returns to eight of the most chillingly effective personality cults of the twentieth century From carefully choreographed parades to the deliberate cultivation of a shroud of mystery through iron censorship these dictators ceaselessly worked on their own image and encouraged the population at large to glorify them At a time when democracy is in retreat are we seeing a revival of the same techniques among some of today s world leaders This timely study told with great narrative verve examines how a cult takes hold grows and sustains itself It places the cult of personality where it belongs at the very heart of tyranny

*Talk to Me* Rich Benjamin,2025-02-11 A piercingly powerful memoir a grandson s account of the coup that ended his grandfather s presidency of Haiti the secrecy that shrouded that wound within his family and his urgent efforts to know his mother despite the past A brilliant absorbing book I couldn t stop reading Salman Rushdie author of Knife Rich Benjamin s mother Danielle Fignol grew up the eldest in a large family living a comfortable life in Port au Prince Her mother was a schoolteacher her father a populist hero a labor leader and politician The first true champion of the black masses he eventually became the country s president in 1957 But two weeks after his inauguration that life was shattered Soldiers took Danielle s parents at gunpoint and put them on a plane to New York a coup hatched by the Eisenhower administration Danielle and her siblings were kidnapped and ultimately smuggled out of the country Growing up

Rich knew little of this No one in his family spoke of it He didn't know why his mother struggled with emotional connection why she was so erratic so quick to anger And she in turn knew so little about him about the emotional pain he moved through as a child the physical agony from his blood disease while coming to terms with his sexuality at the dawn of the AIDS crisis For all that they could talk about books learning world events the deepest parts of themselves remained a mystery to one another a silence that the older Rich got the less he could bear It would take Rich years to piece together the turmoil that carried forward from his grandfather to his mother to him and then to bring that story to light In *Talk to Me* he doesn't just paint the portrait of his family but a bold pugnacious portrait of America of the human cost of the country's hostilities abroad the experience of migrants on these shores and how the indelible ties of family endure through triumph and loss from generation to generation

**Red Heat** Alex von Tunzelmann, 2011-03-29 The Caribbean crises of the Cold War are revealed as never before in this riveting story of clashing ideologies the rise of the politics of fear the machinations of superpowers and the brazen daring of the mavericks who took them on During the presidencies of Eisenhower Kennedy and Johnson the Caribbean was in crisis The men responsible included from Cuba the charismatic Fidel Castro and his mysterious brother Raul from Argentina the ideologue Che Guevara from the Dominican Republic the capricious psychopath Rafael Trujillo and from Haiti Francois Papa Doc Duvalier a buttoned down doctor with interests in Vodou embezzlement and torture Alex von Tunzelmann's brilliant narrative follows these five rivals and accomplices from the beginning of the Cold War to its end each with a separate vision for his tropical paradise and each in search of power and adventure as the United States and the USSR acted out the world's tensions in their island nations The superpowers thought they could use Cuba Haiti and the Dominican Republic as puppets but what neither bargained on was that their puppets would come to life *Red Heat* is an intimate account of the strong willed men who armed with little but words and ruthlessness took on the most powerful nations on earth

Ian Fleming and the Politics of Ambivalence Ian Kinane, 2021-04-08 Previously considered an avowed nationalist this book explores how Ian Fleming's writings and his representational politics contain an implicit resistance to imperial rhetoric Through an examination of Fleming's Jamaica set novels *Live and Let Die* *Dr No* and *The Man with the Golden Gun* as well as the later film adaptations of these novels Ian Kinane reveals Fleming's deep ambivalence to British decolonisation and to wider Anglo Caribbean relations Offered here is a crucial insight into the public imagination during the birth of modern British multiculturalism that encompasses broader links between Fleming's writings on race and the representation of early British Jamaican cultural relations By exploring the effects of racial representation in these popular works Kinane connects the novels to more contemporary concerns regarding migration and the ways in which the misrepresentation of cultures races and peoples has led to fraught and contentious global geo political relations as figured in the fictional icon James Bond
