Edgerton, 2013-05-07 After three decades of being a father Clyde Edgerton with four kids ranging in age from six to 30 is supremely qualified to give tips to dads of all ages His fathering advice pre birth through schooling involves plenty of his trademark humor but also sound guidance enhanced by his training and experience as an educator Papa Edgerton suggests that on occasion a father might forego reading and just point to the pictures of dogs and cats in baby books and also that he might place a blanket on the lawn lie on his back with the whole family and watch Sky Television Edgerton s humorous and helpful counsel will guide new parents on interacting with in laws and coping with sleep deprivation while also providing strategies for recovery after you ve cursed in front of a mimicking baby If you don t feel apprehensive just before your first child is to arrive you are abnormal writes Edgerton Yet by way of his experience observation and imagination he provides caution and pure joy in equal measure Edgerton is so so funny He captures the rainbows cheap thrills and irritating potholes of parenting with splendid understatement Library Journal **Rough South, Rural South** Jean W. Cash, Keith

Perry, 2016-02-12 Essays in *Rough South Rural South* describe and discuss the work of southern writers who began their careers in the late twentieth and early twenty first centuries They fall into two categories Some born into the working class strove to become writers and learned without benefit of higher education such writers as Larry Brown and William Gay Others came from lower or middle class backgrounds and became writers through practice and education Dorothy Allison Tom Franklin Tim Gautreaux Clyde Edgerton Kaye Gibbons Silas House Jill McCorkle Chris Offutt Ron Rash Lee Smith Brad Watson Daniel Woodrell and Steve Yarbrough Their twenty first century colleagues are Wiley Cash Peter Farris Skip Horack Michael Farris Smith Barb Johnson and Jesmyn Ward In his seminal article Erik Bledsoe distinguishes *Rough South* writers from such writers as William Faulkner and Erskine Caldwell Younger writers who followed Harry Crews were born into and write about the *Rough South* These writers undercut stereotypes forcing readers to see the working poor differently The next pieces begin with those on Crews and Cormac McCarthy major influences on an entire generation Later essays address members of both groups the self educated and the college educated Both groups share a clear understanding of the value of working class southerners Nearly all of the writers hold a reverence for the South s landscape and its inhabitants as well as an affinity for realistic depictions of setting and characters *Doomed* Chuck Palahniuk, 2013-10-08 Madison Spencer the

liveliest and snarkiest dead girl in the universe continues the afterlife adventure begun in Chuck Palahniuk's bestseller *Damned*. Just as that novel brought us a brilliant Hell that only he could imagine, *Doomed* is a dark and twisted apocalyptic vision from this provocative storyteller. The bestselling *Damned* chronicled Madison's journey across the unspeakable and really gross landscape of the afterlife to confront the Devil himself. But her story isn't over yet. In a series of electronic dispatches from the Great Beyond, *Doomed* describes the ultimate showdown between Good and Evil. After a Halloween ritual gone awry, Madison finds herself trapped in Purgatory or, as mortals like you and I know it, Earth. She can see and hear every detail of the world she left behind, yet she's invisible to everyone who's still alive. Not only do people look right through her, they walk right through her as well. The upside is that no longer subject to physical limitations, she can pass through doors and walls. Her first stop is her parents' luxurious apartment where she encounters the ghost of her long-deceased grandmother. For Madison, the encounter triggers memories of the awful summer she spent upstate with Nana Minnie and her grandfather Papadaddy. As she revisits the painful truth of what transpired over those months, including a disturbing and finally fatal meeting in a rest stop's fetid men's room, in which we'll never mind her saga of eternal damnation takes on a new and sinister meaning. Satan has had Madison in his sights from the very beginning, through her and her narcissistic celebrity parents, he plans to engineer an era of eternal damnation. For everyone. Once again, our unconventional but plucky heroine must face her fears and gather her wits for the battle of a lifetime. Dante Alighieri, watch your back, Chuck Palahniuk is gaining on you.
