**Her Worst Nightmare** Almasie, I didn t know if I was daydreaming or not but I was quite sure that something just moved so fast behind my back I guess it was my pet cat jack but he was supposed to be sleeping in his little room right now It was late at night and I had woken up to a strange noise in the parlour This wasn t the first time I was hearing this noise I was determined to know what is going on and why the noise kept coming Oh my God What s that I shrieked in fear as I saw something standing below me in the darkness I had a dim lighted lamp and before I could switch on the light the thing had disappeared That was certainly not jack my cat or could it be him I went straight to his room and saw him soundly asleep as expected And just as I was about turning to go back to my room I felt the presence of someone standing right before me In fear I slowly turned my face to look at it but before I could what I heard startled me enough to not bother looking at it Your Soul Is Mine At that point Jack woke up and I saw that his bright blue eyes had turned to pure black He faced me and gritted
