En ese momento descubrir unas cartas de su familia en las que encontrar la pista para llegar a saber quiénes y cómo es la mujer que habita en ella. De qué está hecha. Y tu alma. Con esos cuestionados pedacitos rotos que parece que nunca van a soldarse. Eres tu propia experiencia o el resultado de tu historia a través de vidas engendradas antes que la propia. Bartolo Sanjuanita G. Sepúlveda, 2009-12-17 *Antología de Poetas Hispano-americanos Publicada Por la Real Academia Española: Chile. Republica Argentina. Uruguay* Marcelino Menéndez y Pelayo, 1895 **Restoration of Tropical Forest Ecosystems** Helmut Lieth, M. Lohmann, 1914 The destruction of the tropical forests continues rapidly. We all know that this has global ecological and economic consequences. The problem is of such magnitude that it can only be compared to warfare. The destruction of tropical forests is both detrimental to the global ecology as well as posing a serious threat to the people living in these areas. Furthermore the overutilization of such a valuable resource poses a serious threat to the next generations. Besides the problem generated for the people in these regions and for the earth in general there is a moral obligation to preserve the vast biological diversity in the tropical forests. We have a commitment to all species on earth as well as man and therefore need to preserve as many as possible if not all. This book discusses the problem from different angles from forestry ecology and nature conservation. The two main problem areas are first the wise utilization of that portion of the forest which will be used especially the introduction of planned forestry in such areas and second the development of a good plan for nature conservation in the tropics. Adara Johanna Sebastien, 2018-09-20 Ser madre soltera en una familia inglesa acomodada en el Perú de 1840 no es tarea fácil y Adara Holt lo sabe muy bien. Ella y el pequeño John han vivido a la sombra de las habladurías de la gente y Adara tendrá que cargar para siempre con ese lastre aunque el amor que siente por su hijo hace que todo valga la pena. Thomas Steven se ha mudado con su familia de Lima a Huaraz. Allí conoce a Adara de quien queda prendado nada más verla. Pero el destino y los secretos del pasado marcarán una relación de encuentros y desencuentros. Un camino lleno de obstáculos que solo podrá superar gracias al amor que nace entre ambos. Johanna Sebastien nos ofrece una novela con una redacción magnífica y unos personajes que te llegarán al corazón. **Las siete**
