Paradise Regained John Milton, 2020-09-04 In purely poetic value *Paradise Regained* is little inferior to its predecessor. There may be nothing in the poem that can quite touch the first two books of *Paradise Lost* for

magnificence but there are several things that may fairly be set beside almost anything in the last ten The splendid stand at bay of the discovered tempter Tis true I am that spirit unfortunate in the first book his rebuke of Belial in the second and the picture of the magic banquet it must be remembered that though it is customary to extol Milton's asceticism the story of his remark to his third wife and the Lawrence and Skinner sonnets go the other way above all the panoramas from the mountaintop in the third and fourth the terrors of the night of storm the crisis on the pinnacle of the temple are quite of the best Milton which is equivalent to saying that they are of the best of one kind of poetry Whereas Paradise Lost is ornate in style and decorative in its verse Paradise Regained is carried out in a fairly plain style Specifically Milton reduces his use of simile and deploys a simpler syntax in Paradise Regained than he does in Paradise Lost and this is consistent with Biblical descriptions of Jesus's plainness in his life and teachings in the epic he prefers Hebrew psalms to Greek poetry One major concept emphasized throughout Paradise Regained is the idea of reversals As implied by its title Milton sets out to reverse the loss of Paradise Thus antonyms are often found next to each other reinforcing the idea that everything that was lost in the first epic will be regained by the end of this brief epic Additionally the work focuses on the idea of hunger both in a literal and in a spiritual sense After wandering in the wilderness for forty days Jesus is starving for food Satan too blind to see any non literal meanings of the term offers Christ food and various other temptations but Jesus continually denies him Although Milton's Jesus is remarkably human an exclusive focus on this dimension of his character obscures the divine stakes of Jesus's confrontation with Satan Jesus emerges victorious and Satan falls amazed

servant for the Commonwealth of England under Oliver Cromwell. He wrote at a time of religious flux and political upheaval and is best known for his epic poem *Paradise Lost* 1667 written in blank verse. *Paradise Regained* is a poem by English poet John Milton first published in 1671 by John Milton. The volume in which it appeared also contained the poet's closet drama *Samson Agonistes*. *Paradise Regained* is connected by name to his earlier and more famous epic poem *Paradise Lost* with which it shares similar theological themes: indeed its title, its use of blank verse and its progression through Christian history recall the earlier work. However, this effort deals primarily with the temptation of Christ as recounted in the Gospel of Luke. An interesting anecdote recounted by a Quaker named Thomas Ellwood provides some insight into *Paradise Regained*'s development. After studying Latin with Milton and reading the poet's epic *Paradise Lost*, Ellwood remarked, "Thou hast said much here of *Paradise lost* but what hast thou to say of *Paradise found*." Hearing this, Milton at first sat some time in a muse before changing the subject; however, sometime thereafter he showed to Ellwood a new manuscript entitled *Paradise Regained*. Some maintain that although he seemed to express gratitude to Ellwood in a letter, Milton in truth passed on a friendly if impish fabrication that made Ellwood feel like the inspiration for the poem. Milton composed *Paradise Regained* at his cottage in Chalfont St Giles in Buckinghamshire. The poem is four books long in contrast with *Paradise Lost*'s twelve 2065 lines long while *Paradise Lost* comprises 10,565. As such, Barbara K. Lewalski has labelled the work a brief epic. Whereas *Paradise Lost* is ornate in style and decorative in its verse, *Paradise Regained* is carried out in a fairly plain style. Specifically, Milton reduces his use of simile and deploys a simpler syntax in *Paradise Regained* than he does in *Paradise Lost*, and this is consistent with Jesus's sublime plainness in his life and teachings in the epic; he prefers Hebrew psalms to Greek poetry. Modern editors believe the stylistics of *Paradise Regained* evince Milton's poetic maturity. No longer is the poet out to dazzle his readers with bombastic verse and lengthy epic similes. This is not to say that the poem bears no affinities with Milton's earlier work, but scholars continue to agree with Northrop Frye's suggestion that *Paradise Regained* is practically *sui generis* in its poetic execution. Frontispiece of *Paradise Regained* circa 1671. One major concept emphasized throughout *Paradise Regained* is the idea of reversals. As implied by its title, Milton sets out to reverse the loss of *Paradise*. Thus, antonyms are often found next to each other, reinforcing the idea that everything that was lost in the first epic will be regained by the end of this brief epic. Additionally, the work focuses on the idea of hunger, both in a literal and in a spiritual sense. After wandering in the wilderness for forty days, Jesus is starving for food. Satan, too blind to see any non-literal meanings of the term, offers Christ food and various other temptations, but Jesus continually denies him. Although Milton's Jesus is remarkably human, an exclusive focus on this dimension of his character obscures the divine stakes of Jesus's confrontation with Satan. Jesus emerges victorious and Satan falls amazed.
