Ruusbroec Robert Pelfrey,2022-04-07 This book examines the theology of spiritual formation developed by fourteenth century Flemish mystic John of Ruusbroec arguing that his formational path clearly and consistently displays the characteristics of the archetypal narrative structure of the hero s journey To start with a hermeneutical dialogue between scholars of the hero s journey and Ruusbroec is established employing the work of Hans Georg Gadamer The author then examines the stages and tropes of the hero s journey according to Vladimir Propp Joseph Campbell Northrop Frye Ren Girard Dean Miller and others exploring the parallels in Ruusbroec s writing and theology of spiritual formation The book follows Ruusbroec s story of answering the divine call journeying inward and experiencing the trials of spiritual transformation attaining the treasure of divine union and returning in loving service to others Finally the ramifications of the argument for the interpretation and application of other mystical and heroic narratives are considered Offering a new perspective on John of Ruusbroec mystical theology and the hero s journey as a spiritual quest this volume will be of interest to scholars of mysticism theology formative spirituality narrative theory and religious literature of the Low Countries **Dictionary**

Catalog of the Research Libraries of the New York Public Library, 1911-1971 New York Public Library. Research Libraries,1979 Petrarch's Triumphs in English Alessandra Petrina,2020-08-17 This edition argues that Petrarch s text has

been neglected by modern scholarship in favour of the translations of the Canzoniere while it can be shown that the Triumphs enjoyed a much earlier and much more durable fame in Europe as well as in the British Isles being translated at least twice in its entirety with individual books and smaller sections being translated or adapted a number of times Critical editions of the translations are accompanied by analysis of the reception of Petrarch s work in the British Isles looking at the circulation of the book in the original Italian and in the various French translations as well as at the use that is made of the Triumphs motifs not only in literature but in paintings music etc **The Vision of Dante** Edoardo Crisafulli,2003 The popular and critically acclaimed translation of Dante s Divine Comedy into English was carried out by the Anglican Reverend H F Cary He has an honoured place in the rediscovery of Dante s masterpiece in Romantic Britain Shelley Byron Wordsworth and Coleridge lavished praise upon his translation and it was through Cary s The Vision of Dante that the beauty and intricacies

The Oxford Guide to Literature in English Translation Peter France, 2000 Translation has been a crucial process in world culture over the past two millennia and more In the English speaking cultures many of the most important texts are translations from Homer to Beckett the Bible to Freud Although recent years have seen a boom in translation studies there has been no comprehensive yet convenient guide to this essential element of literature in English Written by eminent scholars from many countries the Oxford Guide to Literature in English Translation meets this need and will be essential reading for all students of English and comparative literature It highlights the place of translation in our culture encouraging awareness of the issues raised making the translator more visible Concentrating on major writers and works it covers translations out of many languages from Greek to Korean from Swahili to Russian For some works e.g. Virgil's Aeneid which have been much translated the discussion is historical and critical showing how translation has evolved over the centuries and bringing out the differences between versions Elsewhere with less familiar literatures the Guide examines the extent to which translation has done justice to the range of work available The Guide is divided into two parts Part I contains substantial essays on theoretical questions a pioneering outline of the history of translation into English and discussions of the problems raised by specific types of text e.g. poetry oral literature The second much longer part consists of entries grouped by language of origin some are devoted to individual texts e.g. the Thousand and One Nights or writers e.g. Ibsen Proust but the majority offer a critical overview of a genre e.g. Chinese poetry Spanish Golden Age drama or of a national literature e.g. Hungarian Scottish Gaelic There is a selective bibliography for each entry and an index of authors and translators
