Paradoxes Of Freedom The Romantic Mystique Of A Transcendence

Peter J. Kitson

Paradoxes Of Freedom The Romantic Mystique Of A Transcendence:

Paradoxes of Freedom Thomas McFarland, 1996 *Paradoxes of Freedom* is a study of the historical and philosophical conception of liberty. Centering his argument upon the Romantic exaltation of freedom that followed the psychic explosion of the French Revolution, Thomas McFarland identifies freedom as one of the three chief transcendencies along with love and religion by which humanity orientates itself. Departing from contemplation of the significance of the revolutionary motto 'live free or die', he examines the apotheosis of freedom along with its vicissitudes and indicates by an examination ranging from Shakespeare and Luther to the writings of Nietzsche and Wagner both the reasons for the supreme valuation of freedom and the nature of the hindrances in theory and in fact that enmesh the actual realization of freedom. The book concludes with a sombre assessment of the future of freedom as an orientating transcendence.

Paradoxes of Freedom Thomas McFarland, 1996 This study of the Romantic glorification of freedom as the basis for a vision of human meaning explores ideals of political freedom, moral freedom, and that version of freedom embodied in Luther's writings on the subject of free will.

Coleridge and the Psychology of Romanticism D. Vallins, 2016-06-07 In addition to being the leading philosopher of English Romanticism and one of its greatest poets, Coleridge explores the dynamics of consciousness and mental functioning more extensively than any of his contemporaries. This book compares his psychological theories with his diverse exemplifications of Romanticism's self-reflexive quest for transcendence, showing how he continually highlights the circular and mutual influence of ideas and emotions underlying Romantic idealism and the cult of the sublime.

Coleridge's Writings: On the Sublime David Vallins, 2016-01-05 This new volume demonstrates the extent and diversity of Coleridge's writings on the sublime. It highlights the development of his aesthetic of transcendence from an initial emphasis on the infinite progressiveness of humanity through a fascination with landscape as half-revealing the infinite forces underlying it, and with literature as producing a similar feeling of the inexpressible, to an increasing emphasis on contemplating the ineffable nature of God as well as the transcendent power of Reason or spiritual insight.

Romantic Dialogues: Anglo-American Continuities, 1776-1862 Richard Gravil, 2015-07-28 *Romantic Dialogues* first published in 2000, contributed to the modern recovery of a transatlantic dimension in literary studies. Part 1 of the book reassesses the events of 1776 as a painful amputation severing one part of a close-knit republican community from the other. It looks at English visions of America from Blake's America to Barbauld's *Eighteen Hundred and Eleven* and at Romantic Americans such as Samuel Williams, William Ellery Channing, Gilbert Imlay, and Estwick Evans who absorbed England's Romantic revolution long before America's literary awakening took place. It considers also the periodical wars that followed the War of 1812, America's aspiration to an intellectual emancipation to match its political independence, and the kinds of continuing relationship with the old home to be found in James Fenimore Cooper, Ralph Waldo Emerson, and Elizabeth Palmer Peabody. Part 2 explores numerous barely recognised transactions between English Romantic poets and the canonical writers of the American

Renaissance Starting with Cooper's struggle with Edmund Burke in *The Pioneers* it places Emerson's *Nature* Thoreau's *Walden* the romances of Poe and Hawthorne Melville's *Moby Dick* and Whitman's *Song of Myself* in an Atlantic context These writers still had English ears inheriting the blissful dawn that took place in England between Blake's *Songs* and Wordsworth's *Prelude* they amplified the English poets' celebration of nature liberty and imagination and human nature seeming born again but equally Romantically they came to mourn the fatal compromises in America's experimental polity Diverging somewhat from these themes this edition includes a new chapter on William Cullen Bryant and an Epilogue on how the prosody of Whitman and Dickinson responded to the music of Tennyson whose songs Whitman memorably said entered into the American character inland and far West out in Missouri in Kansas and away in Oregon in farmer's house and miner's cabin *Reviews* How this study is received will say as much about the recovery of serious interest in literary history as about the work's quality Learned rigorous in testing its assertions mordant and spirited in its expression *Romantic Dialogues* makes an important claim that American Literature of the nineteenth century knowingly attempted to fulfill the visionary promises of British Romanticism What was reborn in the American Renaissance he writes was as much Romanticism as America It is as if in the works of Whitman and Melville the ghosts of Blake Wordsworth and Coleridge were posing a British alternative to Victorian conservatism He makes one wonder how one ever read the American text at all without the British context An extraordinary achievement This is real work Robert Weisbuch *New England Quarterly* Challenging the conventional notion that American literature emerged from Emerson's early essays Gravil positions Blake Wordsworth and Coleridge as its true progenitors just as Locke's libertarian political writings bore their greatest fruit in Jefferson's famous manifesto so the English romantics' most characteristic notions of liberty and selfhood were fulfilled in the United States and its literature Gravil's deft and learned application of key texts in British Romanticism to works by Thoreau Melville Dickinson Whitman and Hawthorne powerfully challenge the easy presumption of an autochthonous American writing Kurt Eisen *American Literature* a major study alert to and at home with textual nuance and larger questions persuasively proving and describing a series of intricate intertextual relationships Gravil allows for uniqueness and difference there is no Englishing of his American authors but a brimmingly revelatory stream of suggested connections *Romantic Dialogues* is a ground breaking study which bears witness to a generous vigilant and witty critical intelligence Michael O'Neill *Symbiosis*

Writing Romanticism J. Labbe, 2011-06-13 What is Wordsworthian Romanticism and how did it evolve This book argues that only by reading Charlotte Smith's poetry in tandem with William Wordsworth's can this question be answered demonstrating their mutual contribution to the creation of the Wordsworthian through literary analysis and historical contextualizing of their writings

Women, Love, and Commodity Culture in British Romanticism Daniela Garofalo, 2016-02-17 Offering a new understanding of canonical Romanticism Daniela Garofalo suggests that representations of erotic love in the period have been largely misunderstood Commonly understood as a means for transcending political and economic realities love for

several canonical Romantic writers offers instead a contestation of those realities Garofalo argues that Romantic writers show that the desire for transcendence through love mimics the desire for commodity consumption and depends on the same dynamic of delayed fulfillment that was advocated by thinkers such as Adam Smith As writers such as William Blake Lord Byron Sir Walter Scott John Keats and Emily Bront engaged with the period s concern with political economy and the nature of desire they challenged stereotypical representations of women either as self denying consumers or as intemperate participants in the market economy Instead their works show the importance of women for understanding modern economics with women s desire conceived as a force that not only undermines the political economy s emphasis on productivity growth and perpetual consumption but also holds forth the possibility of alternatives to a system of capitalist exchange

The Making of Percy's Reliques Nick Groom,1999 Percy s Reliques is the seminal collection of historical and lyrical ballads that defined English literature at the end of the 18th century This study examines his working methods

Coleridge and the Uses of Division Seamus Perry,1999 Throughout close attention is paid to Coleridge the writer the metaphor maker and stylist exhibited across the wide range of his oeuvre in public and private works prose and poetry A coda offers a reading of The Ancient Mariner tracing back the central threads of the study to Coleridge s early and surprising masterpiece

BOOK JACKET

1798: The Year of the Lyrical Ballads Richard Cronin,2016-01-03 1798 is a significant date in literary history in that year the Lyrical Ballads were published anonymously by Joseph Cottle the Bristol bookseller But this is a volume not about the Lyrical Ballads but about their year It is an attempt to re create and examine the literary culture of 1798 the culture on which Wordsworth and Coleridge decided to make their experiment It is a book in which Wordsworth and Coleridge vie for attention as they did in 1798 with many other writers including Schleiermacher John Thelwall Mary Hays the Abbe Barruel Walter Savage Landor Mary Wollstonecraft Thomas Malthus Joanna Baillie George Canning Robert Sothey and the Reverend T J Mathias The chapters of this book work together to define a single historical moment that marked the beginning of romanticism in England

The Masks of Keats Thomas McFarland,2000 This book surveys the poetic endeavour of John Keats and urges that his true poetry is uniquely constituted by being uttered through three artificial masks rather than through the natural voice of his quotidian self The first mask is formed by the attitudes and reality that ensue from a conscious commitment to the identity of poet as such The second called here the Mask of Camelot takes shape from Keats s acceptance and compelling use of the vogue for medieval imaginings that was sweeping across Europe in his time The third the Mask of Hellas eventuated from Keats s enthusiastic immersion in the rising tide of Romantic Hellenism Keats s great achievement the book argues can only be ascertained by means of a resuscitation of the defunct critical category of genius as that informs his use of the masks To validate this category the volume is concerned throughout with the necessity of discriminating the truly poetic from the meretricious in Keats s endeavour The Masks of Keats thus constitutes a criticism of and a rebuke to the deconstructive approach which must treat all texts as equal and must entirely forego the conception of

quality *The Romanticism of 17th Century Japanese Poetry* Douglas Kenning, 1998 Examines the historical situation and developments in Japan and points out the parallels between English Romanticism and the poetics of the Kambun and Genroku periods and especially shomon poets of the Japanese 17th century **Coleridge's Writings: On the sublime** Samuel Taylor Coleridge, 1991 Renaissance Humanism - Modern Humanism(s) Walter Göbel, Bianca Ross, 2001

Placing and Displacing Romanticism Peter J. Kitson, 2001 The essays collected in this volume all address the crucial current issues of place and displacement placing and displacing in Romantic period studies These terms are used with dexterity and imagination explored and interrogated in both their literal and figurative manifestations Overall this volume of essays takes forward these seminal terms in contemporary criticism of Romantic writing in a series of fresh and subtle readings of texts and contexts historical philosophical social political and scientific Familiar texts are revisited with new insight and unfamiliar texts are placed in meaningful contexts Despite the claim that Romantic writing denies and evades history and the social tensions of its time this volume shows how such writing is replete with both explicit and implicit contributions to the essential debates of the time The contributors to this volume all leading scholars in their field combine the virtues of close textual reading with an informed awareness of the historical political and social pressures of the Romantic period encouraging a critical stance of historically engaged formalist critique **Religion and the Arts** , 1998 Religion and the Arts is devoted to the study of this rapidly expanding interdisciplinary field It aims among other things to promote the development of discourses for exploring the religious dimensions of the verbal visual and performing arts

Paradoxes Of Freedom The Romantic Mystique Of A Transcendence Introduction

In the digital age, access to information has become easier than ever before. The ability to download Paradoxes Of Freedom The Romantic Mystique Of A Transcendence has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Paradoxes Of Freedom The Romantic Mystique Of A Transcendence has opened up a world of possibilities. Downloading Paradoxes Of Freedom The Romantic Mystique Of A Transcendence provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Paradoxes Of Freedom The Romantic Mystique Of A Transcendence has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Paradoxes Of Freedom The Romantic Mystique Of A Transcendence. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Paradoxes Of Freedom The Romantic Mystique Of A Transcendence. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Paradoxes Of Freedom The Romantic Mystique Of A Transcendence, users should also consider the potential security risks associated with

online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Paradoxes Of Freedom The Romantic Mystique Of A Transcendence has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Paradoxes Of Freedom The Romantic Mystique Of A Transcendence Books

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer web-based readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Paradoxes Of Freedom The Romantic Mystique Of A Transcendence is one of the best book in our library for free trial. We provide copy of Paradoxes Of Freedom The Romantic Mystique Of A Transcendence in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Paradoxes Of Freedom The Romantic Mystique Of A Transcendence. Where to download Paradoxes Of Freedom The Romantic Mystique Of A Transcendence online for free? Are you looking for Paradoxes Of Freedom The Romantic Mystique Of A Transcendence PDF? This is definitely going to save you time and cash in something you should think about.
