Born Malachi Adorn is the last Barbary lion shifter who was adopted by the Society after his pride was massacred. He is one of elite sentinel warriors sworn to uphold the laws of the Changelings. He is recovering from the wounds inflicted by rogue shifters. Shauna Wren is the daughter of a lion pride alpha and a tigress. A rare female hybrid shifter but considered an abomination by those who think hybrids should not exist. But the threat to her is nearer than the pride thinks. When she is kidnapped by the same rogue who ambushed him, Malachi is sent by the council to rescue her. As soon as he scents her, his feral side is aroused and the rescue turns into something more. Shauna is his true mate, the one he thought he would never have. But their enemies are still out there and their plot for revenge still threatens their future. Tiger Born Bella Tigrayan is a tiger hybrid whose life changed with the death of her father and stepmother. Once cherished, now detested and scorned, her uncle believes all crossbreeds are an abomination. Her brother is the reason she stays and accepts the abuse from her Alpha. The Council sent Killian Shadow to help his fellow sentinels find out who was responsible for attempting to kill the Lion Pride Alpha and kidnap his daughter. He never expected to find a female tiger in the forest behind his cabin, attacked and beaten. Having taken her back to his cottage to tend to her wounds, Killian realized this was no ordinary female tiger. Bella is his mate, the niece of the tiger Alpha. Killian places her under his protection, but her uncle wants her back. The Alpha will do anything to have her back, even send his enforcer. Alpha wants to take her from Killian, the sentinel sworn to keep her safe. **Magic**
