Rescued by her Bear: A Forbidden Love Fated Mates Bear Shifter Paranormal Romance Felicity Heaton, 2021-08-10

Leaving his cosy cabin at Black Ridge in the middle of a winter storm isn't Lowe's idea of a good time but he'll do whatever his alpha wants. With his twin for company he battles the blizzard and his grouchy bear side trying to keep his spirits up. When his brother brings up his bad habit of getting his heart broken, Lowe is sure things can't get any worse and then a gunshot echoes around the valley and the smell of blood sends his instincts wild. And when he finds the owner of the delicate tempting scent and sets eyes on the most beautiful female he's ever seen, fear and hope collide as he realises she's human but everything inside him roars: fated mate. Going on the run hadn't been in Cameo's life plan but when her nice guy turned drug lord ex kills her brother and sets his sights on her, the binder goes out of the window. Staying one step ahead of Karl and his men is vital to staying alive but a wrong turn leads her into a remote valley and what looks like the end of the line until a gorgeous six-foot mountain of a man rescues her and growls a vow to protect her. As the heat that crackles between them blazes into an inferno, Cameo is torn between accepting Lowe's help and leaving to keep him safe. With the clock ticking and the men hunting her, drawing ever closer, will Cameo follow her head or her heart?
