

Parent Tribute Speech

By Brittany Swart

Good evening,

I have immense pride in speaking before you today and I am honoured to be giving tribute to our dear parents who have been here to guide us through all these years.

I can still remember the first day of school, clinging desperately to my mother's arm, my small fingers clutching hopelessly, fearing the unfamiliar world I was about to step into.

I also remember the soothing words of encouragement and endearment that were hushed to me. The trust I had even at such a young age had me puffing out my chest and charging into that classroom with new found determination.

You took care of us in every aspect; you got us out of bed and ready in the morning, cooked for us, cleaned up behind us, and disciplined us in ways that were crucial in making us who we are today. You protected us with every fibre of your being, and nurtured us when we got hurt.

You were there with a warm shoulder for us to cry on through the hard times in our lives, comforting us back to normal. You were there for our first steps, our first words, and our first scars. You have shown pride in our simplest accomplishments, such as a scribbled drawing that took us all of thirty seconds to make.

Making you proud was the best feeling; it filled us with the confidence to keep practicing the things we love. These small acts of encouragement are what gave us our hobbies and talents that we now possess. You taught us so many constructive things with total patience, like how to swim and ride a bike.

We grew up all too fast, slowly leaving our adolescence behind to inevitably put you through the next stage in our lives.

Anne Frank once said, "Parents can only give good advice or put them on the right paths, but the final forming of a person's character lies in their own hands."

The accuracy of this statement is only now fully understood. We now have to decide where we go from here and what kind of person we would like to be.

Donohue, 2001-01-01 Provocative he acknowledges that the ACLU has honorably battled violations of individual rights but he maintains that the group s fetishization of those rights degrades institutions that help build responsibility and community His critique is in many instances appropriate Publisher s Weekly Mr Donohue makes a detailed and persuasive argument that far from simply protecting constitutional freedom the ACLU is driven by an ideology for which the accurate term is extremist Twilight of Liberty is an important polemical and constructive contribution to understanding law politics and morality in contemporary America First Things A Monthly Journal of Religion and Public Life William Donohue thoroughly documents and perceptively analyzes both the socially destructive work of the American Civil Liberties Union and the threat to liberty presented by the extremist positions on individual rights ACLU propagates This book is a much needed antidote to pernicious trends in our national life American Enterprise Institute Twilight of Liberty is a sequel to Donohue s highly regarded The Politics of the American Civil Liberties Union but with a marked change in emphasis Instead of challenging the ACLU s nonpartisan reputation as he did in the earlier volume Donohue now seeks to demonstrate why and how recent ACLU policy undermines the process of liberty He argues that the ACLU by relentlessly warring with mediating institutions and by pushing a radical individualism in its policies is not making us more but less free Two conceptions of liberty are discussed

The first considers the social context in which the struggle for freedom takes place. It maintains that freedom is best achieved through a delicate balancing of individual rights with the legitimate needs of the social order. The other conception of liberty is atomistic, exclusively concerned with the rights of the individual. According to Donohue, such a definition assures the triumph of the state over the mediating institutions of society, thus reducing prospects for freedom. This is the first book to critically analyze contemporary ACLU policy and to challenge its reputation as the preeminent voice of freedom in the United States. It aims to move beyond the idea that freedom is best served by pushing individual rights to extremes. *Twilight of Liberty* will appeal to scholars in the fields of law, social policy, and culture. Students in civil liberties courses will also find this book a valuable resource. William A. Donohue is president of the Catholic League for Religious and Civil Rights in New York City.
