

A red ink illustration of a Parisian street scene in winter. The scene shows a narrow street lined with multi-story buildings, some with balconies. A person is walking in the foreground, and a small figure is visible on a balcony to the left. The street is covered in snow, and there are bare trees in the background. The entire illustration is rendered in a simple, sketchy style using red ink on a light background.

Coggins's gifts as storyteller and illustrator conveyed with humanity and a love of life make Blue universally enchanting
