*The Rose of the World* Daniel Andreev,1997-12 9 lectures Dornach February 1923 CW 221 There is a great difference between the meaning of know yourself in the ancient mystery centers and its meaning today In ancient times one tried to achieve after death what one can now attain during earthly life In order to reach higher stages of development after we die we must become fully human during life on Earth Such matters have changed over millennia of human and earthly evolution At the center of the evolution human consciousness is the Christ event Today we must experience the Christ within ourselves as light life and love By adopting the appropriate path of knowledge we can become citizens of the universe rather than hermits on the Earth These lectures are crucial reading for a deeper understanding of the anthroposophic view of our place as human beings in the cosmos This volume is a translation of *Erdenwissen und Himmelerkenntnis* GA 221 Ancient Egypt, the Light of the World Gerald Massey,1907 The Medium and Daybreak ,1883 *Ancient Egypt Light Of The World 2 Vol set* Gerald Massey,2013-10-15 First published in 2005 This expansive and fascinating treatment of ancient Egyptian mythology and its influence on the traditions that followed from it includes explorations of sign language in mythological representation totemism fetishism spirits and Gods the Egyptian Book of the Dead and Egyptian wisdom in the Hebrew Genesis Readers will enjoy the wealth of information offered by Massey as well as his clear and readable style
