 is a time of karmic return Like the astrological Saturn return that occurs every 30 years in an individual s lifetime and brings
 with it personal karma the collective karma of humanity returns during the apocalypse The apocalypse is a time of revelation
 when we must ask ourselves What are we waking up to When I first began the journey to write spiritual and new age books
 and teach workshops I never imagined I would write a book with a title such as this one Times change Our time has definitely
 changed The Pandemic 2020 and 2021 became a viral wave of apocalyptic truth and reckoning Let s use this time of unrest
 and upheaval to change our destructive ways and instead embrace co operation and caring Let s wake up to the truth of our
 collective shadow so we can heal at last *Single at Heart* Bella DePaulo,2024-07-25 A TIMES BEST SELF HELP BOOK OF

I'll Work for Myself: The Dream and Delusion That Conquered America Benjamin C. Waterhouse, 2024-01-16 From side hustlers to start ups freelancers to small business owners Americans have a special affinity for people who make it on their own But the dream has a dark side One day I ll work for myself Perhaps you ve heard some version of that phrase from friends colleagues family members perhaps you ve said it yourself If so you re not alone The spirit of entrepreneurship runs deep in American culture and history in the films we watch and the books we read in our political rhetoric and in the music piping through our speakers What makes the dream of self employment so alluring so pervasive in today s world Benjamin C Waterhouse offers a provocative argument the modern cult of the hustle is a direct consequence of economic failures bad jobs stagnant wages and inequality since the 1970s With original research Waterhouse traces a new narrative history of business in America populated with vivid characters from the activists academics and work from home gurus who hailed business ownership as our economic salvation to the upstarts who took the plunge We meet among others a consultant who quits his job and launches a wildly popular beer company a department store saleswoman who founds a plus size bra business on the Internet and an Indian immigrant in Texas who flees the corporate world to open a motel Some flourish some squeak by Some fail As Waterhouse shows the go it alone movement that began in the 1970s laid the political and cultural groundwork for today s gig economy and its ethos everyone should be their own boss While some people find success in that world countless others are left bouncing from gig to gig exploited underpaid or conned by get rich quick scams And our politics doesn t know how to respond Accessible fast paced and eye opening One Day I ll Work for Myself offers a fresh insightful cultural history of the U S economy from the perspective of the people within it asking urgent questions about why we re clinging to old strategies for progress and at what cost

Social Crisis Preaching Tyshawn Gardner, 2023-02-01 This book provides a

theology for social crisis preaching by arguing that Christian proclamation is the best prescription for the social crises in our world Social Crisis Preaching positions the pastor as a sacred anthropologist one who is aware of both the crises in one's community but also as one who has a firm understanding of the people in the pews It also equips the preacher with both the hermeneutical and homiletical tools to confront social crisis with biblical integrity Lastly this book argues that social crisis

preaching develops Christians disciples and congregations as those who care about and confront the social crisis in their neighbor's community following the biblical mandate to love your neighbor as yourself Dad's Book Beth

Hindle,2024-03-01 If you want to know how to live beyond the age of 99 with joy in your heart then read this book Share in the wisdom stories and adventures of a man living through the 20th century who fought the Nazis first in Africa and then in Europe never being able to return home in three years Born shortly after the First World War when peace was thought to be guaranteed his exploits throughout his life rival any of today's adventurers This is also a story of a romance told in letters the trials of a working class family and how friendships support us through the ups and downs of life It's a story of a seemingly ordinary man the writer's father who did amazing things throughout his life His history is all of our history Why Because the 20th Century with both its fantastic achievements and terrible destructive forces has shaped our today How do we look back to the past to help us prepare for our unpredictable tomorrow Answering that question is vital to us all What can we learn from the past and his life to help our futures **Faith Facing Reality** John W. de Gruchy,2022-10-21 The COVID 19

pandemic and the war in Ukraine have starkly reminded us of the realities that threaten our future on planet Earth Christian faith is not a way of escaping these realities but of engaging them in the struggle for justice and peace motivated by love enabled by faith and sustained by hope This is based on the conviction that in Jesus Christ the reality of God has become redemptively embodied within the reality of the world Written within the context of South Africa but with global vision and in conversation with the legacy of Dietrich Bonhoeffer this book is an attempt to stir up discussion and inform action in connecting worldly and transcendent reality Inevitably this will be controversial not least because that is something that Bonhoeffer risked This is certainly true when it comes to the five realities that provide much of the book's substance the persistence of racism the will to power scientism and soulless technology the conflict in Israel Palestine and the threat of wars and pandemics Is it possible to believe in the God of Jesus Christ in such a world If so what does that mean and how does it help us live creatively redemptively and faithfully To answer these questions the author examines the meaning of faith the human desire for transcendence and the need for conversion wisdom solidarity and responsible freedom The

Environmentalists' Dilemma Arno Kopecky,2021-10-19 For readers of Ronald Wright Rebecca Solnit and Yuval Noah Harari comes a compelling inquiry into our relationship with humanity's latest and greatest calamity In The Environmentalists' Dilemma award winning journalist Arno Kopecky zeroes in on the core predicament of our times the planet may be dying but humanity's doing better than ever To acknowledge both sides of this paradox is to enter a realm of difficult decisions Should we take down the government or try to change it from the inside Is it okay to compare climate change to Hitler Is hope naive or indispensable How do you tackle collective delusion Should we still have kids And can we take them to Disneyland Inquisitive and relatable Kopecky strikes a rare note of optimistic realism as he guides us through the moral minefields of our polarized world From start to finish The Environmentalists' Dilemma returns to the central question How should we engage

with the story of our times **The Joy of Politics** Amy Klobuchar, 2023-05-09 An intimate and revelatory memoir on personal challenges political turmoil and the state of American democracy from one of the most effective voices in politics Amy Klobuchar During the past few years as our country has faced unprecedented challenges Senator Klobuchar has been in the room where it happens on the Senate floor for critical votes during the pandemic at the debate podium during one of the most critical presidential elections in US history and in the Capitol on January 6 2021 when insurrectionists stormed the building interrupting the certification of the electoral college It was well past midnight when Klobuchar stood beside then Vice President Pence to officially certify President Biden's victory In her candid honest and at times bitingly funny memoir the pragmatic senator shares insider stories from these historic moments while also inviting readers into her personal life An underdog in the 2020 Democratic presidential primary campaign she built surprising early momentum only to suspend her candidacy in order to support Joe Biden Within weeks of returning to work in the Senate the sudden onslaught of COVID 19 hit her family directly Her husband got very sick and spent a week in the hospital on oxygen and a month in isolation Klobuchar shares her experience facing a cancer diagnosis while watching her beloved father succumb to Alzheimer's She recounts the dramatic narrative of January 6 and how close we came to losing our democracy And with her signature humor she reveals what it's like to work with some of her more well interesting colleagues At the crux of these stories is a narrative of resilience of personal resilience and the resilience of a nation and improbably joy **Teachers Speak Up!** Sonia Nieto, Alicia López Nieto, 2024-04-26 In the past several years we have witnessed unprecedented political racial economic and health related ruptures in society The resulting turmoil has had an inevitable and negative impact on students teachers the profession of education and especially marginalized and vulnerable populations Academics and policymakers have had their say in how to address today's volatile issues but teachers and other practitioners closest to students have not had the same visibility or access This volume is an attempt to remedy that absence resulting in a compelling picture of education today Chapters highlight essays written by a diverse group of K 12 classroom teachers who share their vision for education and describe their empowering classroom practices At times hopeful and full of joy at other times angry and full of frustration these essays speak to what classrooms and schools based on social justice might mean for our nation Teachers Speak Up presents a bold vision of what education could be if teachers were to have a more direct influence on the purpose and aims of learning and teaching Book Features Offers grounded accounts about creating classrooms filled with hope and promise amid the many challenges to everyday practice Addresses the harm done by universal school closures due to the pandemic growing political divisions the ugly specter of racism book bans and more Gives voice to classroom teachers who describe their vision for education as well as their successful practice teaching diverse students Includes chapter authors who are diverse in their identities the subject matter they teach and their time in the profession **Mutualism** Sara Horowitz, 2021-02-16 A profound look at the crisis of work and the collapse of the safety net and a vision for a better way

forward rooted in America's cooperative spirit from the founder of the Freelancers Union Read this essential book to see how we can and must build the future Reid Hoffman co founder of LinkedIn Mutualism It's not capitalism and it's not socialism It's the future The twentieth century changed every facet of life for American workers how much they could expect to earn and what they had the right to demand But by 2027 a majority of Americans from low wage service workers to white collar professionals won't be traditional employees Benefits like paid sick leave pensions 401 k's disability insurance and health care will be nearly extinct To meet the needs of this new generation of workers the government has done almost nothing In this book labor lawyer former chair of the board of the New York Federal Reserve and MacArthur genius Sara Horowitz brings us a solution to the current crisis of work that's rooted in the best of American traditions which she calls mutualism Horowitz shows how the future of our economic safety net rests on this approach and demonstrates how mutualist organizations have helped us solve common problems in the past and are now quietly driving rural and urban economies alike all over the world inspired not by for profit corporations but by labor unions and trade associations religious organizations and mutual aid societies and vital social movements from women's suffrage to civil rights Mutualism is for anyone who feels that the system is not working for them and is looking for a new way to build collaboratively create the new American social contract and prosper in the twenty first century **The Parousia of Jesus** James O. Ellithorpe, 2015-11-17

Throughout the ages various celestial and non celestial phenomena have featured images portraying the nearness of the end of days or in the New Testament the Parousia which means the appearance of the second coming of Jesus Many of these images and concepts are often misunderstood or misapplied A primary purpose of this book is to correct the errant concepts believed to be true by many people because incorrect doctrine and teaching can have disastrous results Many people today believe we are living in tumultuous times However to set or fix a precise date for the return of Jesus is unbiblical This book will present a completely different view than what is commonly believed about the end times By blending the concepts of many schools of thought and outright challenging others the goal of this book is to help people understand the variety of views on the topic In short this book should be read first and then compared with what others are teaching and saying

Risky Teaching Jay W. Roberts, 2021-11-22 Risky Teaching examines the role of risk and uncertainty in teaching and learning in higher education Discussing the current landscape of higher education and the challenges and opportunities we face this book synthesizes a range of evidence based and high impact practices both in and out of the classroom offering practical strategies and thought provoking ideas on educational innovation for students and faculty Covering topics such as taking risks inside the classroom innovative teaching methods outside the classroom rethinking assessment and sustaining creativity as we grow in our careers this practical resource is for faculty and instructors to work within and through uncertainty The book also explores the inward challenges and opportunities associated with risky teaching and how institutional leaders can encourage productive risk taking throughout the organization This important text is for faculty and

instructors in higher education who want to help their students thrive in a complex unscripted and disruptive world
