Paranormal Romance A Dragons Mate:

Dragon's Mate Awakening Amelia Wilson,2020-05-05 I m one of the rarest and strongest dragons in the world I shouldn't be concerned about some mortal but I am She is all I think about all I dream about I know she is waiting for me to ignite her powers even if she doesn't know it The question is will she be ready for me to claim her After all I have waited for her for a century and when all's said and done I will do anything to protect her and our legacy together But I have family to contend with and other dragons who will try to stake their claim on her as well So if I find her do I unlock the magic within her Or do I let her go Can I protect her from herself Will she lure me into her world I can be strong enough to walk away I can protect her from a distance I swear Buy the book today to answer the age old question Can love conquer all **The Dragon's Mate** Linzi Baxter,2020-02-17 She's a genie freed from her bottle Only a dragon's love can protect her now Conley's two brothers did the impossible found their mates With the threat to supernatural beings everywhere hanging overhead Conley's got too many bodies to guard to even dream about finding his own Until he overhears a woman's desperate voice on the phone and for reasons he can't explain he's just as desperate to save her Nyx's ability to read other people's visions made her the council's most wanted tool Until she used it against them and became a target Cornered a heartbeat from capture and probable torture she's rescued by someone she didn't even know existed A man for whom she feels nothing Nothing but desire She's not sure if she's thrilled or terrified For herself and for him If Conley can just look once into her eyes he'll know for sure what's driving his dragon wild Except Nyx seems determined to look anywhere but at him Conley's waited hundreds of years for his mate He can be patient a bit longer Talking his dragon into that strategy That's a tall order But when Nyx is kidnapped by the very evil they're sworn to defeat time could be running out for them both *My Dragon Mate (Broken Souls 3)* Alisa Woods,2020-01-29 When dark elves corrupt the very thing you are there's only one path to redemption This is all my fault The fates sent them to me in a dream the twin soul mates and the dragon man with the pale brown eyes I knew they were key to everything I knew I'd pay a price for it What I didn't see coming was the flutter in my belly when the dragon man's eyes were upon me He's a fine thing but that's not important rescuing these women from the feckin' Elves That's important Not least because it's my fault they're here Witches are supposed to be healers Matchmakers of dragons My mother and her mother before her we aren't supposed to be destroyers So I'll undo what I've done but I tell myself There's nothing more for you Alice Don't let that dragon man wreck your head or all your carefully laid plans Alice's a witch held hostage Constantine's a dragon who gave up long ago together they might save dragonkind but it could already be too late for their broken souls *My Dragon Mate* is a steamy dragon shifter romance that'll heat up the sheets with love and warm your heart with dragonfire **KEYWORDS** shapeshifter romance with sex dragon shifter romance paranormal romance shifter romance new adult romance romance ebook top romance reads fantasy romance paranormal elements romance fiction top ebooks in romance top ebooks in paranormal *Reclaimed Dragon (Guarding Their Dragon Mate 5)* Layla Heart,2020-08-12

Sophia's family turns out to be even more complicated than she originally knew. When Sophia and her men finally make it into the magically locked room in the library, the room that has as far as they know been closed off for decades, they not only find out how long Sophia's father's side of the family has been in the area but that they've secretly been doing research for the fae the whole time. The five's nosing around in the room triggered some alarm, and Sophia's half sister shows up to check out what's going on. Her half sister, who Sophia had no idea existed and who has a fae mother, things should have become easier now that Sophia and the others have found her family's research in the library and can use it to their advantage, but more than answers, it throws up questions for Sophia. Questions about her father, about who she really is, who the rest of her family are, and what they've done to the people from the town where she grew up. Most of all, it throws up questions for her about what it means to be a half dragon now that the connection she felt with her witch side of the family has gotten so tainted. This is the fifth novella in the *Guarding Their Dragon Mate* series, a six episodes long reverse harem. WhyChoose story. This novella may include any of these elements: steamy scenes, I need tissues NOW moments, cries of why oh why, and cliffhangers that make you bite your nails and curse the author. This story takes place in the same world as the *Lughnasadh Elite Academy* and happens after the events from the other series. Both series can be read stand alone; they are about different characters but they are connected.

Ferocious Dragon (Guarding Their Dragon Mate 6) Layla Heart, 2020-09-02. One last chance to end the suffering. Sophia and her mates risk it all. After learning of the existence of her half sister, Sophia had to rethink her whole life, who she is, and wants to be. Leading to her finally taking the antidote against the anti-shifting elixir and connecting with the dragon inside her. Now Sophia and her hoard are ready for the final step: find the research centre hidden in the mountains, free the missing earth dragons, and take out anyone who stands in their way. The plan is as effective as it's simple. But when they arrive at the research centre, things don't exactly go as planned. The handful of guards outside the place are easy enough to take down, but when they're about to enter the building, they realise they've walked right into a trap. A trap meant to catch them and take them out so that the renegade fae can take over the area. Can they survive, or will this be the end of their journey? This is the sixth and final novella in the *Guarding Their Dragon Mate* series, a six episodes long reverse harem. WhyChoose story. This novella may include any of these elements: steamy scenes, I need tissues NOW moments, cries of why oh why, and cliffhangers that make you bite your nails and curse the author. This story takes place in the same world as the *Lughnasadh Elite Academy* and happens after the events from the other series. Both series can be read stand alone; they are about different characters but they are connected.

Fated Dragon (Guarding Their Dragon Mate 3) Layla Heart, 2020-07-01. Dragon hoards are supposed to be a beacon of unity, but Sophia isn't so sure of that as her hoard seems out to kill each other. When Sophia and her men arrive at the dragon town, the night is young, as fate seems keen to point out. First, she kisses one of her guys and almost gets him killed by one of the others. It won't be the last time someone attempts that. Second, she hopes to get them all on the same page as she reveals that all four men are part of her hoard, her fated mates. That went over well.

Third she finds a little dragon in the streets hungry tired alone An orphan Just like her Returning home brings back many memories for Sophia good and bad ones But it also means she has to confront other things from her past like the people she left behind old friendships old pain Can she keep her head cool as the leader of their rebuilding mission while caring for a young orphaned dragon and regaining the trust of old friends This is the third novella in the Guarding Their Dragon Mate serial a six episodes long reverse harem WhyChoose story This novella may include any of these elements steamy scenes I need tissues NOW moments cries of why oh why and cliffhangers that make you bite your nails and curse the author This story takes place in the same world as the Lughnasadh Elite Academy and happens after the events from the other series Both series can be read stand alone they are about different characters but they are connected **Reluctant Dragon Mate** Laura Greenwood,2020-03-31 Don t make important life decisions while drunk Dakota s whole life changes when she swipes yes to a dragon shifter on MatchMater the world s only dating app for paranormals Waking up the next morning she finds herself only able to think about one thing he s her mate Achilles isn t interested in being a mate and when his latest one night stand turns out to be more he doesn t want to accept it Reluctant Dragon Mate is book one of the MatchMater Paranormal Dating App Series It contains a standalone shifter romance Beloved Dragon Mate Dominique Eastwick,2019-07-02 Ky the Searcher wants nothing more than to save his dying clan Women are few and far between for the Dragons of Zambonia With so few females born it is now time to search for suitable mates amongst the covens of the planet Ky and his ranger brothers have been dispersed to the four corners of the planet tasked to find women both honorable and worthy to be dragons mates But at the first village he finds a diamond in rough His life mate The witches of Willow s coven might be so beautiful they make a man forget his name but below the exterior is little more than vanity and pettiness Men come from far and wide to mate with the beauties So why when the Dragon Ky arrives would he be any different Why would he possibly see anything past the plain woman whose beauty burns on the inside But the vulnerable within her coven rely on her Can she take a step for what she wants and leave them at risk If Ky and Willow can get through a wall of opposition with a little help from a interfering otter familiar they might find what they each thought never to have True love **Dragon Mated** Amelia Shaw,Tamsin Baker, Dragon Mated is the second story in the Blood World series Featuring Vampires Shifters and a covert Witch This story is packed with action adventure and a steamy why choose Reverse Harem romance between two bounty hunters an ancient Vampire and a woman with the rarest blood in town Three possessive paranormal men share one badass woman Sadie Rogan and Fridge are working together and hot on the trail of the Vampire who killed Sadie s father Finally clues seem to be adding up and they are making headway but things aren t easy Fridge Sadie s dragon shifter mate has deep seated commitment issues while Rogan Sadie s wolf shifter mate wants to become the best family unit around When a vampire assassin Sadie assumes is her father s killer kidnaps her and ignites a mating bond she s in real trouble Not only that but he wants to join their triad Can the three men get along as they continue their quest to find a killer and take apart
