Parish Ministry For Maturing Adults Principles Plans And Proposals:

Parish Ministry for Maturing Adults Richard P. Johnson, 2007 The current crisis in parish ministry for maturing adults is the reason Richard Johnson wrote this book It is his clear intention that parishes become more active more assertive and more focused on the fundamentals of ministering to those in their maturing years As he looks into the future the author sees this ministry growing steadily and surely taking its rightful place among other parish ministries He calls for a new vision for parish ministry with maturing adults that moves beyond social activities to a new model of spiritual growth and personal development *Aging Matters* R. Paul Stevens, 2016-04-05 Academy of Parish Clergy s Top Ten Books for Parish Ministry Vocational discernment says R Paul Stevens is a lifelong process one that takes on even more significance in later life In this book Stevens argues that our calling does not end with formal retirement to the contrary we do well to keep on working if possible till life s end Stevens delves into matters of calling spirituality and legacy in retirement showing that we must continue to discern our vocation as we grow older in order to remain meaningfully engaged for the rest of our lives He reframes retirement as a time of continued calling and productivity and points to biblical wisdom that can help us redefine aging as an extraordinarily fruitful season of life **American Doctoral Dissertations** ,1978 **Comprehensive**
