beautiful slipcase Richard Stark's Parker The Hunter graphic novel debuted in July 2008 to instantaneous popular and critical acclaim. It made the New York Times bestseller list and won coveted Eisner and Harvey awards. The second graphic novel The Outfit was released in 2010 and was met with similar response and won the 2011 Eisner for Best Writer/Artist. The Hunter and The Outfit tell the story of Parker, Richard Stark's classic anti-hero, as he returns to New York to settle the score with his wife and partner in crime after they betray him in a heist gone terribly wrong. After evening the field and reclaiming his prize, the Outfit decide to do some score settling of their own and learn much too late that when you push a man like Parker, it had better be all the way to the grave. Also contains the short stories The Man With the Getaway Face and The Seventh.

The Handle Richard Stark, 2009-08-15 Parker is enlisted by the mob to knock off an island casino guarded by speedboats and heavies forty miles from the Texas coast. Publisher **The Rare Coin Score** Richard Stark, 2009-08-15 Parker makes the mistake of letting an amateur in on the score and one of them is a pretty woman named Claire. **The Green Eagle Score** Richard Stark, 2011-05-01 An action-packed crime novel starring Parker the heister starring in the forthcoming Shane Black film Play Dirty. Richard Stark's Parker novels are the hardest of hard-boiled classic crime novels where the heists are huge, the body counts are high, and the bad guys usually win. The Parker novels have been a huge influence on countless writers and filmmakers including Quentin Tarantino, Stephen King, George Pelecanos, Colson Whitehead, Lucy Sante, John Banville, and many more. Their stripped-down language and hard-as-nails amorality create an unforgettable world where the next score could be the big one, but your next mistake could also be your last. There's nothing else like them. In The Green Eagle Score, Parker cuts his vacation with Claire short with a new job stealing the entire payroll of an Air Force base in upstate New York. With help from Marty Fusco, fresh out of the pen, and a smart-aleck finance clerk named Devers, Parker tries to shorten the odds on the risky job. But the ice is thinner than Parker likes to think, and a wrench always gets thrown in the works.

Plunder Squad Richard Stark, 2010-09-15 Hearing the click behind him, Parker threw his glass straight back over his right shoulder and dove off his chair to the left. When a job looks like amateur hour, Parker walks away. But even a squad of seasoned professionals can't guarantee against human error in a high-risk scam. Can an art dealer with issues unload a truck of paintings with Parker's aid? Or will the heist end up too much of a human interest story as luck runs out before Parker can get in on the score.

The Hunter Richard Stark, 2009-09-15 First book in the classic crime series that's the basis for the forthcoming film Play Dirty. She shot him just above the belt and left him for dead. Then they torched the house with Parker in it and took the money he had helped them steal. It all went down just the way they'd planned, except for one thing: Parker didn't die. In The Hunter, the first volume in the Parker series, our ruthless antihero roars into New York City seeking revenge on the woman who betrayed him and on the man who took his money stealing and scamming his way to redemption. The volume that kickstarted Parker's forty-plus year career of larceny and inspired the 1967 motion picture Point Blank starring Lee Marvin. The Hunter is back ready to thrill a new generation of noir fans. **The**
